To the General Assembly of the Presbyterian Church in the United States, Greenville, S. C.:

GREETING: We understood your telegram wherein it speaks of "unjust interference by representatives of the Board," as making a charge against the officers of our Board of Home Missions, and it was our intention in our telegram to disclaim any knowledge of such acts of ecclesiastical interference.

In the absence of any statement of specific cases, we cannot make the denial more specific. We desire to repeat our assurance to you that if there have been any such acts, they have been without the official responsibility of this Assembly or its Board of Home Missions, and that it is and has been our purpose to prevent such acts as far as possible, whether by representatives of the Board or by workers on the field. We suggest that any cases in which you feel you have cause for complaint be submitted by you for investigation to this General Assembly at its meeting in 1907.

W. McF. Alexander, *Chairman.*

The Committee on Ministerial Education and Relief presented its report, which was adopted as follows:

Your Committee on Ministerial Education and Relief would report that it has examined the Minutes of the Assembly's Executive Committee on Ministerial Education and Relief, and would recommend the following action:

1. That the Assembly's Committee on Ministerial Education and Relief be instructed to give no financial aid to students who are pursuing exclusively post-graduate studies.

2. In view of the fact most of the churches present the cause of ministerial education the first Sabbath in November, that the General Assembly change the day of prayer for candidates, and for their cause, from the second to the first Sabbath in November.

3. That the Assembly instruct the Executive Committee to receive notes from candidates who express the desire to borrow instead of accepting money as a gift from the church for their education. These notes to be without interest, and the amount of the loan for any one year not to exceed the maximum amount appropriated to candidates.

4. The Presbyteries shall receive foreigners, and recommend them for aid, only after conference with Executive Committee of Foreign Missions, and a full understanding as to a possibility of giving them definite appointment to work.

5. That the General Assembly reaffirm as a whole the following rules governing candidates and instruct its Executive Committee to publish and distribute the same:

"Inasmuch as the Presbyterian Church has always rightfully demanded a high grade of education for her ministry, the General Assembly would express the decisive conviction that the cause of Ministerial Education is fundamental to her welfare.

"The attention of the Committees of Ministerial Education of the Presbyteries, and of all of our pastors and sessions, is called to the following actions by the General Assembly of our church, which reveals the care that is being taken to shield this work from abuse.

THE GENERAL ASSEMBLY AND THE CANDIDATES.

"Each Presbytery should adopt, for the guidance of the Committee of Ministerial Education, a set of standing rules embodying the following regulations, which the experience and wisdom of the church have shown to be important and necessary in the premises:

AS TO THE RECEPTION OF CANDIDATES.

"The Presbytery. In order to secure a class of candidates for the ministry which shall more fully meet the requirements of the sacred office which they profess to seek, Resolved,

"(1) That the General Assembly enjoins it upon the Presbyteries more carefully to investigate the antecedents and inquire into the character of the candidates for the Gospel ministry.

"(2) That the Presbyteries be advised, as a general rule, to receive under their care no candidate for the ministry at the same meeting when the application is made.

"The Session. All candidates coming before Presbyteries shall bear the certificates of their sessions, testifying to their qualifications, physical, mental and spiritual.

"The Presbyterial Committee. All applications to be received as candidates for the ministry should be made through the Presbyterial Committee, and a sufficient time before the meeting of the Presbytery for the Committee to make a thorough investigation:

"(1) As to the reputation of the applicant for piety, good practical sense, prudence and humility; and

"(2) Whether there be any physical or mental infirmities, or any eccentricities of character, or other defects, which are likely to interfere with his usefulness as a minister of the Gospel.

"These facts should be fully and clearly reported to the Presbytery at a regular meeting, and no applicant be received until such report be made.

AS TO THE SUPERVISION OF CANDIDATES.

"Candidates under the care of Presbytery are subject to its oversight, direction and control in all matters pertaining to their education and training for the ministry. To this end the Presbytery should, through its committee, keep in close and intimate touch with each of its candidates, and if candidates pursue their studies outside the bounds of our church, or deviate from the ordinary regular course of study, it should be only with the consent of the Presbytery, or, ad interim, of its Committee of Ministerial Education.

"The Chairman of the Presbyterial Committee of Ministerial Education should be instructed to obtain from the professors of theological seminaries, colleges and schools, where our candidates may be pursuing their studies, reports of the diligence, progress and standing of each beneficiary, so that in case

of any deficiency, the proper correctives may be applied without delay; and also, these reports should be forwarded to the Executive Committee of Ministerial Education.

AS TO FOREIGN CANDIDATES.

"The Assembly gives as its judgment that no candidate for the Gospel ministry should be aided by the Assembly's Executive Committee unless the applicant be regularly and fully endorsed by the session of his church and by his Presbytery, and further, the session and Presbyteries are admonished to exercise great caution and intelligent investigation concerning the needs, motives and character of the applicant, and the Presbyteries are requested not to receive candidates under their care who have been rejected or dropped by other Presbyteries or ecclesiastical bodies without correspondence with such Presbyteries or bodies.

AS TO FINANCIAL AID OF CANDIDATES.

"Presbyteries should urge the Chairman of Presbyterial Committees to inquire more particularly into the financial resources of such candidates as apply for aid and urge them to draw on all private resources to complete, or at least supplement, the funds necessary for their education.

"When any candidate applies for aid from the funds of the church, the Chairman of the Committee of Education of his Presbytery must sign the following express statement:

"'We have made careful inquiry as to his other resources of help, and find that he will need the above sum to meet necessary expenses.

"'Should he receive aid from other sources, rendering the full appropriation unnecessary, the Executive Committee will be notified and the appropriation may be reduced.'

AS TO REFUNDING MONEY BY CANDIDATES.

"The Presbyteries should give all their candidates to understand that they are under a moral obligation to pay back the money they receive from the church if they do not enter her service.

"The Presbyteries should exercise due diligence in assisting to collect back funds appropriated on their recommendation to candidates who have abandoned preparation for the ministry, except it be on account of unavoidable providences.

AS TO THE EXECUTIVE COMMITTEE.

"In order to bring the Executive Committee into close relations with the work as it is cared for in any of its phases by the Presbyteries, the Presbyteries are directed to send to the Executive Committee, through their Chairman of Education, abstracts or copies of all matters pertaining to the work of Ministerial Education, such as the reception of candidates, their progress, scholastic standing, and all other such information as shall help the committee in its effort to make a judicious use of the funds of the church, and especially should the Presbyteries direct full and explicit answers to be given to all inquiries which the Executive Committee may reasonably make in the prosecution of its work."

6. That the General Assembly call upon the church for $30,000 to prosecute the work of ministerial education for the ensuing year.

7. That the General Assembly re-elect the following number of the Executive Committee whose terms expired in May, 1907: Rev. W. Y. Davis, John Stites, Esq., C. F. Huhlein, Esq., James Quarles, Esq., and Bennett H. Young, Esq.

MINISTERIAL RELIEF.

1. That the General Assembly call upon the church to raise this year for the cause of Ministerial Relief, $30,000 exclusive of the eight or ten thousand dollars which will be received from the invested funds.

2. That the General Assembly call upon the church to increase as rapidly as possible this endowment fund to at least $500,000, and that this endowment fund be especially recommended to our people of wealth for their gifts and legacies.

3. That the General Assembly set aside the third Sunday in November, or the day nearest thereto most convenient, for an offering to this cause from all our churches.

4. That the Assembly hear at this time Rev. Henry H. Sweets and John Stites, Esq., the Secretary and Treasurer respectively of the Assembly's Executive Committee of Ministerial Education and Relief.

M. D. HARDIN, *Chairman.*

1. Monday 8 P. M.—Colored Evangelization.
2. Tuesday 11 A. M.—Interest of Indian Schools.
3. Tuesday 8 P. M.—Home Missions.
4. Wednesday 8 P. M.—Foreign Missions.

At the request of the chairman of the Committee on Schools and Colleges, the Assembly was addressed by the Rev. Dr. F. H. Gaines, President of Agnes Scott College, on "Church and Christian Education."

The Committee on the Bible Cause presented the following report, which was adopted:

The Standing Committee on the Bible Cause would respectfully report to the General Assembly. There have been placed in their hands the annual report of the Permanent Committee on the Bible Cause, Dr. Thomas H. Law, chairman, and the ninety-first annual report of the American Bible Society,

to which is appended a summary of the work, the finances and the prospects of that society. To this committee has also been referred the address made to this Assembly by the Rev. Dr. Henry O. Dwight, one of the secretaries of the American Bible Society.

From these sources we learn that the parent American Bible Society is engaged in an active and world-embracing effort to give the Bible "without note or comment," in many languages to the people of all sections of this land and to many other peoples around the world. It is an American institution of the highest character and a missionary agency of the most beneficent kind. For the year ending March 31, 1907, the issues of the society were nearly two million of copies of the Bible or portions thereof. In the United States, the distribution has been conducted through 479 auxiliary societies, including state societies, and those that are local in towns and counties, collecting funds and directing local distribution. The total amount of income from invested funds, from rentals, from bequests and contributions, received and disbursed was $605,590. The expenses of administration of the great trust are provided from sources other than those given for its great work of beneficence.

Much of the work and expenditure of the society has been in giving the Word of God to foreign lands. In this extensive work we are especially interested in that which has been done in lands in which our own missions are at work. So that as a missionary agency the American Bible Society is aiding the work to which we have sent the sons and daughters of our church. This is true also in the colonies and dependencies of this country, in the Philippines, in Hawaii, in Guam, in Porto Rico and in Alaska.

In our own land, a large field in which there is urgent need of the distribution of the Bible is found in the vast foreign population, which has been pouring into our cities, and spreading over large sections of the West, and is now coming into portions of our own Southern states—a work of importance to us in the organization of service for Bible distribution among the negroes of the South. The Rev. Dr. Wragg with eleven assistants is finding increasing usefulness in their work and reports a circulation of 25,365 volumes, of which about 11,000 have been copies of the complete Bible.

This great and beneficent work makes a strong appeal to our churches. We believe the Bible, in the language of the races of our humanity, to be the very bread of life. By it we preach the Gospel of Redemption to a lost world. Without it we can do nothing for the people of our home land, or the people in our foreign fields. We ask for aid, contribution of our churches to this cause, and provide a column in our reports for the offerings of our churches. But the very meagerness with which this column is filled is the witness that our pastors must forget it, and our people fail to respond. Seven or eight thousand dollars a year is all that we give to the Bible cause.

The Assembly would again direct the attention of ministers and churches to the fact that our church asks a special contribution in October each year for the American Bible Society. The sum of $15,000, twice as much as we have been giving in late years, would come back into our own states, blessing our people, and helping to establish truths and righteousness in our land. The Assembly would also repeat its request that a Sunday in December of each year, or other day appointed by the session, be observed as Bible Day in the

Sunday schools, that the authority and value of the Bible be exalted before our youth, and their help be secured in the work of giving the Bible to all the world.

The Assembly hereby resolves, that in view of the vast amount of destitution of Bibles in our own home field, the presbyteries be reminded of this distressing fact and requested to take this matter into careful consideration, with a view to meeting it either by inter-denominational, co-operation or using portions of our gifts to the work through evangelistic agencies of our own.

By reason of certain changes in the method of administration, the Field Secretaries have been withdrawn, and the chairman of our permanent committee, who for a number of years has served this cause so efficiently, Dr. Thos. H. Law, now retires. The other members of the permanent committee have united in a testimonial to his acceptable and useful service in Tennessee, that the Assembly would adopt and make its own: "Dr. Law has been a faithful and efficient agent, visiting the various courts of the different branches of the church, and using every opportunity to present the Bible cause in public and in private. In our judgment the sustained interest in the work among the churches is due to his ability, zeal and untiring diligence."

We recommend that the Permanent Committee on the Bible Cause be appointed for the coming year, as follows: Rev. Thos. H. Law, D.D., Rev. Jno. S. Watkins, D.D., T. J. Moore, Rev. J. T. Plunkett, D.D., and George Allen.

Respectfully submitted,

JAMES P. SMITH, *Chairman.*

The Assembly had recess until 3 P. M.

In answer to the question, "Does your Presbytery call upon the churches which fail to make any collection ordered to give their reasons for failure?" 34 answer yes, 16 answer no, 33 do not answer.

Your committee would recommend that the Stated Clerk of the Assembly urge upon the Stated Clerks of Presbyteries to use the proper blank in making out their reports upon Systematic Beneficence, and to make them out legibly. On account of these defects this report is incomplete.

We recommend that the Secretary of each Executive Committee furnish the Stated Clerk of the Assembly the total amounts contributed to their respective causes for the fiscal year, which shall be placed with the reports of the Presbyteries on Systematic Beneficence. And that the Assembly's Committee on Systematic Beneficence shall in their report enter under the head, "Totals of Executive Committees," the amounts contributed to the different benevolent causes through these committees.

CHALMERS FRASER, *Chairman.*

The Committee on Theological Seminaries presented its report, which was adopted as follows:

The Committee on Theological Seminaries would report as follows:

Reports have come into the hands of your committee from the following seminaries, viz.: Austin, Columbia, Louisville and Union, Virginia. These reports indicate increased attendance, increased interest and good work done by faculties and students.

The total number of students in attendance was 152, distributed as follows: Austin, 13; Columbia, 22; Louisville, 42; Union, 66; Southwestern Presbyterian University, 9.

The financial condition of all these seminaries continues to improve. Union reports the general condition of its finances as gratifying. The effort to endow the Chair of Systematic Theology in memory of the late Rev. Dr. R. L. Dabney, that eminent servant of God, is about to be crowned with success, less than $3,000 being necessary to reach $50,000 desired. The total assets of the Seminary at this time are $553,447.21.

Louisville Seminary reports total assets amounting to $707,205.24 with an annual income of $34,101.47, and expenditures amounting to $32,585.03. It reports the completion of the Grant-Robinson Memorial Hall, and the erection of a new chapel. In connection with this report we note with profound sorrow the death of the Rev. Francis R. Beattie, D.D., who for thirteen years, with distinguished ability filled the Chair of Theology in that institution.

Columbia Seminary reports its finances as ably and faithfully handled, and a surplus in the treasury this year over all expenditures, of $2,000. A special fund of $20,000 is now available for library and lecture purposes. The report also notes improvement in its buildings and grounds. By the action of the controlling synods, the Seminary will soon elect a president.

Austin Seminary reports the sale of its present site and the purchase of another in the vicinity of the University of Texas.

Your committee, through the Assembly, would commend these schools of the Prophets, which are so absolutely necessary to the continued existence of our church, to the sympathy and material support of all our churches, and to this end, that as far as it is possible, the representatives of these institutions, in their respective synods, be given a hearing in the churches and commended to the liberality of God's people.

The committee also recommends that the professors and directors of our seminaries take steps through men well qualified to address bodies of students to present to the young men in our colleges and universities the claims of the Gospel ministry upon young men.

Your committee would also recommend to the young men gathered in our seminaries that they, under the supervision of the faculties of their respective seminaries, exercise their gifts in ministering, as far as possible, to the destitute, both among the white and colored population, as furnishing a field for doing good and of training for their life's vacation.

W. C. CAMPBELL, *Chairman.*

The ad interim Committee on "Distinctive Principles," etc., presented a report, which was docketed.

The Select Committee on Papers Touching the "Articles of Agreement," presented majority and minority reports.

The following resolutions were adopted preliminary to the discussion:

1. Your Committee on Articles of Agreement recommend to the General Assembly that the whole matter involved in the report of your committee be made a continuing order until the same shall have been disposed of.

2. Your Committee on the Articles of Agreement recommend that the Assembly allow designated representatives of the majority and minority reports two and one-half hours each for each side in which to present the views of the majority and minority of the committee, and that then the debate be open for other members of the Assembly.

Before entering upon the consideration of the reports presented, the Assembly engaged in special prayer for the divine presence and guidance.

The discussion continued until after 5 o'clock, when the Assembly had recess until 8 P. M.

8 P. M.

The Assembly engaged in a popular meeting in the interests of Colored Evangelization, Rev. Dr. Snedecor presiding, at the request of the Moderator.

The committee presented its report, after which the Assembly was addressed by Judge W. C. Wells, Dr. Egbert W. Smith, Rev. I. C. H. Champney and Dr. D. C. Lilly.

A collection for this cause was raised amounting to $286. Judge Wells was requested to write out the substance of his remarks this evening for publication and circulation. The report was thereupon adopted and is as follows:

The Committee on Colored Evangelization would respectfully report to the General Assembly that there were placed in your committee's hands, the Sixteenth Annual Report of the Executive Committee of Colored Evangelization, the minutes of the Executive Committee of Colored Evangelization, an overture from the Synod of Alabama, and an overture from Tuscaloosa Presbytery—all of which have been carefully examined and considered.

(1) The report referred to above requests that the Executive Committee on Colored Evangelization be authorized to raise at once a special fund of $15,000 for a new building and other needed equipment for Stillman Institute; and the overture from Synod of Alabama is that the committee be allowed and authorized to raise this special fund of $15,000 by appeals to the churches and Sunday schools, which request your committee recommends be granted.

(2) The Executive Committee further requests that the church during the ensuing year give to the cause of colored evangelization $50,000, it having given for the first time in the history of that committee the full amount asked for in the year just closed, to wit: $20,000, which request is reasonable and in

view of the great work being done, your committee recommends that this request be granted.

(3) The minutes of the Executive Committee appear to be neatly and regularly kept.

(4) Your committee further recommends that the General Assembly request all the ministers of our church to preach the gospel to the colored people, and that unless prevented by the providence of God, they preach at least one sermon a month to the colored people within their bounds.

(5) Your committee further recommends that our ministers conveniently residing near each other, organize and conduct at convenient places within their bounds, unless prevented by the providence of God, institutes of theology or schools of Bible training and invite thereto the colored ministers within their bounds and teach to them the great truths of the Gospel.

(6) Your committee further recommends that a systematic distribution be made of our literature to the colored people through our church session at their request, especially that relating to our international lessons.

(7) Answering the overture from Tuscaloosa Presbytery touching the employment of white evangelists for colored people, we recommend that the Executive Committee do this so far as their means will permit.

(8) By invitation of the Executive Committee an inspection of the Stillman Institute was made by representatives of this committee. Their report shows the grounds and buildings to be in good condition. We note, however, the need of a better water supply and we trust that the resources of the Assembly's committee may soon enable them to supply the deficiency.

(9) We desire to express our gratification at the prosperous condition of this work, and our entire confidence in the management of the work.

(10) We recommend the re-election of the following members whose terms expire at this time: Dr. E. H. Sholl, Rev. S. J. Foster, Hon. Jno. H. Miller, Gen. R. D. Johnston.

(11) Rev. A. A. Little, D.D., offers his resignation as a member of this committee. We recommend that this be accepted and that Mr. Jno. J. Eagan be elected to fill this place, and that Dr. Jno. Little be added to this committee and be elected its treasurer.

Respectfully submitted,

W. Calvin Wells, *Chairman.*

The Assembly adjourned till 10 A. M. to-morrow, with prayer by the Moderator.

FIFTH DAY.

Tuesday, *May* 21, 10 A.M.

The Assembly, after devotional exercises conducted by the Rev. J. N. Vandevanter, was opened with prayer by the Moderator.

The minutes of yesterday were read and approved.

The Committee on Woman's Societies presented the following report, which was adopted:

WOMEN'S SOCIETIES.

Your Committee on Women's Societies would respectfully present the following report:

There have come into our hands reports from seventy-seven Presbyteries out of eighty-three, making six which have made no report. Those making no report are as follows: Ethel, Indian, Meridian, St. John's, Suwanee, and Tombeckbee. One Presbytery, viz., Atlanta, does not specify the amounts given to the various causes, while giving a large sum to the combined causes. This, of course, makes the total gifts column foot the full amount, but makes the special cause columns deficient just that amount.

The table of statistics prepared by your committee presents the following totals:

Number of societies	1,846
Total membership	44,362
Contributed for—	
Local causes	$117,132
Home missions	26,432
Foreign missions	54,690
Other causes	34,008
Total	$232,262
Total from Atlanta Presbytery	8,629
Grand total	$240,391

This statement indicates a gain during the past year over the previous year, for

Local causes	$ 9,288
Home missions	6,317
Foreign missions	12,215
Other causes	3,911
Grand total	$ 31,731

Fifty-eight of these Presbyteries report that their societies are under the control of the sessions of various churches. Eight report that they are generally or in part under said control, while eleven make no report on this point.

The report is universal that while these societies work for local and other causes, they are all engaged in the great work of Home and Foreign Missions. The reports show also that fifty-two of our Presbyteries have organized a woman's Missionary Union. Twelve report that they have no union, three are in process of organizing unions, ten make no report on this point.

Our ladies are to be congratulated on the noble work they are doing, and we would ask for them God's richest blessing during the coming year.

Respectfully submitted,

JOSEPH RENNIE, *Chairman.*

The Committee on the Records of the Synods of Alabama, Kentucky and Virginia reported, recommending their approval. Adopted.

The following supplemental report of the Committee on Ministerial Education and Relief, was adopted:

In answer to the overture of East Alabama Presbytery recommending the appointment by the Assembly of godly laymen instead of ministers to manage the great enterprises of the church at large, your Committee on Ministerial Education and Relief recommends that the Assembly make no recommendation.

2. In answer to the overture from the same Presbytery asking that the Assembly recommend that Presbyteries be more careful in releasing its ministers in their bounds from the obligations of pastoral and pulpit work for secular callings, your committee recommends that the overture be granted.

The unfinished business, viz.: the reports on the Articles of Agreement, was taken up. Pending its consideration, the hour for the special order arrived, and the Assembly engaged in a conference on Sabbath School Work, Rev. Dr. N. L. Anderson presiding, at the request of the Moderator. After appropriate devotional exercises, addresses were made by Rev. Messrs. A. O. Browne, Wm. Megginson and M. B. Porter, District Superintendents in the Church's Sabbath school work. The exercises were closed with prayer.

The Assembly resumed the unfinished business, which was continued until 1 P. M., when recess was taken until 2.30 P. M.

2.30 P. M.

The Assembly met, the Rev. Dr. W. R. Dobyns in the chair, at the request of the Moderator.

Rev. Dr. G. L. Shearer, Secretary of the American Tract Society, was introduced, and addressed the Assembly on the work of that society. His address was referred to a select committee, consisting of W. C. Campbell, H. T. Graham and J. L. Dean, to consider the same and recommend suitable action.

The following resolution was adopted by a standing vote:

Resolved, That the thanks of the General Assembly be extended to Birmingham Light, Power and Transportation Company, and to the car men for their courtesy in providing special transportation for the commissioners during the present interruption in the public service on the car lines.

The unfinished business was resumed and engaged the Assembly until 5.20 o'clock, when recess was had until 8 P. M.

8 P. M.

The Assembly engaged in a popular meeting in the interests of Home Missions, Rev. Dr. W. McF. Alexander presiding, at the request of the Moderator.

After devotional exercises, the report of the Standing Committee was read, and addresses were made by Rev. Drs. W. McF. Alexander, S. L. Morris and Rev. Silas Cole, the last-named speaking in the Choctaw language.

The report of the Committee was then adopted, and is as follows:

Your Standing Committee on Home Missions reports as follows:

God has greatly blessed the cause of Home Missions within our bounds during the past year. The Executive Committee reports the most successful year since our Southern church was organized. This is a cause for gratitude to our Heavenly Father. We look forward to the future with increased confidence.

The receipts for the closing year have been from all sources, $74,814.14, being $10,256.99 in excess of the previous prosperous year. More than thirteen hundred members have been added on profession of faith to the churches, assisted by the Executive Committee of Home Missions; and it is estimated that more than fifteen hundred members were received by certificate, so that the total gain to our membership cannot be far from three thousand.

The Executive Committee reports that it has received from contributions, $52,507.13; from loan fund, $628.50; legacies, $18,538.61; interest on bond and notes, $3,129.90; total receipts, $74,814.14. This, compared with the receipts of six years ago, shows a gain of $47,898.19.

The expenditures have been as follows: For the support of 21 ministers and 53 churches in Arkansas; 17 ministers and 43 churches in Florida; 88 ministers and 237 churches in Texas; 2 ministers and 7 churches in North Carolina; 2 ministers and 4 churches in Georgia; 4 ministers and 18 churches in Mississippi; 2 ministers and 6 churches in Kentucky; 5 ministers and 14 churches in Tennessee; 5 ministers and 10 churches in Louisiana; 2 ministers and 4 churches in Alabama; 25 ministers and 52 churches in the Territories; 5 ministers and 16 churches among the Mexicans in Texas; for 6 schools and 15 teachers in the Indian Territory; 9 schools and 40 teachers in the mountains. The entire number of ministers and teachers supported in whole or in part was 233, and the whole number of churches and schools aided was 478.

The prosperity of the cause during the past year enabled the committee to make a decided advance in church erection. The committee did not decline a single request during the year for aid in church erection where the rules of the Assembly were complied with to the church making the request. A total amount of $2,981.50 was thus expended.

A total of $1,400 of the Moore Fund (intended as a loan fund) was lent to five churches during the year.

The Manse Fund ordered by the last Assembly has been created and there is now available for this purpose $4,207.

The permanent investments of the Home Missions Committee now amount to perhaps $100,000. This consists of claims on church buildings, Durant College, various loan funds, etc. This is gratifying progress when we remember that five years ago, we had little more than the $5,000 of the Moore Loan Fund Work has been done to a limited extent within the bounds of the older Synods, but the largest part of the work has been in the great Southwest, in the Synods

of Texas, Arkansas, Louisiana, also in Florida. The Indian Territory and Oklahoma, forming a region as large as the State of Missouri, are among the neediest portion of our field. The work has prospered here, our ministers have increased from seven to twenty-five in the past five years, and a Synod of Oklahoma is within the possibilities of the near future. We note the continued prosperity of the school work in the Indian Territory for the West, and in the mountains of the East. The committee spent $2,000 last year in work among the Mexicans in Texas—140 of them have united with our churches during the year.

It is gratifying to note that the number of individuals supporting missionaries during the past year has about doubled.

Ladies' Home Missionary Societies were formed this last year following the recommendations of the Assembly, and while the amount of money received from such societies is not large, nevertheless the interest they create in Home Missions will help greatly this cause.

The committee is still arousing interest among the children of the church in Sabbath schools by observing Children's Day for Home Missions on the last Sabbath in March.

The church is to be congratulated on securing as Dr. Morris' associate, the Rev. Homer McMillan, who has gifts, mental and spiritual, which fit him for this work. It is also gratifying to announce that a competent Treasurer in the person of Mr. A. N. Sharp has been secured in the place of the lamented Capt. W. A. Powell. Mr. Sharp's work this year shows him to be the right man in the right place.

There are empires awaiting the church in the great Southwest, and if they are ever to be conquered for Christ, our King, it must be by aggressive Home Mission work. This is no time for retrenchment. There was never a brighter outlook in the history of our church. The increase in the membership of our churches is encouraging, and more money was raised this last year than ever before in the history of the church.

The Assembly calls on the church to respond to the calls of this work, and hopes that the work of the coming year will correspond to the opportunities now open.

The Bureau of Information established last year has been a comparative failure for several reasons, the chief being the publicity given to those applying for change of work, by publishing their names.

Your committee recommends:

1. That the Assembly again call upon the church for one hundred thousand dollars to meet the needs of our ever-expanding work; that the same be apportioned to the Presbyteries as in the past upon the basis of their benevolent contributions, and the pastors' salaries, and that the Presbyteries be urged to undertake its fair proportionment of this amount.

2. That the Assembly express its gratification in view of the large increase in the number of those who are now undertaking the support of individual missionaries and commend them and their example to others.

3. That the Assembly again approve of the organization of Home Missionary Societies, or at least a Home Missionary Department in every church.

4. That we continue the Bureau of Information, but discontinue the publication of lists, merely allowing ministers and churches to file their names with the Secretary to be furnished by him only to such parties as wish them and request the same for some practical purpose.

5. That the Assembly elect W. L. Lingle, J. T. Punket, W. P. Inman and R. O. Flinn, whose terms have expired as members of this Executive Committee of Home Missions.

6. A delegation from El Paso Presbytery of Texas appeared before this committee and brought to its attention the need of special work among the Mexicans, in that Presbytery.

After due consideration we recommend:

That this work be cordially commended to the Executive Committee of Home Missions to the end that it may receive the consideration that its importance demands. W. McF. ALEXANDER, *Chairman.*

The Assembly then adjourned until 10 A. M., to-morrow, with prayer by the Moderator.

SIXTH DAY.

WEDNESDAY, *May* 22, 10 A. M.

After devotional exercises, conducted by Rev. Dr. I. S. McElroy, the Assembly was opened with prayer by the Moderator.

The minutes of yesterday were read and approved.

The committees on the Records of the Synods of Louisiana and Mississippi reported, recommending their approval. Adopted.

The Committee on the Sabbath and Family Religion presented its report, which was at first docketed and subsequently taken up and adopted, as follows:

The following papers have been put into our hands:

1. Reports on this subject from the Presbyteries of Wilmington, Cherokee, Mississippi, Brownwood and Lexington.

2. An overture from the Presbytery of Potosi asking the General Assembly to direct its Committee on Sabbath-schools to designate a Sabbath on which to give instruction to the children and youth on the law of the Sabbath, its origin, nature universal and enduring obligation, and the Scriptural mode of observing it.

3. An overture from Holston Presbytery asking the Assembly to repeat and emphasize the exhortation found on page thirty of the Minutes of 1906, and to enjoin all the Presbyteries to require their pastors and stated supplies to make a thorough canvass of their respective congregations to ascertain the number of families that have family worship, and the number that do not, that the exact information may be incorporated in the narrative of the churches.

It was the wisdom of our Assembly to place these two subjects, Family Religion and the Sabbath Day, under the same head. They were the first two

institutions that God gave to man. As soon as he had created man he gave him a day of rest and worship, and he set the solitary of the earth in families. While they are indissolubly bound together, for the sake of distinctness we will consider them separately.

THE SABBATH DAY.

Our meagre reports do not indicate any great improvement in the observance of the Sabbath so far as its spiritual nature is concerned. The day is still largely made a day of self-indulgence and pleasure-seeking. But we believe that there is one sign of encouragement. There is a disposition on the part of people to enforce the Sunday laws of the state. The "Sunday selling" of intoxicants and the baseball are no longer suffered, peaceably at least, to flaunt their insolence in the face of the community. We hope that there is even a tendency on the part of railroad officials to abandon that enticement to Sabbath profanation—the excursion train—though as yet no decided change in this respect has taken place. We hail these hopeful signs, slight as they are, with joy. And we would use them, not to soothe us to inaction with the pleasing thought that all will be well, but to encourage us to be up and doing.

THE FAMILY.

In the matter of family religion the prospect is hardly so hopeful. We are confronted everywhere with the negligence and the self-indulgence of the parents. The consciousness of inconsistency robs the parent of the power to command and to teach in religious things. He dares not face his children at the family altar. In many instances parents who bear the name of Christ are too ambitious for the popularity and social prominence of their children to persuade them or ever to desire for them to walk in the ways of the lowly Jesus. The business absorption, the club, the card party have left neither time nor disposition for the ancient family altar. (Our church sessions evidence a great ignorance as to the prevalence of the sacred institution.) The omission of sacred duties has borne its natural fruit in a laxity of morals. The perversion of the very theory and idea of marriage has issued in two remarkable characteristics of our time: The divorce courts are making homeless children, and the desire for self-indulgence is making childless homes. Consistently enough with this condition of things comes the report that the number of infant baptisms has decreased. And it is perfectly evident that this decrease is not due to increasing doubt on the part of parents concerning the validity of that ordinance, but to their growing indifference about consecrating their children to God.

RECOMMENDATIONS.

Your committee feels constrained to pause at the point of recommendations. We know the peril of soothing our conscience by the opiate of words. We know that if this report shall be effective for good it must be by the impression that it shall make upon the members of this Assembly, and as that impression shall be carried down to the Presbyteries and then sent down to the churches. In the history of states great perils have been averted by the prompt and determined resistance on the part of the people. In crises of our own beloved church in the past, remedies have been found, by the favor

of God, and by the effort of our people, against ills that threatened to destroy our work. We desire to make our report the tocsin of a campaign. We affirm that no more important matter has come or will come before this Assembly. And with what we trust is the honest intention of taking our part in making them effective we offer the following recommendations:

1. That the overture from Potosi Presbytery, asking for the designation of a special day to give instruction to the children and youth on the laws of the Sabbath, be declined. We have now so many special days that it is hard to emphasize any of them. To designate on special day for a matter, the burden of which we desire to make our people feel constantly, would tend rather to disparage than to magnify it.

2. That the overture from Holston Presbytery be adopted. This overture is as follows: "That the General Assembly repeat and emphasize the following extract from the Minutes of 1906: 'That all of our people who are heads of families be earnestly and affectionately exhorted to erect and maintain family altars, where God's richest blessing shall be invoked and vouchsafed to them, and to their children. And that our pastors and sessions make a thorough canvass of their congregations to ascertain the number of families that have family altars, and the number that have not, and report the same to their respective Presbyteries. And we warn parents against the danger and tendency of delegating the religious training of their children to Sunday-schools, Young People's Societies, or any other agencies, all of which should be appreciated and improved as invaluable aids to parents, but not as substitutes for parental training.'"

3. That our ministers be directed to continue to teach the nature and purpose of marriage; that while its proximate purpose is to promote our happiness and comfort, its ultimate end is to rear a godly seed to the glory of the Savior who is the husband of the bride, the church. And that when solicited to perform the marriage ceremony for persons who may have been divorced that they make inquiry into the facts and conform their actions to the law of Holy Scripture and its exposition in our symbols.

4. That our people be urged to desire for their children the ministry of Christ rather than the glory of the world; and that they consecrate them to his service as preachers, teachers and missionaries both at home and abroad.

5. That Presbyteries and Synods be urged to appoint active and efficient men on these standing committees on this whole matter, and that prominent attention shall be given to it at the meetings of our church courts.

6. That our permanent committees on this subject be urged to seek every opportunity to respectfully lay before corporations, and employers of every kind, the law of God on the Sabbath, the working man's need of a rest day, and the blessing that has universally followed the keeping of the Fourth Commandment, and that they endeavor to secure from these employers the liberty for their employees to attend divine worship either upon alternate Sundays or on a part of every Sunday.

7. That the following persons constitute the Assembly's Committee on the Sabbath and Family Religion: Rev. W. L. Lingle, D.D., chairman, Rev. R. O. Flinn, Rev. J. G. Patton, D.D., and Hon. Hoke Smith and Hon. M. A. Candler.

M. McN. McKay, *Chairman.*

The report of the Committee on the Assembly's Home and School was presented and adopted, as follows:

The Standing Committee on "The Assembly's Home and School," to whom were referred the fourteenth annual report of the same and also an overture from its president, the Rev. Dr. Russell Cecil, would report that we have examined these papers and present the following for your consideration:

This institution claims to be unique, nothing exactly like it in the Christian world. Its specific object is to furnish food, shelter and education to two classes, viz.: The fatherless children of our deceased ministers and the children of our missionaries laboring in foreign lands. During the past year it provided a home and a school to fifty-eight, who are the children of twenty-six of our sainted brethren, and to twenty-four, who are the children of twelve ministers who are on the "firing line" in China, Japan and Brazil.

No one can overestimate the importance and preciousness of this institution to those of our ministers who are fathers and who are toiling among our weak churches or laboring in foreign countries. To such its music is like the echoes of the morning and its beams as bright as those of a star when only one is shining in the sky.

The brethren in charge of this Christlike work ask for four things:

1. That the Assembly endeavor to raise $25,000 for the support of this work from the collection in December.

2. That each Presbytery be requested by the Assembly to appoint a committee on this work.

3. That this cause be placed on the statistical reports of Systematic Beneficence.

4. That the Assembly separate this cause from the cause of schools and colleges, and to restore it to its place in the scheme of our church collections, which is the last Sabbath in December.

Your committee heartily and unanimously recommend the granting of their request. J. B. Mack, *Chairman.*

The report of the Committee on Publication, Sabbath Schools and Young People's Societies was presented, and was adopted, as follows:

The Committee on Publication, Sabbath-schools and Young People's Societies report as follows:

PUBLICATION.

In this department the Executive Committee exhibits excellent business management and their reports show an increase in the value to the church of this branch of the work.

We note with gratification the increase in the volume of business at Richmond, despite the fact that the patronage of four southwestern states was turned over to the new depository established at Texarkana.

The total sales amounted to $129,001.83, this being an increase over sales of the previous year of $12,047.07.

The net profit of the business department for the year amounted to $13,550.20, an increase over last year of $1,487.

Of the year's profits $12,087.82 were expended in the benevolent work of the committee. Adding this amount to the $15,140,38 the contributions from the churches shows a total expenditure of $27,228.20 for benevolence by the committee.

As many as 2,019 churches and 1,506 Sabbath-schools report no contributions to this cause the past year.

The contributions received from the churches are $1,513 less than a year ago, and the reports from the Sabbath-schools show a decrease of $814, making a total decrease in receipts to this cause of $2,327. This decrease is noted with sincere regret, and the churches and Sabbath-schools are warned that the liberal donations of literature by the committee and the substantial progress made through this department of the Sunday-school work must be largely curtailed unless there is a substantial increase in the offerings for this cause.

We note the consummation of plans for the establishment of a depository at Texarkana, Ark. This step has been taken only after years of careful consideration by previous Assemblies and in response to repeated and urgent demands of the churches in that section.

It must be evident, that the judgment of the Assembly in establishing such a depository upon the solicitation of our churches in that territory can be vindicated only by the most liberal patronage of the depository by all the pastors, Sabbath-schools, and churches in the Southwest.

On account of the interest taken by the church at large in the work at Montreat the establishment of a depository at that point will prove a convenience to all sections, a good advertising medium, and will largely promote the work.

We are gratified to note the consummation of the plans for the publication of a high-class periodical for the young people to be known as *Onward*.

The committee earnestly call the attention of the Assembly to the fact that such a periodical can be sustained only by the most liberal support of our pastors, superintendents and people.

The church is to be congratulated upon the work of the able corps of editors in charge of our Sabbath-school publications.

We note with gratification the plan for greatly improving the typographical work on the *Earnest Worker*.

SABBATH-SCHOOLS.

We desire to record our gratitude to God for his manifest blessing on this work. No other department gives evidence of better and more rapid improvement than this. Under the efficient leadership of the Assembly's General Superintendent, Dr. A. L. Phillips, there has been a widespread awakening of interest in our entire church. Revs. A. O. Browne, William Megginson and M. B. Porter, District Superintendents, have given zealous and self-denying service, to which the recent advance in our Sabbath-school work is largely due.

As many as five hundred and eighty institutes have been held, one hundred and six home departments established, eighty-seven teacher training courses introduced, with an enrollment of 1,592 teachers, one hundred and ten new libraries put in, and seven hundred and ten persons have been brought to Christ by the labors of these District Superintendents. With them several local workers in different sections have been actively engaged in the work.

We note with interest that plans are fast maturing for the development and enlargement of the Teacher Training Course and for a more perfect manual of the Graded Course. Among the most encouraging facts developed in the reports is the awakening of the church to the duty of giving definite instruction on missions.

In response to the efforts of the General Superintendent and his co-workers to arouse greater interest in this work, there has been a gain in the enrollment in the Sabbath-schools during the past four years of 21,556.

It is with great regret, however, that we call attention to the fact that of the 3,136 churches in our Assembly, 836, or more than one-fourth of the entire number, either make no report on this subject or had no schools to report.

We earnestly lay this matter before our Synods, Presbyteries and Sessions, and call upon them to organize Sabbath-schools in every church within their bounds, and that they be more careful in sending complete reports of all Sabbath-schools under their care.

This call is rendered the more emphatic in view of the marvelous growth of the South.

New cities are springing up over the land; vast multitudes are moving into our territory and the tide of foreign immigration is setting rapidly towards the South.

The Executive Committee is eager to take advantage of this unparalleled opportunity, but it is face to face with the fact that the churches and Sabbath-schools of the Assembly gave for the extension of this work last year $2,328 less than for the preceding year.

The committee could use ten missionaries at once if it had the money, and of the $25,000 that the General Committee is asking for $15,000 is urgently needed for this portion of its work. Can our church remain indifferent to such an appeal?

We are glad to call the attention of the Assembly to the publication of a new book for Sabbath-schools, known as Standard Songs. This book meets a recognized need of our Sabbath-schools, and the Assembly is under great obligations to the Secretary of the committee and the Field Workers, Messrs. Brown and Megginson, and our Primary Editor, Mrs. W. C. Edmondson, as well as to their co-laborers.

YOUNG PEOPLE'S SOCIETIES.

There has been no notable advance in this work the past year. No accurate figures can be given that will summarize this part of our work. The Executive Committee employed and sent out two young men to organize and develop these societies, but they met with only limited success.

Two conferences, one at Asheville, N. C., and the other at Siloam Springs, Ark., were held last summer in the interest of the Young People's Movement, and Conferences will be held at both places this year.

These conferences have been fruitful of much good in arousing the zeal and interest of the young people within the range of their influence.

BROTHERHOOD.

In accordance with the instructions of the last Assembly the Executive Committee has prepared a constitution and provided literature necessary for the

organization of the Presbyterian Brotherhood. This work has been done with care and only after a study of similar organizations in other churches. Special attention, however, should be called to the fact that the Constitution is intended merely as a manual of suggestions for the organization of these brotherhoods, and that the plans and policies as developed by the local brotherhoods, established under the authority of the sessions, are more likely to meet the needs of the men than any plans adopted for them by any outside parties whatsoever.

It should be distinctly understood that any organization of men in any of our churches that is in sympathy with the purposes of the Brotherhood may be chartered without surrendering its name or special work.

In response to questions sent out by the Executive Committee to about 1,500 churches and individuals regarding work among the men, replies were received from 187 churches, representing fairly accurately all types of congregations. These replies came from thirteen Synods and from sixty-five Presbyteries. Of this number 118 report work for men over sixteen years of age; 148 report the attendance of 2,163 young men over sixteen years of age; 111 report men interested in Home Missions, 87 report men as interested in Foreign Missions; a large number report special plans for enlisting the interest of men in the social life of the church, an exceedingly small number report any effort to win men to Christ by personal work.

An overwhelming number express themselves as favoring the holding of a convention of the men of our church to discuss the men's work in the church, only seven disapproving of such a convention.

The widespread awakening of the men of the church to their responsibility for the extension of the Kingdom of Christ at home and abroad renders it of the utmost importance that our church should give to this movement its most sympathetic support and heartiest approval.

RECOMMENDATIONS.

We recommend:

1. That chairmen of publication committees in the Synods of Missouri, Arkansas, Louisiana and Texas send to all churches in their bounds a special circular calling attention to the importance of patronizing the Branch Department at Texarkana, Ark.

2. That the Assembly formally expresses its gratification at the consummation of plans for publishing a high-grade paper for young people, and that all pastors and sessions be urged to liberally patronize this paper.

3. That Standard Songs be commended to all our churches for introduction into their Sabbath-schools.

4. That in view of opportunities and needs of Sabbath-school extension and the benevolent work of the Executive Committee, the churches be urged to increase their contributions to this cause to not less than $25,000.

5. We recommend the approval of the following policy for our Sunday-school work as submitted by the Executive Committee:

(1) A Sunday-school in each church open twelve months in the year.

(2) The vigorous development of the organization and work of the Presbyterial Committees.

(3) The establishment of a Teacher Training Class in every Sunday-school.

(4) The introduction of Graded Supplemental Lessons into every Sunday-school.

(5) The development of the missionary spirit and activity of every Sunday-school by the organization of a Missionary Department.

(6) The extension of Sunday-schools into every available spiritually destitute neighborhood within our bounds.

(7) The universal celebration of Bible Day the first Sabbath in December, and the holding of Institutes and Conferences in the interests of Bible and Christian literature extension.

(8) Adequate effort on the part of all concerned to increase the offerings from the Sunday-schools and churches for a large extension of the work of Sabbath-school Missions.

(9) The wise use of communion seasons for bringing the children and youth of the churches to salvation through faith in Jesus Christ.

6. That the Assembly authorize its Executive Committee to arrange for the holding of a convention for men of the Southern Presbyterian Church to discuss and confer about the men's work in the church, the expense of such convention to be provided for by the Brotherhoods or individuals interested in the work.

7. We recommend the election of the following members of the Executive Committee for a term of three years, viz.: Rev. G. B. Strickler, D.D., Rev. A. L. Phillips, D.D., Rev. J. W. Rosebro, D.D., Mr. J. W. Sinton, Mr. J. S. Munce.

8. We recommend the continuance of the publication of the Year Book, and that the Executive Committee be authorized to place a price upon this publication which shall cover the cost of its publication, and that the Stated Clerk be requested to furnish the Executive Committee full data concerning all official actions of the General Assembly.

9. The committee has had before it the Minutes of the Executive Committee and recommend their approval.

OVERTURES.

1. The following paper has been placed in our hands by the Assembly from the Standing Committee on Home Missions:

"In answer to the request of the Executive Committee of Home Missions that they be given authority when the way is clear to publish a Home Mission paper, we recommend that the paper *Onward,* proposed to be issued by the Executive Committee of Publication and Sunday-school Work, shall be devoted to all our benevolent causes, space being reserved for each, if the Assembly in its wisdom shall authorize its publication, and that this paper be referred to the Standing Committee of Publication and Sunday-school Work for their action."

In response to this paper your committee would state that the policy of the new paper, *Onward,* provides for the publication of news items concerning all the organized work of the church; but in the judgment of your committee it would be neither desirable nor practicable to make this paper for the young people an organ for the benevolent causes of the church.

2. In response to an overture from the Presbytery of Enoree, requesting the Assembly to instruct the editors of our Sunday-school literature to publish in

connection with each lesson in the *Primary Quarterly* a series of questions with answers attached, suitable to the younger children, we recommend that the request be referred to the Executive Committee, with the request that, if practicable to do so, they provide for such questions in the *Quarterly*.

3. In response to an overture from the Presbytery of New Orleans requesting that a special lesson on the Sabbath, similar to the special lessons on Temperance and Missions, be provided for in the regular course of instruction, we recommend that the Assembly express its sympathy with the objects of this overture, but that it believes the conditions sought to be remedied by this action desired can be better met by the systematic study of the Word of God rather than by special lessons devoted to such special topics.

4. In answer to an overture from the Presbytery of Western Texas concerning the provision for special columns in the statistical tables for reports from the Home Department and Cradle Roll, we would call attention to the fact that the matter aimed at in the overture is covered by the new statistical blanks for reports from the Sunday-school work.

NEAL L. ANDERSON, *Chairman.*

The Committee presented, and the Assembly adopted, the Narrative on the State of Religion. See Appendix.

The Committee on the Records of the Synod of Missouri, presented a report recommending their approval, except in so far as affected by the decision in the appeal of the Presbytery of Lafayette, rendered by this Assembly. Adopted.

The Committee on Bills and Overtures presented a report, in part, which was docketed.

The committee appointed to formulate the judgment of the court in the case of the appeal of the Presbytery of Lafayette, presented a report, which, after discussion, was recommitted.

The Rev. Alva Hardie was introduced to the Assembly, by an official communication from the Moderator of the Synod of Brazil, as the authorized delegate of that body, to convey its greetings and report its condition to the Assembly. He was heard. This address was referred to the Committee on Foreign Correspondence.

The unfinished business was deferred until the afternoon session. The Assembly had recess until 2.30 P. M.

2.30 P. M.

The Assembly met, Rev. Dr. W. H. Woods in the chair by request of the Moderator.

The unfinished business was resumed, certain members of the committee agreeing on a report, which was presented as a substitute for the two now before the house. This matter occupied the remainder of the afternoon session, the order for 3 P. M., viz: the selection of the place of meeting for the next Assembly, being postponed.

The order for this evening, viz., the popular meeting in behalf of Foreign Missions, was also postponed until to-morrow evening, that the unfinished business may proceed.

The substitute report was laid upon the table.

The Assembly had recess until 8 P. M.

8 P. M.

The Assembly met and again took up the unfinished business.

It was resolved that the vote upon the pending question be taken at 12 noon, to-morrow, unless reached beforehand.

The discussion continued until the hour for adjournment, when the Assembly adjourned, with the benediction by the Moderator, until 10 A. M. to-morrow.

SEVENTH DAY.

THURSDAY, *May* 23, 10 A. M.

After devotional exercises, conducted by the Rev. Dr. W. H. Woods, the Assembly was opened with prayer by the Moderator.

The minutes of yesterday were read and approved.

It was resolved that the morning call be suspended and the unfinished business be taken up immediately; and also that speeches hereafter on this subject be limited to ten minutes each, the Moderator dividing the time as equally as practicable between the two sides to the question.

The discussion continued till 12 o'clock, when the vote was taken upon the minority report of the committee, and the yeas and nays being called, the paper was rejected by a vote of 92 yeas to 99 nays.

The following is the paper:

We, the undersigned, a minority of the committee, to which was referred the consideration of "The Articles of Agreement," beg leave to report as follows, viz.:

1. That we find the proposed action unconstitutional, for the reasons following, to-wit:

(1) That the articles create a court unknown to our Constitution, to which not only advisory, supervisory, and administrative powers and rights are delegated, but also judicial powers and jurisdiction, pertaining to matters vitally affecting the welfare of our church.

(2) The Constitution provides for our receiving other ecclesiastical bodies under our jurisdiction, but makes no provision for bringing our church under the jurisdiction of another ecclesiastical body.

2. In view of the above conclusion reached by us we recommend that the Assembly decline to enact the Articles of Agreement recommended by the Charlotte Conference.

The majority report was then adopted by a vote of 96 yeas to 94 nays. The paper is as follows:

Your committee to which was referred the Articles of Agreement and the returns and overtures from the Presbyteries, in re the vote of the Presbyteries upon said articles, beg leave to report:

1. We have counted the vote of the Presbyteries and find that of the seventy-nine which have made returns to the General Assembly, fifty have voted in favor of the adoption of the articles, twenty-eight have voted in favor of the rejection of the articles and two took no action. The names of the Presbyteries, with their action, are as follows:

In favor of adopting: Maryland, Ouachita, Orange, North Mississippi, East Alabama, Arkansas, Transylvania, Lafayette, Ethel, Eastern Texas, Fort Worth, Muhlenburg, Florida, Ebenezer, Mecklenburg, Albemarle, King's Mountain, St. Louis, Suwanee, Mobile, West Lexington, Tombeckbee, Meridian, Potosi, Atlanta, Palmyra, Charleston, North Alabama, Upper Missouri, Brazos, Savannah, Mangum, Pine Bluff, Paris, Augusta, Pee Dee, Western Texas, Louisville, Nashville, Concord, Knoxville, Central Texas, Asheville, Dallas, New Orleans, Paducah, Washbourne, Enoree and Central Alabama.

Against adopting: Cherokee, Norfolk, West Hanover, Lexington, Abingdon, Winchester, Chesapeake, Harmony, Bethel, Fayetteville, El Paso, Macon, Wilmington, Durant, Western District, Mississippi, Memphis, Holston, Athens, South Carolina, Montgomery, Columbia, East Hanover, Roanoke, Louisiana, Chickasaw, Central Mississippi and Tuscaloosa.

No action: Kanawha and Greenbrier.

We have no returns from Presbyteries of Red River, Indian, St. John's and Brownwood.

2. In our opinion the General Assembly can adopt the Articles of Agreement without violation of the Constitution of the church. Our reasons therefor are as follows:

First—They do not contravene the letter of the Constitution.

Second—They are in harmony with the spirit of the Constitution.

Third—They are in line with precedents made by former General Assemblies.

Fourth—They are within the class of powers given to the General Assembly by the Constitution.

3. We have carefully considered all the overtures and papers sent up by the Presbyteries with return of their votes and find none of them requires answer from this General Assembly other than that contained in this report.

4. We recommend that the Articles of Agreement be adopted by the General Assembly.

5. As the Presbyterian Church in the United States will be entitled to twelve representatives in the Council provided for by said Articles of Agreement, we recommend that the representatives be divided into three classes of four members each, to consist of two ministers and two ruling elders each.

We further recommend that the representatives chosen by this General Assembly be divided into three classes to serve respectively, one, two and three years, and that hereafter as vacancies occur in the representation by expiration of terms of service, the persons chosen to fill said vacancies be chosen for a full term of three years.

6. We recommend that the Moderator appoint a committee of five who shall nominate and report to this General Assembly the names of twelve persons

qualified to serve as representatives from this church, dividing the same into classes as provided for in this report.

7. We recommend that until some other provision be made, the representatives certify to the then Moderator of the General Assembly their actual expenses incurred in attending to their duties as such representatives, and if the same be approved by the Moderator, the Stated Clerk and Treasurer pay them.

All of which is respectfully submitted:

The Assembly had recess until 2.30 P. M.

2.30 P. M.

The Committee on Audits made its report, which was docketed.

The committees on the records of the Synods of Arkansas, Florida, North Carolina and Tennessee reported recommending their approval. Adopted.

The committee appointed to report on the address of Rev. Dr. G. L. Shearer, presented the following report, which was adopted:

Having listened to an address by the Rev. Geo. L. Shearer, D.D., Secretary of the American Tract Society, the following action was taken:

The Assembly expresses its very high appreciation of the good work done by the American Tract Society during its more than fourscore years.

1. In issuing a very large body of truly evangelical literature,—tracts, periodicals, and books, in every variety, and in 174 languages, dialects or characters, thereby becoming a Christian Literature Society for the world.

2. In disseminating the same by missionary colporteurs among the spiritually destitute in this country, especially among the millions of immigrants, who are unprecedented in their numbers, and needs.

3. In the most timely aid afforded through its issues in many languages abroad, by which the missionary force in the foreign field is being supplemented, which force is acknowledged to be quite inadequate to meet the necessities and opportunities which the providential awakenings among the hundreds of millions in the Orient and elsewhere have brought upon us.

The Assembly is deeply interested in the interlying and outlying territory among its own churches, partly or wholly unoccupied, in which the missionary colporteur as a forerunner would be an invaluable aid.

It calls attention to the opening of new ports and avenues by which these streams of immigration are to be turned into the cities, villages and plantations of the Southland, and to the fact that in the interest of economy and efficiency this Society has become officially recognized by the denominations as the common source of supply for the immigrant literature. Wherefore, believing that our church is awake to its duty to God and to our fellowmen,

Resolved, That the American Tract Society be and hereby is cordially commended to the officers and members of the Presbyterian Church in the United States, and the Assembly recommends that the representatives of this Society be admitted to our churches to present its interests, and commends it to the liberality of our people. W. C. CAMPBELL, *Chairman.*

The committee appointed to formulate the judgment in the judicial case, made a report, which was docketed.

The committee to whom was referred the report of the ad interim committee on the Proof Texts of our Standards, made a report, which was docketed.

The First Church, Greensboro, N. C., was selected as the place for the next Assembly.

Rev. Dr. G. S. Roudebush was allowed to put on record the fact, that, being out of the house on account of indisposition at the time when the vote was taken on the majority report touching the Articles of Agreement, had he been present he would have voted nay.

The following resolution was adopted by a rising vote:

Resolved, That the thanks of this Assembly are expressed to the Birmingham Railway and Power Company, for the unprecedented courtesy of running cars for this Assembly, free of cost, and to the brave men who operated these cars, and to the brave men who did not interfere with the operating of these cars.

The report of the Committee on Foreign Missions was presented, and its consideration was made the order for 8 o'clock this evening, to take the place of the popular meeting on Foreign Missions appointed for that time.

The Committee on Schools and Colleges presented its report, which was docketed, and its consideration was subsequently made the first order of to-morrow afternoon.

The Assembly had recess until 8 P. M.

8 P. M.

The Assembly met, the Rev. Dr. Egbert W. Smith presiding, at the request of the Moderator.

The report of the Committee on Foreign Missions was taken from the docket and adopted as follows:

The Standing Committee on Foreign Missions, begs leave to submit the following report:

1st. There have been referred to us the Annual Report and the Minutes of the Executive Committee of Foreign Missions and overtures from the Presbyteries of Upper Missouri, Ouachita, Knoxville, and Central Texas. Certain other papers have also come into our hands which have been considered in the preparation of this report.

2nd. We find that the Executive Committee has held regular meetings, and that an orderly record of its proceedings has been kept in the Minute Book. We recommend that the Minutes be approved and that the Committee be warmly

commended for the wisdom, energy and fidelity with which it has conducted this great branch of our Church's work. The two secretaries, with singular devotion and self-sacrifice, have given themselves to their task in a way which deserves the hearty thanks and approval of our people.

3rd. We have abundant reason for gratitude to God for the fruits of the year's labors. A brief survey of the field reveals progress in many directions. The total number of persons added to our mission churches by baptism, is 2,256. The largest number of accessions has been in Africa, Korea and China. In Africa, in one missionary tour of two months, Mr. Martin and Mr. DeYampert examined 1,500 applicants for baptism; 800 of whom were received and baptized. In Korea, 415 adults were baptized, averaging 46 to each ordained missionary, and in China, 299 were baptized, which is more members received during the year than were gathered in by the whole mission during the first 30 years of its history. The Committee has had to deal with perplexing problems on the question of co-operation between the Presbyterian missions and the Church of Christ in Japan, and on the question of reform of abuses in the Congo Free State. Neither of these matters has been settled, but progress has been made, and an adjustment of the difficulties is hoped for in the near future. In Brazil, our mission has sold our school building at Campinas, to the Synod of Brazil, at a nominal price, and the Theological Seminary of the Synod has been moved from Sao Paulo, and opened in the building. In China, also, we are co-operating with the Presbyterian Church in U. S. A., in theological education, and a theological seminary has been regularly organized at Nanking, with the Rev. J. W. Davis, of our mission, and the Rev. J. C. Garrett, of the mission of the Presbyterian Church U. S. A., as professors. The North Kiangsu Mission has been greatly disturbed by famine conditions. Much has been done for the alleviation of the famine sufferers; $9,365.75 being forwarded through the Treasury of our Executive Committee, and probably several thousand dollars more through other channels in our church.

4th. *Finance.* The total cash receipts of the Treasury for the year were $276,262.93, a gain over the receipts of last year of $16,645.48. In addition to this the Committee has received a donation in securities amounting to about $4,000. The contributions per capita for the year, were about $1.09. The amount received from legacies was only $4,790.33, whereas, the amount from this source last year was $36,489.34. A comparison of figures reveals the gratifying information that there was a gain in the receipts from living donors of $48,344.49. Notwithstanding this increase, the Treasury shows an indebtedness of about $20,000, an accumulation of deficits for several years past. Although the Committee has pursued the conservative policy of sending out new missionaries only when their salaries were pledged by churches and individuals, and their outfit and traveling expenses were provided for by special contributions, yet, it has been found impossible to keep the cost of installing new missionaries within the prescribed limits, and hence deficits have arisen from year to year. This debt should be provided for as speedily as possible, and we recommend that the Executive Committee be authorized to adopt measures for removing it by asking each Presbytery, through its Committee of Foreign Missions, to assume its proper proportion of this indebtedness, and take immediate steps to raise the amounts thus assumed.

5th. The Forward Movement has been vigorously prosecuted during the year, and the total number of churches now enrolled is 575. The services of four young men have been secured for the summer, and this work, which has proven so helpful, will be earnestly pressed upon the attention of our churches in the hope that all of them will soon adopt it. Three times as much missionary literature has been distributed among our people as in any previous year, and there has been a large increase in the use of the Year Book of Prayer, and in the growth in the number of classes for mission study.

6th. There is an urgent call from our various missions for forty new missionaries to be sent out this year; but this is by no means expressive of the larger needs of the field. Your Committee believes that the General Assembly should take a broader view of the work of World Evangelization than has yet been seriously entertained by us. We heartily welcome the Laymen's Missionary Movement, and recommend to the General Assembly the adoption of the overture of the Executive Committee touching this matter, as follows:

The Executive Committee would respectfully overture the General Assembly to adopt a Missionary Platform for our Church, containing the following declarations.

1. It is the judgment of the General Assembly, that, according to the distribution of territory agreed upon by the different Boards and Committees, the number of human beings in non-Christian countries, for whose evangelization our Church is responsible, is approximately 25,000,000 souls, being distributed as follows: Africa, one million; Brazil, three millions; China, twelve millions; Cuba, five hundred thousand; Japan, four millions; Korea, four millions, and Mexico, five hundred thousand.

2. It is the judgment of the General Assembly that the number of foreign missionaries of our Church necessary to accomplish the result of giving the gospel to these twenty-five millions, within the present generation, is not less than 800, and that the number of trained native workers to be used in the same work, should be not less than 5,000. This would mean for our denomination the increase of our present force about fourfold.

3. It is the judgment of the General Assembly that it will cost not less than $1,000,000 per annum to support the above-named workers and their work, and we, therefore, declare it to be, in our judgment, the duty of our Church to begin at once the effort to bring its foreign mission offerings up to this mark.

To this end we earnestly call upon every individual church of our denomination to adopt the following missionary policy, which we believe to be that laid down for us in the word of God.

1. Every true church of Christ is, by virtue of its organization as a church of Christ, a missionary society, each member of which is under solemn covenant to the Head of the church to help in the fulfillment of our commission to give the gospel to every creature.

2. It is the duty of those who have the proper gifts and qualifications, and who are not providentially hindered, personally, to obey the command of the Head of the church to "go" on this mission. It is the duty of those who may be lacking in necessary qualification for the work or who are providentially hindered from going, to have a share, by their gifts and prayer, in supporting the

work. For this purpose every Christian who does not personally go as a missionary, is scripturally bound to give systematically, proportionately, and cheerfully, to the support of the cause.

OUR MISSIONARY METHODS.

1. It is urged on Synods and Presbyteries, through their Foreign Mission Committees, that they endeavor to have every church adopt the above missionary policy.

2. The Executive Committee of Foreign Missions is hereby instructed, in consultation with Synodical and Presbyterial Foreign Mission Chairmen, annually to lay before the General Assembly a statement of the amount needed for the ensuing year, and a suggested apportionment of said amount among the various Synods and Presbyteries, not as an assessment, but as indicating to them a definite share of the great responsibility.

3. In the effort to carry out our missionary policy in individual churches, the Assembly hereby recommends the plan already in operation in our Forward Movement work, which has heretofore been approved by the Assembly, viz.: The plan of a subscription by every member of the church of a definite amount to be paid during the year, either for the general work, or for some special part of it, such as the salary of a missionary, or a share in the work of a station, as an expression of his love of souls and loyalty to Jesus Christ.

The contribution of one million dollars from our Church would mean an average of about $4 per member, and the Foreign Missionary Chairmen of our Synods and Presbyteries are hereby urged to use their best endeavors to bring their churches as rapidly as possible to this standard of giving. The Assembly would also earnestly appeal to men of large means in our Church, to supplement by individual gifts, the regular contribution of the churches in amounts proportioned to the need of the work, and our churches' responsibility to it, as well as the ability, which God has given them.

4. The Assembly hereby calls upon the consecrated young men and women of our Church to give themselves to this work in sufficient numbers to meet the demand that is made upon us to do our part, as a church of Christ, toward the evangelization of the world in this generation.

5. Your Committee has learned with pleasure and gratitude to God, of the proposed sending, by the Laymen's Missionary Movement, of a Commission of Laymen, of not less than fifty in number, to visit, at their own expense, all the mission fields of the world, for the purpose of investigating the work now being done, and the needs of the various fields.

We recommend the appointment, as representatives of our Church on this Commission, Mr. Alfred D. Mason, of Memphis, Tenn.; Mr. S. L. Foster, of Norfolk, Va.; and Dr. Hugh S. McLean, of Richmond, Va. We also recommend that the Executive Committee of Foreign Missions be authorized to add to this list the names of such others as may be found to be available.

7th. A letter from the Rev. W. R. Lambuth, D.D., Secretary of the Mission Board of the M. E. Church, South, conveys to our Executive Committee the offer of the use of their buildings and equipment at Kobe, Japan, for our educational work in that field. Your Committee recommends that the Assembly instruct its Executive Committee to express our grateful appreciation of this

offer, and to correspond with our Japan Mission with reference to the practicability of such co-operative work.

8th. Your Committee recommends that the request of Rev. A. Sydenstricker, of our North Kiangsu Mission, and a member of Greenbrier Presbytery, for permission to transfer his membership to the Presbytery of Nanking, China, be granted.

9th. Your Committee recommends that in view of the arrangements for field work now in existence, the overture of the Presbytery of Upper Missouri, for the appointment of a Secretary for Young People's Societies and Sabbath Schools, be answered in the negative.

10th. Your Committee also recommends that the overture of the Presbytery of Ouachita, asking for the appointment of a Woman's Committee of Foreign Missions, be answered as follows:

"That, in view of the splendid work now being done by our women, through their Church Societies, and Presbyterial Unions, the Assembly does not see the necessity of appointing such a committee."

11th. In reference to present conditions in the Congo Free State, Africa, your Committee recommends the adoption of the following resolutions:

Whereas, This General Assembly has learned with great satisfaction, of the unanimous action of the Senate of the United States, at the last session of Congress, in giving assurance to the President that he would have their cordial support in any steps he might take after investigation of conditions in the Congo Free State, "in co-operation with or in aid of, any of the powers signatory of the Treaty of Berlin, for the amelioration of the condition of such inhabitants:"

Resolved, That we express our earnest hope that the way may open at an early date for the President to render the aid suggested in the action taken by the Senate in behalf of the helpless people of the Congo, whose wrongs have excited a world-wide sympathy.

Resolved, That we place on record our appreciation of the efforts that have been put forth by the National Council of the Evangelical Free Churches of England and Wales, in urging that Great Britain, as one of the leading signatory powers of the Treaty of Berlin, should take the initiative in calling a Conference to consider and act upon the evidence, disclosing conditions in the Congo.

Resolved, That we recognize, with hearty commendation, the work of the representative committee appointed by the Inter-Church Conference on Federation in 1905, in calling the attention of the President and Congress, to the appeal of the Protestant churches of our land in behalf of international action and authoritative adjudication of the issues involved in the present intolerable conditions in the Congo country.

As this national committee, representing churches having a membership of over seventeen millions, is in correspondence with the National Council of the Free Churches of England, we place these Resolutions in their hands, with the pledge of our best endeavor, in joining the Christian churches and the forces of righteousness in every land, in the effort to secure, through international action, the relief of an oppressed people, who, as we believe, in violation of treaty obligations, are held in the bondage of a practical slavery.

12th. The great forward movement in our foreign mission work, contemplated

in the action proposed to be taken by this Assembly, is one on which your Committee believes it will be useless for us to enter unless we can do so assured of the blessing, the guidance and the help of Almighty God. We, therefore, recommend that in proposing this action for our Church, the Assembly solemnly and reverently acknowledge our absolute dependence on Him, and call on all our Christian people to pray daily to the Lord of the harvest that he would thrust forth the laborers into his harvest.

13th. Your Committee recommends that the communication of Rev. H. C. DuBose, concerning the non-action of the Executive Committee on the subject of the salaries of native workers in the Mid-China Mission, be referred to that mission for settlement.

14th. We recommend that a communication addressed to the Standing Committee, by Rev. W. H. Hudson, in regard to quarterly statements to be sent by treasurer of the Executive Committee to the treasurer of Mid-China Mission, be referred to the Executive Committee of Foreign Missions.

15th. The terms of Revs. J. H. McNeilly, J. C. Cowan and C. R. Nisbet, Wm. Irvine, and Ruling Elder W. G. Adams, members of the Executive Committee, expire at this meeting of the Assembly, and we recommend their re-election for the term of three years. Ruling Elder Allen G. Hall offers his resignation as a member of the Executive Committee, owing to his inability, on account of conflicting engagements, to attend meetings. We recommend that the resignation be accepted, and that Ruling Elder A. M. Carrol be elected to fill the vacancy. The Executive Committee for the ensuing year will then stand as follows: Ministers: Wm. M. Anderson, J. H. McNeilly, C. R. Nisbet, J. C. Cowan, J. W. Bachman, C. R. Hemphill, Wm. Irvine, J. F. Cannon, T. A. Wharton, E. D. McDougall, J. O. Reavis, and S. H. Chester, and Ruling Elders: W. H. Raymond, J. D. Blanton, G. H. Baskette, J. H. Wilkes, A. M. Carrol, W. G. Adams. RUSSELL CECIL, *Chairman.*

In this connection the following missionaries from the foreign field were presented to the Assembly and made brief addresses: Rev. Dr. S. P. Fulton, of Japan; Rev. H. W. White, of China; Rev. Alva Hardie, of Brazil; Rev. Joshua Phipps, of Africa, and Dr. W. H. Forsythe, of Korea. Rev. Gaston Boyle, under appointment as a missionary to Brazil, was also presented.

The Moderator appointed the following to constitute the committee provided for in the paper adopted on the Articles of Agreement, to nominate representatives from our church to the Council: J. M. Grier, Chalmers Fraser, F. W. Lewis, W. D. Hedleston and J. L. Dean.

The report of the Committee on Bills and Overtures was made the first order for to-morrow morning.

The report of the ad interim Committee on Commissions was made the second order of the day for to-morrow.

The report of the Committee on Foreign Correspondence was docketed for consideration to-morrow.

The Assembly adjourned till 9 A. M. to-morrow. Benediction by the Moderator.

COLUMBUS, OHIO, *May* 23, 1907.

The General Assembly of the Presbyterian Church, in the U. S., Birmingham, Ala.:

The General Assembly in session at Columbus, Ohio, has examined carefully the correspondence as to alleged interference on home mission field, and finds such disagreements as to alleged facts, that it is impossible to take any further action. This Assembly expresses the hope that in the future the agents of both churches will cordially co-operate in all work in the home mission fields and that the churches will maintain in all their work the fullest harmony.

It is recommended that this be answered in the negative, for the reasons, (1) that the position of our Church is sufficiently well known on this question, and (2) such a measure would add indefinitely to the machinery of our Church, and would involve the possibility of political entanglement. Adopted.

30. An overture from the Presbytery of Bethel, asking to amend the Book of Church Order, Chapter 13, section 4, by inserting five additional sections upon the method of the taking and counting the vote. It is recommended that an ad interim committee of three be appointed to consider this overture and report to next Assembly. Adopted.

In response to this overture from the Rev. F. J. Brooke and Rev. S. J. Adopted.

Birmingham, Ala., *May*, 23, 1907.

Your Committee on Foreign Correspondence respectfully report on the papers, communications and documents that have been referred to it, as follows:

1. On the overture of the Presbytery of LaFayette, and that of the Presbytery of East Alabama, asking for representation of our Church at the Inter-Church Conference on Federation to be held in 1909, your Committee recommends that these overtures be answered in the affirmative, and that the Moderator appoint thirteen representatives to the said Conference, their expenses to borne by themselves. The Moderator, Rev. J. R. Howerton, D.D., was appointed chairman of the delegation.

2. In response to the communication from Rev. Duane Wevill, Corresponding Delegate from the Reformed Episcopal Church, the Committee recommends that the Stated Clerk of the Assembly be authorized to answer the said communication by expressing your appreciation of the Christian and fraternal salutations sent through him, and our best wishes for God's blessings upon the church which he represents.

3. Touching the greetings from the Synod of Brazil, delivered to us by Rev. 4. In relation to the report of the Executive Commission of the Alliance of the Reformed Churches throughout the World, holding the Presbyterian system, your Committee recommends the adoption of all the recommendations and

suggestions contained in said report touching Foreign Missions; Home Missions; the Sabbath School and Young People's Work; Defections in Church Membership, and the Calvin Anniversary. The Committee also recommends that the Moderator of the General Assembly appoint nineteen representatives for this Church in the council which is to be held in the city of New York, in the year 1909. We also recommend that the sum of $380.00, the amount apportioned to our Church as the expenses of said Alliance, be appropriated and paid out of the funds of the General Assembly.

Respectfully submitted, THOS. C. MCRAE, *Chairman.*

The report of the Committee on Schools and Colleges was taken up and adopted as follows:

Your Committee on Schools and Colleges would respectfully report that the following papers have been referred to them, to wit:

1st: The annual report of the Assembly's Executive Committee on Schools and Colleges for 1906 to 1907, together with a copy of the minutes of said Committee.

2nd: The report of the ad interim Committee on Summer Bible Schools, at Montreat, N. C., appointed by the last Assembly.

3rd: An overture from West Hanover Presbytery, asking this Assembly to set apart a day during its present sessions, for the discussion of the interests of our schools and colleges.

From the annual report of the Assembly's Executive Committee, we learn with regret that all the efforts of said Committee to secure a suitable secretary have thus far proved unavailing. It is also a matter for regret that the condition of the health of Dr. T. H. Rice makes it inexpedient for him to be burdened with the duties of the Chairman of this Executive Committee.

Your Committee would recommend,

First, that in response to the request of the Executive Committee, all connection be severed between the Board of the Fredericksburg Home and School and your Executive Committee; and that the cause of schools and colleges be assigned a day for a collection to be appropriated entirely to the maintenance of this great work.

Second, That the Assesmbly provide for the payment of the salary of the Secretary of its Executive Committee on Schools and Colleges, as well as for all other expenses of said Committees, until the collection ordered by the Assembly shall come into said Committee's hands.

Third, That the Assembly instruct its Executive Committee—

(1) To make a thorough study of present conditions and movements in our educational work, and a similar study of the conditions and movements in educational work in general, and put the results of their investigations in such form as will make them practically available for the information of our people.

(2) To endeavor with prudence and by correspondence with those actually entrusted with the educational work of our Church to create and secure common assent to true educational standards.

(3) To use their endeavors to pave the way for the unifying of our educational work by a proper correlation of secondary and higher education.

(4) To encourage the planting of schools at strategic points within our bounds.

(5) To create a literature of Christian education for our Church defining Christian education; showing the needs for, and the fruits of such education; and giving such information as, in their judgment, will tend to advance the interest of this great cause.

(6) To use all of the endeavors that Christian wisdom and prudence may devise for keeping our institutions distinctly Christian.

(7) To devise measures for building up an intelligent and liberal clientele for our denominational education, who will have its interests specially at heart; and to secure a large collection annually for this cause, arranging to have the cause presented by all of our pastors to their respective churches.

Fourth, That the following persons be elected members of the Executive Committee for a term of three years, to take the places of Messrs. B. I. Hughes, C. E. Graham, and T. H. Rice, whose term of service expires with this Assembly, to wit:

Messrs. B. I. Hughes, Rome, Ga.; C. E. Graham, Greenville, S. C., and W. L. Lingle, Atlanta, Ga., the last named person to be the Chairman of the Committee.

Fifth, That the Assembly re-affirm the following actions included in the report of its Standing Committee of 1906.

1. The Assembly's collection shall be appointed for the third Sabbath in September.

The proceeds of this collection are to be applied under the direction of the Executive Committee to the following objects, to-wit:

(a) The administrative expense of the Executive Committee and the Secretary of this cause.

(b) And, should there be funds over and above such as are required for the purpose just mentioned, to the educational institutions under the care of the Assembly.

2. The Synodical collection for schools and colleges shall be appointed for the third Sabbath in March. The collection control, and distribution of the proceeds of this collection, are to remain in the hands of each individual Synod, as in the case of the collection for Synodical Home Missions, to be applied to the maintenance of the schools and colleges under its care, whether Presbyterial or Synodical.

3. "Resolved, furthermore, that while pressing forward with all earnestness, the higher education of the youth of the Church in our own schools and colleges, we declare our purpose to discharge our duty to God and man with reference to the large number of our sons in the State Universities and other non-denominational institutions. And to this end we intrust the Committee to inquire diligently into effective means for reaching our youth therein, and especially the work of Bible chairs now located and to be located in close contact with such universities and colleges—the nature and scope of their work, the means whereby they are sustained, and the results hitherto accomplished by providing courses in Bible study, lectures on the evidences of Christianity, and tender pastoral care for young people separated from home and exposed to many perils.

In connection with the matters brought before your Committee in the report of the ad interim Committee on Summer Bible Schools, at Montreat, N. C., your Committee would recommend:

First, That the Assembly expresses its pleasure upon learning that there has been established at Montreat, N. C., a resort under the direct control of a corporation whose charter provides that two-thirds of its Board of Management shall be office-bearers of our own Church, where our ministers and people may not only secure the benefits of a superb climate and delightful Christian fellowship, but also special advantages in the matter of Bible studies, training for Sabbath school and other branches of Church work.

Second, That the Assembly will be pleased to receive, from time to time, through its Executive Committee on Schools and Colleges, any information that those in charge of the work just mentioned, shall think it important or desirable to lay before it.

Third, That the Assembly, in response to the actions of West Hanover Presbytery, appoint a special time for the consideration of this important cause, and that in connection with the discussion of it, it hear from the Rev. Dr. J. R. Howerton regarding the enterprise at Montreat.

In view of the awful need for workers to make Jesus Christ known to the twenty-five millions of souls in heathen lands, for whose evangelization our Church has assumed the responsibility, and also the great awakening among the laymen of our Church and their express purpose to increase the offerings of our Church to a million dollars a year, thus making possible the equipping, sending out, and supporting a force of eight hundred missionaries, and in view of the further fact that the present force of missionaries came from the schools, colleges and theological seminaries, and that any increase in our missionary forces must necessarily come largely from the same sources,—

Resolved, First, that the Assembly urgently request the faculties of these educational institutions to encourage in every way the studying of the present urgent need of the mission field and especially:

1. To provide as far as may be practicable for systematic instruction in missions in connection with regular school work.

2. To encourage the formation of volunteer mission study classes on the part of students similar to those already carried on so effectively in many colleges under the auspices of the Student Volunteer Movement.

3. To encourage the students' alumni of their respective institutions to send out and support one or more missionaries who shall be their representatives in the foreign fields.

4. To seek in every practicable way—such as by correspondence with those now in the field and by well selected missionary libraries, to bring the needs and the present opportunities for work in foreign lands, home to the heart and conscience of each individual student, and thus to awaken within him a sense of his individual responsibility for giving effect to the Great Commission: "Go into all the world and preach the gospel to every creature."

Resolved, Second, that this Assembly issue its call to those at present in our educational institutions or recently graduated from them for at least six hundred volunteers for the foreign field.

Resolved, Third, that the urgent present need should drive all of our people to united, daily, intercessory, prevailing prayer to the Lord of the harvest, that he thrust forth laborers into his harvest.

Your Committee call the attention of the Assembly to the fact that the Sec-

retaryship of this important Committee is still vacant. They recommend that the filling of this vacancy be referred to the Committee itself.

All of which is respectfully submitted on behalf of this Committee,

W. M. McPheeters, *Chairman,*

The report of the ad interim Committee on "Distinctive Principles, etc.," was referred to the next Assembly.

The report of the ad interim Committee on Commissions was taken from the docket, and the majority report was recommended to the presbyteries for their adoption as an amendment to the Form of Government. It is as follows:

Your Committee to which was referred "The Proposed Amendment on Commissions" (See minutes of last Assesmbly, pages 52 and 53) would respectfully recommend that the following substitute for Sectioin VII, in Chapter V of our Book of Church Order, be sent down with the recommendation of this Assembly to the Presbyteries for their "advice and consent thereunto":

Section VII of Committees and Commissions.

92—I. Church courts may exercise their powers through committees and commissions.

93—II. An advisory committee consists of any number of persons appointed to examine, consider and report upon any subject with a view to assisting the court to a speedy and proper decision. A majority of its members shall constitute a quorum.

94—III. An executive committee consists of any number of Presbyters appointed to perform a definite work where the action to be taken or the policy to be pursued is prescribed by the court. A majority of its members shall be necessary to constitute a quorum; and its reports, when approved, may, if needful, be entered upon the records as the action of the court.

95—IV. A commission is a body of Presbyters authorized to inquire into, deliberate upon and conclude the business submitted to it. Its quorum shall be the same as that of the appointing court and it shall be governed by the same rules as the court itself. It may be appointed to do anything within the province of the court, except that in the reception of ministers and the examination of probationers with a view to their ordination to the Gospel ministry the Presbytery alone may act. Full records of its proceedings shall be kept by the commission and admitted to record by the court as its final judgment in the case; but such judgment shall be subject to the review of the higher court and may also be carried up by appeal or complaint. Any church court may with the consent of the parties commit any judicial case, coming before it from the lower court, to the judgment of a commission; provided that no one who is a member of the court from which the case comes, or who has expressed or formed a positive opinion concerning such case, may be a member of such commission.

In paragraphs 179 and 215, Book of Church Order, substitute "committee" for "commission."

Respectfully submitted,

J. P. Robertson,
Robert Hill,
Cloyd H. Read,
P. H. Gwynn.

The following was adopted by a rising vote:

Resolved, That this General Assembly record its sincere appreciation of the kindness of Dr. Stagg and the people of the First Church of Birmingham, in their splendid entertainment of the Commissioners. And in this action we would include the other pastors and churches of the city, who have so cordially assisted in this matter. Also the Baptists and Christian churches, for the use of their buildings.

We also express our most cordial thanks for the unprecedented efficiency of the local press in their excellent service to this Assembly. Also our sincere appreciation of the very great kindness of the management and employees of the street car system, for unusual courtesies. Also of the railroads centering in Birmingham, for reduced rates.

We desire the above resolutions to be regarded, not in the light of a formal vote of thanks, but as they are, a hearty expression of genuine gratitude.

Special thanks by rising vote to the ladies of this Presbyterian Church for their entertainment of this Assembly, in the attractive lunch daily spread for its members.

The following additional report of the Committee on Home Missions was adopted:

In reply to the request of the Executive Committee of Home Missions, the following action is recommended:

The Assembly authorizes the Executive Committee of Home Missions to publish a Home Mission paper, when, in the judgment of that Committee, the way is clear.

The report of the Committee on Audits was taken from the docket, amended, and adopted as follows:

Your Committee on Audits to whom was referred the reports of the Trustees of the General Assembly, the Executive Committee of Foreign Missions, Home Missions, Ministerial Education and Relief, and Publication and Colored Evangelization together with the reports of the Treasurer of the General Assembly, and the Assembly's Home and School, would report:

1. We have carefully examined the reports submitted to this Committee and find that they have all been properly audited and certified to by the Auditing Committees of each to be correct.

2. In accordance with one of the duties devolving upon this Committee, we recommend that appointment of the following auditing committees for the ensuing year: For the Executive Committee of Foreign Missions: George G. O'Bryan, Eugene Hollins and T. D. Webb; for the Executive Committee of Home Missions, J. B. Daniel, W. R. Hoyt and Charles J. Martin; for the Executive Committee of Publication: H. Swineford, B. C. Wherry and Edwin Pleasants; for the Executive Committee of Ministerial Education and Relief: S. S. Eastwood, Thomas Gordon and L. L. Anderson; for the Executive Committee of Colored Evangelization: E. B. Nuzum, W. C. Harris and W. E. Bingham; for Assembly's Home and School: S. G. Howison, J. N. Barney, and W. Mayo

Smith; for report of Treasurer of the General Assembly: B. H. Owen, H. C. Merritt and C. W. Bailey.

3. We note, from the report of the Trustees of the General Assembly, submitted at their session, the following extract: "We have disbursed the balance of the George W. West legacy as per the instruction of the last General Assembly" (see page 47, section 3).

4. The report of the Trustees of the General Assembly states that the term of office of Rev. J. R. Howerton, D.D., D. W. Oates, and John R. Pharr, will expire at this meeting of the General Assembly. Rev. J. R. Howerson, D.D., having removed from Charlotte, N. C., the headquarters of the Trustees of this Assembly, we would recommend the election of Rev. Alexander Martin as his successor and the re-election of D. W. Oates and John R. Pharr, for the term of three years.

5. The Committee on Audit desires to call the attention of this General Assembly to the custom of paying the expenses of ad interim committees out of the funds in the hands of the Treasurer of the General Assembly, collected for the purpose of paying the annual expenses of the General Assembly. We recommend that the expenses of these ad interim committees should be paid out of any funds in the hands of the treasurers of the executive committees for the causes which the appointment and action of each ad interim committee is intended, and where there is no committee fund to meet such ad interim committee expenses, the money should be supplied by special levy, or in such other manner as the Assembly will suggest.

6. That the Stated Clerk be allowed such sum as may be necessary to secure adequate office and equipment for his work.

7. That the General Assembly approve the employment, by the clerks, of a typewriter to aid them during the sessions of future Assemblies, and in the preparation of the papers of the minutes for printing.

J. W. Faxon, *Chairman.*

The Committee on the Records of the Synod of Texas reported as follows, which report was adopted:

Your Committee on the Records of the Synod of Texas, to whom was also referred a communication from the session of the First Presbyterian Church, of Jacksonville, Texas, touching the action of the Synod of Texas, recorded on pages 44 and 45 of its printed minutes, Vol. III., No. 1, reversing the action of the Presbytery of Eastern Texas, in dismissing the First Presbyterian Church of Jacksonville, to the Presbytery of Trinity, U. S. A., beg leave to report, that the records of the Synod and also said communication have been carefully examined, and that we recommend the approval of the minutes with the exception:

First, that, as recorded on p. 44, the Synod denies the constitutional right of the Presbytery to dismiss one of its churches to another denomination.

Second, that, as recorded on the same page, the Synod directs the Presbytery of Eastern Texas to restore the First Presbyterian Church of Jacksonville to its roll after said church having been dismissed by the Presbytery, had been received by another denomination.

Third, that similar action was taken in case of the Port Arthur Church, as recorded on page 59.

Respectfully submitted,

C. F. Richmond, *Chairman.*

2. That the resignations of the Rev. W. H. Neel, D.D., Rev. C. C. Hersman, D.D., W. R. Dobyns, D.D., and Robert Price, D.D., be accepted.

4. That the partial report of the ad interim committee be filed with the Stated Clerk for the use of that committee. C. R. LACY, *Chairman.*

There is due the treasury the sum of $589.68 from twelve presbyteries, as follows: Arkansas, 31 cents; Greenbrier, $28.51; Harmony, $25.08; Indian, $5.47; Lexington, $105.66; Louisville, $170.63; Mecklenburg, $105.47; North Mississippi, $19.21; Palmyra, 29 cents; Red River, $16.96; South Carolina, $44.80; Western District, $67.29. II. ABSTRACT OF THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF FOREIGN MISSIONS.

The annual report of the African Mission failed to reach us in time for this report. We received quarterly reports, however, up to the first of September, at which date about 1,100 persons had been received into the communion of the Church by baptism. We also learned through private letters of about 125 who were received after this date. On one itinerary of two months through the villages of the Lulua country, Mr. Martin and Mr. De Yampert examined 1,500 applicants for baptism, all of whom could recite the catechism. Of these about 800 were baptized, and the remaining 700 were continued under instruction as catechumens. Our work in this field has been hindered by the action of the Congo government prohibiting any of our missionaries from remaining more than fifteen days at any one place outside of their regular stations. One result of this regulation, however, has been that the Mission has felt it necessary to make special efforts to train and use native evangelists, and these evangelists have proven very efficient helpers in the work.

The committee, as instructed by the last Assembly, has co-operated with the Congo Reform Association in the effort to bring relief to the oppressed natives of the Congo country. No substantial results in the way of putting an end to the atrocities have been attained, but the facts have been brought to light; the U. S. Senate and the British Parliament have both taken condemnatory action; King Leopold stands condemned by the report of his own Commission of Inquiry.

The return of Rev. W. M. Morrison and Rev. W. H. Sheppard, with their families, together with the reinforcements that accompanied them, have placed the Mission in good condition to do a greatly enlarged work during the coming year.

The work in Brazil has been carried on without any unusual features. Efforts were made at the meeting of the Synod of Brazil looking to the establishment of more friendly relations with the independent Presbyterian Church and possibly to ultimate reunion. The Theological Seminary of the Synod of Brazil has been moved from Sao Paulo to Campinas, and is being conducted in the school building, which was sold to the Synod by our Mission, at a nominal price, for that purpose.

The work in Cuba has been greatly prospered, notwithstanding the inadequacy of our present force in that field. Doors are open to us everywhere, which it has been impossible to enter because our financial embarrassment has made it impossible to send the necessary reinforcements to the Mission.

In Japan the question of co-operation between the Presbyterian Missions and the Church of Christ in Japan has given rise to much perplexity, and has been the subject of special negotiations between that church and the foreign mission boards and committees related to it. The Committee has advised our Mission to go to the farthest possible limit in the direction of conciliation and concession to the demands of the native church, without sacrificing any real principle, and without nullifying the power of control held over the missionary by the home

church. No final settlement of the questions involved has yet been reached. The work at the stations has not as yet been seriously affected by these ecclesiastical problems.

In China our work has made phenomenal progress. More members were received during the year than were gathered by the whole Mission during the first thirty years of its history. Recently, however, in the North Kiangsu Mission, famine conditions have arisen, which have made it necessary for most of the missionaries to devote their whole time to the work of relief, and which have become more and more appalling as the weeks go by. At one time three hundred thousand people were encamped outside the walls of Tsing-Kiang-Pu, with no shelter, except tents made of small pieces of matting, to protect them from the snow and rain, and with no food except such as was distributed to them by those engaged in the work of relief. Our latest letters report that pestilence was beginning to add its horrors to the situation. There has been $9,365.57 forwarded through our treasury for the work of famine relief.

The Theological Seminary, at Nanking, has been regularly organized, with Rev. J. W. Davis, of our Mission, and Rev. J. C. Garrett, of the Northern Presbyterian Mission, as professors. There is urgent need of additional buildings, as the present buildings are wholly inadequate to accommodate the number of students who are now ready to avail themselves of the advantage of the seminary. It has not been possible for the Executive Committee to pay more than $2,000 of the $6,000 which was accepted by us as our proper contribution to the establishment of this seminary.

The Mexico Mission, reinforced by two men and two women, begins the work of the new year with renewed energy and hope. The work of the past year has been hindered somewhat by a regulation of the government prohibiting the holding of religious services in any house except one especially set apart for that purpose. This has made it very difficult to carry on some of our ranch work, from which large results have been reaped in previous years.

Twenty new missionaries were sent out during the year.

Rev. Henry B. Price, of our Japan Mission, died at Tokyo, on June 26, and Miss Agnes V. Inness, of the Mid-China Mission, died at Soochow, on July 1. The number of missionaries now on our roll, including thirteen under appointment, but not sent out, is 229.

The new steamer, Samuel N. Lapsley, was successfully transported from Glasgow to Leopoldville, and there reconstructed under the superintendence of Rev. L. C. Vass, and Mr. W. B. Scott, a mechanical engineer of Glasgow. The boat started on its first trip up the river on November 28, and reached Luebo on December 24. It is stated that she behaved handsomely on this first journey, successfully overcoming the difficulties of Congo River navigation, and was welcomed by a vast crowd of natives on her arrival at Luebo.

The work of the Forward Movement has been vigorously prosecuted under the direction of Rev. James O. Reavis, Co-ordinate Secretary. During the past year a number of churches were added to those previously enrolled in the movement. A few subscriptions were canceled at the close of the year. The total number now enrolled is 575. During the summer, valuable assistance was rendered by Revs. C. F. Hancock, John W. Vinson, H. C. Ostrum, Gaston Boyle, and W. A. Ross, all of whom were under appointment as foreign missionaries.

Our experience convinces us more and more that the method of the Forward Movement is the one by which the effectual and permanent solution of our financial problem is to be attained. It commends itself to business men by its simplicity and by its thoroughly business character, and one result of the prosecution of the movement has been to enlist a far greater number of business men in the support of our work than it had ever been found possible to enlist before.

The increasing value of the Literature Department as an educational agency in our work is seen in the fact that the number of books, pamphlets, and leaflets distributed during the year is at least three times as large as in any previous year. There has been a large increase in the use of the Year Book of Prayer. An edition of 7,000 copies was printed for 1907, an increase of 1,000 over the preceding year.

The Mission Study Course has passed the pioneer stage and is now generally recognized as a department of the foreign missionary work of churches and missionary societies. There has been satisfactory growth in the number of classes, and marked progress has been made in the system and thoroughness of the work.

After careful consideration it was deemed advisable to publish only one missionary magazine. In accordance with this decision, the *Children's Missionary* was discontinued, as a separate publication, with the December, 1906, issue. Beginning with January, 1907, a Junior Department was opened in *The Missionary*. We have also accepted the offer of the Committee of Publication to furnish material for one issue each month for the *Children's Friend*, a paper which reaches over 100,000 of our young people. The regular monthly edition of *The Missionary* is now 20,500 copies, the largest in the history of the publication. The average increase in circulation for the past five years has been over 2,000 copies per year.

The total cash receipts of the treasury were $276,262.98. This is a gain of $16,645.48 over the receipts of last year. In addition to these cash receipts the committee received a donation of securities amounting in value to about $4,000. The per capita contributions for the year were within a fraction of $1.09. The amount received from legacies was $4,790.33. For the year ending March 31, 1906, the amount received from legacies was $36,489.34. It will be seen from this statement that the gain in receipts from living donors was $48,344.49.

Notwithstanding the encouraging gain in our receipts, the cost of the work has grown more rapidly than our income. During the whole of the year we have been compelled to carry a heavy loan in bank, and at times, even when our bank loan reached the limit of our line of credit, we were still unable to furnish the Missions promptly with the funds appropriated for their work.

New missionaries were sent out only when their salaries were pledged by individuals or churches, and their outfit and traveling expenses provided by contributions given especially for that purpose. Notwithstanding this conservative policy, it is impossible to keep the increase in expenditure involved in sending out new missionaries within the limits of these special contributions, for the reason that homes and equipment must be provided for them, and many unforeseen contingent expenses are liable to be incurred.

There were $23,426 contributed during the year to the Special Donation Fund.

The present arrangement for the payment of annuities to those contributing to this fund is as follows:

For donors between 21 and 40 years of age, 4 per cent. For donors between 40 and 50 years of age, 5 per cent. For donors between 50 and 65 years of age, 6 per cent. For donors over 65 years of age, 7 per cent.

The committee would again ask the Assembly to call the attention of our people to the advantages of this fund, which are, first, that it provides for the immediate investment of intended gifts; second, donors become their own executors and thus insure the application of donations as desired, and avoid the possibility of legal complications that might arise in connection with a bequest; and third, it will enable the committee in many instances to provide much more satisfactory buildings for schools, hospitals, and missionary homes, at a much smaller annual cost than is now required to be paid in the way of rents for native buildings.

We would hereby call the attention of the General Assembly to the Laymen's Missionary Movement, the last, and we hope destined to be the greatest, of the three movements having for their watchword, "The Evangelization of the World in this Generation." At the February meeting of the committee a committee of laymen was appointed looking to the organization and promotion of this movement in our Church.

One of the features of the movement is the proposed sending of a centennial commission of not less than fifty laymen, representing the evangelical denominations of our country, to visit all the foreign mission fields of the world during the years 1907-8, and to make a report after their return to the laymen of all our churches, embracing the topics of the condition of the heathen world, the character of the work now being done in the evangelization of heathen countries, and the needs of the work in order that Christ may be made known to all the world in this generation. It is hoped that at least ten representative men of our Church may be found who may be appointed by the Assembly as members of this commission.

In this connection the committee would respectfully overture the General Assembly to adopt a missionary platform for our Church containing the following declarations: (See full report).

III. EXTRACT FROM THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF HOME MISSIONS.

We are again permitted to report a year of great prosperity in our work. It is remarkable, a matter demanding signal recognition on our part, that for five years in succession we have been able to report "the year of greatest prosperity." During the closing year our receipts have been, from all sources, $74,814.14, being $10,256.99 in excess of the previous prosperous year. By actual calculation it has been found that more than thirteen hundred have been added on profession of faith, to the churches assisted from the Home Mission office; and it is estimated that more than fifteen hundred were received by certificate, so that the total gain cannot be far from three thousand. In some instances whole congregations have been received by us in a body.

From contributions, $52,507.13; from loan fund, $628.50; legacies, $18,538.61; interest on bond and notes, $3,129.90. Total receipts, $74,814.14. Six years ago our receipts were $26,915.95, which, if compared with the above total, will show a gain of $47,898.19. At that time our schedule of appropriations for the work amounted to $34,065.00. For the coming year we have voted to expend on our work $69,070.00, an increase of $35,005.00.

During the year just closed our expenditures were as follows: For the support of 21 ministers and 53 churches in Arkansas; 17 ministers and 43 churches in Florida; 88 ministers and 237 churches in Texas; 2 ministers and 7 churches in North Carolina; 2 ministers and 4 churches in Georgia; 4 ministers and 18 churches in Mississippi; 2 ministers and 6 churches in Kentucky; 5 ministers and 14 churches in Tennessee; 5 ministers and 10 churches in Louisiana; 2 ministers and 4 churches in Alabama; 25 ministers and 52 churches in the Territories; 5 ministers and 16 churches among the Mexicans in Texas; for 6 schools and 15 teachers in the Indian Territory; 9 schools and 40 teachers in the mountains. The entire number of ministers and teachers supported in whole or in part was 233, and the whole number of churches and schools aided 478.

The Church Erection Department of our missionary operations has never received the recognition at the hand of the Church it has deserved. During the past year the Committee has undertaken to make a decided advance over previous years. The prosperity of the cause justified us in making a more liberal provision for new buildings. As a consequence the Committee has not declined a single request during the year where the congregation asking assistance came within the provision of the rules adopted by the Assembly for Church Erection. Aid from this fund has been extended to 15 churches, total amount being $2,981.50.

The following churches have received loans during the year: Panthersville, Ga., $200.00; Erick, Oklahoma, $300.00; Milburn, I. T., $300.00; Colbert, I. T., $300.00; Cornelia, Ga., $300.00. The outstanding loans at present amount to $4,200.57, and we have in the treasury $403.20. The Manse Fund has been created by permission of the last Assembly. Its object is to assist feeble churches in erecting or securing homes for pastors. The Secretary called for voluntary contributions, and the total now available for this purpose is $4,207.00. Only a small amount has as yet been lent, but quite a number have been promised loans as soon as they are able to fulfill the requirements and their buildings reach the stage where our amount will complete them free of debt.

The Committee is still pursuing the policy of expending its funds in such a way as to guard the Church against loss and secure permanent property in church buildings, institutions, etc. Its claims on church buildings, Durant College and Dormitories and the various loan funds accumulated for such purposes, amount to perhaps one hundred thousand dollars.

At one time the burden of extending the work in the newer sections of the country was so great, that the Assembly left the stronger Synods with their well organized Presbyteries to take care of themselves by means of Local Home Missions. Most of them have found it almost impossible to keep pace with the development of the country and meet the demands upon them; and the growing prosperity of the Assembly's work justified it in extending a helping hand in many sections of the church. To the credit of these stronger Synods, it should be said, that they have recognized the greater demands of the West for help upon the Assembly's Committee and have not overwhelmed it with applications for aid. Still wherever such application has been made it has never been refused, and our assistance in some form or other now extends to almost every Synod of the Church.

Arkansas, Florida, Louisiana and Texas are recognized as less able to bear their great burden of evangelizing their own territory than any other sections of the South; and consequently they receive the largest appropriation from the Committee. They are having a marvelous development and present a magnificent opportunity for making investments which will bring in speedy returns. These Synods have shown a larger percentage of increase in membership than any section of the Church.

The Indian Territory and Oklahoma are still in a formative period. Indian Presbytery exists for the welfare of the several Indian Nations scattered throughout the Territory. Durant Presbytery theoretically embraces Indian Territory and Oklahoma, covering an area equal to the great State of Missouri; but practically the men and churches are so widely scattered and so far separated from each other as almost to constitute independent churches. The gaps, however, are rapidly filling up with new churches and additional men, thus bringing them in closer touch with each other.

Our work in Oklahoma has doubled itself twice in the last five years, and there is a better prospect of a large increase in the near future than ever before in its history. Our little handful of seven ministers has grown to twenty-five, and will possibly reach thirty by the time this Assembly passes into history. Already some are agitating the matter of creating the Synod of Oklahoma.

The Indian Territory schools remain about the same, numbering six, employing about fifteen teachers and instructing nearly seven hundred pupils. Durant College, is the most important, with seven professors averaging nearly three hundred students, the majority being Indians. Its dormitories are always crowded to their utmost capacity, but they sadly lack furnishing, and the College stands greatly in need of proper equipment. Plans are being laid for developing the Goodland school into an Indian Orphanage and Industrial School combined. The Indians themselves have donated a nice tract of land; and a small legacy from a philanthropist formerly of the South who died in Boston, Mass., will enable the Committee in the near future to attempt the erection of suitable buildings.

Our mountain schools in North Carolina, Georgia and Kentucky, were begun by the generous help for one individual, which has made possible and called forth other gifts. For several years the beneficiaries of this fund have beeen Plumtree, Lees-McRae, and Asheville Presbyterial schools in North Carolina, Nacoochee in Georgia, Matthew T. Scott at West Liberty and Estill Institute at Irvine in Kentucky. These number nine schools with 40 teachers and 1,081 scholars. Some of those assisted in the past have now become self-supporting.

Our mission work among the Mexicans in the Presbytery of Western Texas has taken on such proportions that it is demanding a better recognition on the part of our church. Leaving the negroes and the Indians out of the question, we have no other Home Mission work like it within our bounds. The work is done exclusively in a foreign language. It has been making rapid strides; and the progress has been steady and solid, convincing us of its genuineness. In point of increase of membership, it has been doing better the past year than a score of Presbyteries in our Assembly. The Central Committee of Home Missions is aiding this flourishing work with but $2,000.00 per year.

We have two American evangelists, Revs. W. S. Scott and R. D. Campbell; one Mexican evangelist, Rev. Elias Trevino; one ordained Mexican pastor, Rev. Reinaldo Avila; one licensed preacher and two students to man this extensive field of sixteen churches, some twenty-five preaching points, and very near a thousand members, among a population of a hundred thousand Mexicans. Altogether some 140 new members were received during the year.

Mr. Scott completes his fifteenth year in this work. During this time he has organized 16 churches, he has helped to build 7 chapels, has received over 700 members, and has baptized fully 500 children.

The Committee has assisted as far as possible each Presbytery asking aid for evangelists and has sustained in part about fifteen, and used in some sections pastors for a part of their time in evangelizing neighboring towns and communities.

For nearly two years the Committee has attempted to operate the Bureau of Information according to the plan formulated by the Assembly, for bringing unemployed ministers and vacant churches into communication with each other. In proportion to the number who enrolled themselves there has been fair success; but the number using this agency and receiving benefit has been

so small as to render the scheme a practical failure in attaining the end desired by the Church. The reasons of its comparative failure have been threefold: (1) The large majority of men desiring a change object to the publicity incident to sending their names to so many parties on a published list. Some sent in their names but refused to allow their enrollment. (2) The vast majority of the Presbyterial chairmen were at least indifferent to the matter and made no use of the plan whatever. (3) Many churches enrolled whose correspondents would not take the trouble to answer letters of inquiry. Having had a fair trial the Committee is satisfied that in its present form it will serve no useful purpose. If the Assembly wishes to continue some agency of this kind, we would suggest that the plan of sending published lists to chairmen, who do not want them, be discontinued. The Committee would recommend instead that ministers and churches be allowed to file their names with the Secretary and be furnished by him only to such parties as write and request same for some practical purpose.

The plan of supporting its own missionary by a particular church, society or individual was inaugurated several years ago. At first only about a half dozen churches or societies ventured to undertake the individual support of a missionary; but all who began it were so pleased with the results that scarcely one abandoned it. The number grew very slowly at first, but during the past year they have more than doubled. The support of a Home Missionary does not mean the furnishing of the entire salary he receives. In all cases the Committee requires a community to pay all it can for its own pastor. The church that becomes responsible for his support is only asked to pay the supplement promised by the Committee.

Following the recommendation of the last Assembly, many churches either organized a Home Missionary Society or at least a Home Department. Nineteen Societies have sent valuable boxes at Thanksgiving or Christmas to individual missionaries, and many a home has been brightened and many a perplexed heart cheered by their contents. Others sent their donations directly to the missionaries without reporting to our office.

For a number of years the contributions of the various Sabbath schools on fifth Sabbaths have gone to the support of our Indian schools. The tendency to observe Children's Day for Home Missions, the last Sabbath in March, is growing in favor with the Sabbath schools.

Authorized by two Assemblies in succession, the Executive Committee at last succeeded in securing the services of Rev. Homer McMillan as Associate Secretary of Home Missions. He has the gifts, mental and spiritual, which give promise of great success. Wherever he has presented the cause he has aroused great interest and enthusiasm; and pastors uniformly testify that his visit has been a great benefit to the entire congregation. He will have charge of the literature department and the presentation of the cause before congregations and church courts.

It is equally gratifying to announce to the Assembly and the Church that Mr. A. N. Sharp, who has been chosen Treasurer in the place of the late lamented Captain W. A. Powell, is, after being thoroughly tested, proving himself just the man for the place. He is an experienced bookkeeper, an efficient office man and possesses the implicit confidence of all.

IV. EXTRACT FROM THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF PUBLICATION.

The period which this report reviews has been one of unusual activity. Never before during one year has the Committee been called upon to consider and decide so many new problems—all of great moment to the church, and for the most part without precedents to guide to a wise decision.

For twenty-five years or more there have been numerous requests for the establishment of branch depositories at various points that the resources of the Publication Committee might be more accessible to the church at large. Overtures on this subject were uniformly declined by the Assembly on the ground that the financial risk involved was too great and the Committee had no capital on which to operate such depositories. The requests for a Depository in the Southwest have been particularly insistent, as our church has grown in this rapidly developing section, and at the Assembly of 1906, nine overtures from as many Presbyteries were presented urging the establishment of a branch depository or depositories. In the report submitted by our Committee to the Assembly of 1906, the position was taken that the time had arrived when the growth of our church seemed to demand that the financial risk be waived and that the resources of the Publication department should be made easily accessible to our entire constituency. To this end permission was asked to establish a branch or branches for the convenient distribution of our publications and general stock, at the discretion of the Committee. The Assembly took favorable action on the overtures and request of our Committee, and authorized the opening of a branch depository or depositories if the way seemed clear.

Our Committee at the June meeting authorized the Secretary to make a tour of investigation through the Southwest. An extended trip was immediately taken by the Secretary and the following cities were visited and their claims for the location of a depository were carefully investigated: Nashville, Memphis, Texarkana, Dallas, Fort Worth, Little Rock, St. Louis, and Louisville.

A full report was made to the Committee by the Secretary and after a careful review of the whole matter it was decided to locate the first depository at Texarkana, Ark.-Tex. The enterprising citizens of this growing city evinced a lively interest in the location of the depository and raised a fund to pay the rent of the store room for the first year. Measured both by hours and miles it was found supplies could be delivered to our patrons in the three states named and in Missouri, Oklahoma and Indian Territory more expeditiously from Texarkana than from any point in the southwest. The city has unusually good railroad facilities and the freight rate to Texarkana from New York and other publishing centers is lower than from St. Louis.

The Committee was fortunate in securing as manager, Rev. W. L. Hickman, formerly pastor of our church at Bonham, Texas. Before entering the ministry he enjoyed a careful business training and so was well equipped to undertake the management of the new depository, and he is operating the enterprise on a very economical basis.

We opened the Depository in October, 1906, with a complete stock, duplicating in variety but not in quantity the stock carried at Richmond. Our in-

vestment in the Branch on March 31st, 1907, was as follows: Stock of books, $9,984.32; accounts, $1,798.91; fixtures, $1,811.60. This investment will probably have to be increased as we are called upon to extend a larger line of credit to our patrons in the southwest.

The citizens of Texarkana have given the Branch a generous patronage and many of our Pastors and Sabbath-schools are giving the new enterprise a cordial support.

It was not expected that the Branch would earn its operating expenses the first year and we have to report a loss on the first six months' business as was anticipated.

The development of the plans of the Committee of Management of the Montreat Association has made it clear that the proposed Summer Assembly would be conducted on lines that would make it a great power in promoting the activities and spiritual life of our church and the details of the program for the season of 1907, were committed to the hands of a Committee consisting of the Executive Secretaries of the Assembly and a group of Professors from our Theological Seminaries. The character of the work to be done and the personnel of the visitors the program will attract made it apparent to the Publication Committee that we would be serving our whole church by co-operating in the movement, and making a full exhibit of the material now available for all lines of Christian service. It was found that no building could be had for a proper exhibit of our resources and the sale of books and other material. After due consideration the Committee made an appropriation of $1,000 for a building in which to conduct a Branch Depository during the summer months and display the resources of the Publication Department.

The building will provide a salesroom for our stock and in addition a small audience room arranged as a model Sabbath-school Assembly Hall.

It is not expected that the immediate sales of this branch will pay operating expenses, but it is regarded as a good advertising medium and an opportunity to promote in an efficient way the various activities of our church.

Our Committee will make at the Jamestown Exposition an exhibit of the resources of the Publication department of the Church with the hope that the indirect returns will justify the expense incurred, and that our exhibit with that of other of the Executive Committees will in some measure acquaint the throng of visitors expected at the Exposition with the large work being done by our Church.

We are pleased to report that arrangements have been perfected with the Board of Publication of the United Presbyterian Church of Pittsburg, Pa., by which we shall be able to furnish the Sabbath-schools and families of our Church a high-class illustrated eight-page weekly paper for older scholars and adults at 50 cents a year. We expect to issue the first number of the new paper on July 1st, 1907, under the name "Onward." Rev. D. K. Walthall, Ph.D., one of the most scholarly men among our young ministers, has been added to our editorial staff and will have immediate charge of the new paper.

We assume a large financial risk in attempting to furnish such a paper at 50 cents per year, as it will doubtless reduce the circulation of the "Children's Friend," our four-page paper, and it will require a paid subscription list of 25,000 subscribers to put "Onward" on a safe financial basis. The paper will

not have a complimentary list of subscribers, as is the case with some of our publications, and "Onward" cannot be included in donations made to mission schools before it reaches the point of self-support.

The last Assembly granted our Committee further time to investigate the question of the preparation of a new hymn book for use in Sabbath-schools, prayer meetings, evangelistic services, and in the home, and we report that a book has been prepared which approaches the ideal for the combined purposes named.

We are fortunate in arranging to syndicate with the German Reformed Church Publication Board, of Philadelphia, on a most excellent work they issue, and taking this as a basis we compiled a book which, in our opinion, combines more points of excellence than any similar publication on the market.

The privilege was given us of adding new pieces and cutting out selections in the original edition so that the book becomes our special property with an individuality of its own.

The old standards are given a prominent place, some 75 old hymns with familiar tunes being included, and the newer Gospel Songs represent selections that are entitled to a permanent place in the Hymnology of the Church. We were fortunate in securing for our edition a few of the newest selections which are being used so effectively in the great evangelistic service of Torrey and Alexander, Dr. Wilbur Chapman, and Gypsy Smith. A feature not found in many similar books is a choice list of pieces appropriate in sentiment, words and music for use in the Elementary grades of the Sabbath-school. The popular price at which the book will be sold, 20 cents for the music edition with cloth binding, puts it within reach of all our schools and churches. Under our copyright contract a *word* edition cannot be issued. There was no expense to the Assembly treasury attached to the compilation of this book, as the work was done by the Secretary, assisted by our field workers, Revs. A. O. Browne and William Megginson, and our Primary Editor, Mrs. W. C. Edmondson.

The preparation of the church hymnal, Psalms and Hymns, cost the Assembly over $1,200.00 for expense of Compilation Committee.

Acting under authority given by the Assembly we offered a large lot of bound books, which had proved unsaleable, to the ministers and theological students of our church upon the sole condition that they pay transportation charges. Hundreds availed themselves of this opportunity to get a supply of valuable books practically without cost and the stock of bound volumes was exhausted in about thirty days. Our benevolent fund was already largely overdrawn, but so great was the demand for books on these liberal terms that we had about 3,000 copies of the sheet stock bound and distributed this lot on same terms. We have not yet availed ourselves of the privilege of selling the unbound stock as old paper, but it has been eliminated from our list of assets as directed by the Assembly. We charged to capital 16,899 unbound copies of old stock which had been reduced in value three times. It stood on our books at a valuation of $1,394.00. The actual printing cost was over $4,081.46 and unfortunately many of the books had been plated, adding about $7,000.00 additional to the loss. The old stock of plates now stands in our assets at a value of $2,000, but the original cost was over $40,000.00.

The publication of books has been a very disastrous financial venture for the

church. During the past four years no manuscripts have been accepted for publication in book form unless the publication cost was practically guaranteed in advance.

The last Assembly directed the Publication Committee to issue a year book if it was found feasible.

For two years our Committee had been issuing a year book for use of Sabbath-school workers containing the International Sunday School Lessons, Golden Texts, Daily Bible Readings, and other data of interest to Christian workers. This booklet has been donated each year to the 23,000 officers and teachers in our Sabbath-schools and it was decided to enlarge this publication and let it include such matter as is usually incorporated in Church Year Books.

The Secretary of Publication undertook the compilation of the necessary material. Statements concerning the scope and activities of each of the Executive Committees of the Church were prepared by the Secretaries of the respective Committees, and the historical statement and article as to distinctive principles of the Presbyterian Church were prepared by ministers of our Church. The summary of the acts of last General Assembly was prepared under personal direction of the Secretary, also all matters relating to the Sabbath-school and all statistical tables. The booklet contains 96 pages, and thirty-five thousand copies were printed and distributed at a cost of about $650.00. The usual donation of about 24,000 copies was made to our Sabbath-school workers and pastors, and thus the book went directly into the hands of the most intelligent and zealous body of workers in our church. The remainder of the edition was offered for sale at 2 cents per copy, which but little more than covered the postage cost.

During the past year we have issued a number of books of a high order of merit, and several tracts of unusual value were added to our list.

A notable book issued was "The Life and Letters of Benjamin Morgan Palmer, D.D., LL.D.," by Thomas Carey Johnson, D.D., LL.D. Three other books are worthy of special mention, as they are valuable additions to the religious discussions of the day. "The Sermon on the Mount," by Rev. John B. Shearer, D.D., LL.D., of Davidson, N. C.; "The Hand Book of Prophecy," by Rev. James Stacy, D.D., of Newman, Ga., and "The Call of the Home Land," by Rev. A. L. Phillips, D.D.

The total number of pages printed, including our periodicals, exceeded eighty-five million, an increase over last year of about ten million pages.

We have pleasure in announcing two new additions to the editorial staff this year: Rev. W. M. McPheeters, D.D., LL.D., of Columbia Theological Seminary, who is furnishing the Critical Notes on the lessons in the Old Testament for 1907, and Rev. D. K. Walthall, Ph.D., of Richmond, who will have the editorial direction of our new paper "Onward," commencing with the first issue July 1st, 1907.

We are glad to report an increase in the number of periodicals printed, and the loyal support given us by about 98 per cent of our Sabbath schools is very gratifying to our Committee. The total number of copies printed was 7,731,204 and the increase in single copies printed over last year was 158,910. Our circulation has now reached the point where the increase will be measured by the natural growth and development of the Sabbath-school work of the Church.

For thirty years, or since 1877, our Sabbath-school periodicals have been printed by one firm, Messrs. Whittet & Shepperson.

In renewing the printing contract for one year from July 1st, 1907, it was a matter of great regret to the Committee that Messrs. Whittet & Shepperson could not see their way clear to equal the bid of competing printers, but as it is our duty to conduct the affairs of the Committee on a business basis, we felt constrained to award the contract to another firm, which made a lower bid.

In our sales department we are pleased to report a substantial gain over previous year. We increased the volume of business at Richmond despite the fact that the patronage of four southwestern states was turned over to the new Depository.

The sales for the year ending March 31st, 1907, were as follows:

Sales in Book Department (including Depository)	$ 62,036 97
Sales in Periodical Department (including Depository)	66,965 96
Total sales for the year	$129,001 83
Increase over sales of previous year	$ 12,047 07

The net profit of the business department for the year was $13,550.20, an increase over last year of $1,486.98.

As shown in the statement explaining our Benevolent Work, we donated $12,660.01 of profits earned this year to supplement the offerings made by the churches and Sabbath-schools, which were totally inadequate to meet the large demands made upon us for help.

The profit showing for this year would have been larger but for the expense incident to advertising the new Depository and carrying it through its initial period.

The business department earns and pays the salary of the Secretary, the editorial staff of eight writers, the clerical force of Richmond office and branches, and all incidental expenses of conducting the business.

During the past year we have used in the Department of Sabbath-School Missions ten field workers, seven giving their entire time and three a portion of the year to the work. That they have rendered helpful service is the testimony of workers in many local schools visited, and the inspirational and educational value of Presbyterial Institutes held in every Synod is incalculable. During the past year we have had on our donation list 227 Sabbath-schools.

Over 10,000 children are gathered in these schools and such is the religious destitution in the communities and homes from which most of them come, that their only religious instruction is that given them by the faithful workers in these Sabbath-schools. Applicants for help reported that 105 of these schools were newly organized. A very hopeful and gratifying feature of this work is that these mission schools are constantly moving in the direction of self-support and they do not remain long on our free list if rightly directed by local leaders.

During the past year we gave 617 Bibles and 1,569 Testaments for perfect recitations of the Catechisms.

A study of the financial exhibit below of our benevolent work will show that we have again given back to the church the entire offering made for our work and added to the fund a handsome sum from our business department:

Salaries and expense of field workers	$14,357 54
Sabbath-school institutes	486 63
Printed matter and postage	1,100 55
Expenses of special collections, programs, envelopes, pins, etc.	920 78
Donation of books, Bibles, tracts, etc	6,991 52
Donation of Sabbath-school periodicals	3,371 18
Total expenditures for benevolent work	$27,228 20

Receipts for benevolent work for year ending March 31st, 1907:

Received from 1,117 churches	$ 8,555 87
Received from 794 Sabbath-schools	6,357 20
Received from miscellaneous sources	227 31
Total receipts for the year	$15,140 38

Excess given to the Benevolent Fund by the Business Department of Publication Committee, $12,087.82.

In 1906 we received bequests amounting to $4,000.00. We gave $4,829.00 to Benevolent Fund in excess of offerings of churches, and $829.00 in excess of amount received from all sources.

There were 2,019 churches and 1,506 Sabbath-schools that failed to heed the Assembly's directions as to our benevolent work, and the churches gave $1,513 and the Sabbath-schools $814 less than one year ago, a total decrease of $2,327.

It must be made clear that the enlarged business we are doing calls for increased capital, therefore a larger part of the earnings of the Business Department must be reserved for this purpose. This being true the benevolent work we are doing must be curtailed *unless the church raises the amount asked for by the Assembly.*

The churches, while making an increase, have not in the past five years made the same relative growth in their offerings as the Sabbath-schools.

About 40 per cent of the total number of our schools (2,300) now contribute, while only 35 per cent of the total number of churches (3,136) made an offering last year.

We recommend that the Assembly ask that $25,000.00 be contributed for our benevolent work next year and that our Committee be empowered to prorate this amount among the Presbyteries.

Following our fixed custom of reporting non-productive assets at a nominal figure, we reduced the value of the old stock of stereotype plates from $3,000 to $2,000. The original cost of these plates was over $40,000. A further reduction of $500 was made in furniture account and we charged Profit and Loss with $42.99 for a small lot of accounts found to be uncollectible. We also charged Capital with $1,394.00, the invoice value of a lot of unbound books which the Assembly of 1906 authorized us to eliminate from our assets.

Abstract of the Report of the General Superintendent of Sabbath Schools and Young People's Societies.

The office work of this department necessarily grows as the work expands in different directions. The General Superintendent has given fully as much time to field work as was wise. It is necessary for him to give personal attention in the office to many of the details of correspondence, organization, teacher training, missions in the Sunday-school, Covenanters, Miriams, the Brotherhood, and the preparation of leaflets for giving information.

There does not seem now to be a need for new agencies to prosecute this great work. One of the most difficult problems connected with it is the personnel and work of the Presbyterial Committees. The membership of these committees changes frequently. It is almost impossible to get any one to notify us of these changes. The work and influence of the committees are hindered by their failure to meet and give adequate attention to all details and form a definite policy.

In quite a number of Presbyteries these conferences have already been held with encouraging results. A plan is now being perfected by which it is hoped that more extensive use of exhibits of literature may be made. During the last five years, through the strong co-operation and initiative of Secretary Magill, we have improved our conception of the utility of these exhibits. At present we have five large exhibits in almost constant use.

Rev. A. O. Browne, Texarkana, Ark.-Tex., District No. 3, and Rev. Wm. Megginson, Nashville, Tenn., District No. 2, have continued without serious interruption to labor for our cause. Rev. M. B. Porter, in District 1, entered on this work May 1, 1906. It gives the Executive Committee great pleasure to testify strongly to the zeal, wisdom and efficiency and self-denial of these brethren.

From the Presbytery of Nashville a substantial sum of money was sent to our treasury with the request that a certain portion of it be spent for special work in its bounds. Accordingly, Revs. G. O. Bachman and Lewis Collins were paid at the request of the Presbyterial Committees to conduct several institutes. Their work was done with marked efficiency and substantial results.

Rev. H. C. Brown has continued to do faithful work in Bedford County,

Virginia, and Messrs. J. E. Robinson and R. E. Piercy in Yancey County, North Carolina. Mr. Robinson has accepted the superintendency of the mountain mission work of Knoxville Presbytery and will sever his connection with us April 1st. The Presbytery of North Mississippi, feeling its own need, has called Mr. Wm. McBride, a ruling elder, from a lucrative business to be Sunday-school evangelist for the Presbytery. He has begun his work, which is full of promise for the immediate future.

The following are results in figures:

Considerable progress has been made during the year in the training of Sunday-school teachers. The nature of this work, its necessity and method have been faithfully proclaimed at every institute.

Some classes and individuals have studied the Course who have not registered in our office. Certificates have been issued during the year for the completion of the first year's Course, and diplomas have been awarded for the completion of both years' Courses. A Course of Reading is being carefully prepared for those who wish to continue their studies after graduation.

Experience has demonstrated the fact that our Teachers' Training Course needs revision, plans for which were submitted to the Board of Publication and Sabbath-school Work of the Presbyterian Church, U. S. A. The General Superintendent has been invited to do this essential work for some five Presbyterian denominations, now syndicating the books.

Throughout the whole country there is a growing disposition to supplement the International Uniform Lessons with lessons on Church history and doctrine and on the structure and history of the Bible. Here and there throughout our Church, schools are making use of our Manual of Graded Course of Instruction. Some schools are using it almost as it is presented. Others modify it in various ways to suit local conditions. The Manual is intended as a guide, and its Courses are adaptable to widely varying conditions.

One of the most encouraging signs of the times is the continued agitation in favor of definite instruction in Missions in the Sunday-school. Literature on the subject is increasing. The organization of the school is being shaped with reference to missions, as well as other vital subjects.

So far as we can learn, there are 325 of our schools that close at the approach of winter. In a few cases, city schools close in summer.

The observance of Sabbath-school Day, the first Sabbath in October, is extending. Where careful preparation has been made, the schools experience substantial benefits from the day in advertising the school and awakening it to new effort.

By authority of the last Assembly a Sabbath in December was celebrated as Bible Day. The program was prepared by Rev. T. H. Law, D.D., one of the District Agents of the American Bible Society, which bore the expenses of printing and mailing. Undoubtedly, this is a movement in the right direction. There never was a time in the history of our country when the Bible was more needed than to-day. We need to give special attention to this matter. We shall try to make Bible Day count strongly this coming fall. Moreover, some provision should be made in every Sunday-school for intelligent efforts on the part of some one, especially appointed to see that at least every pupil in our schools possesses a worthy copy of the Bible, and brings it to the sessions of the school. Such an officer might further, through the co-operation of the pastor and others, conduct conferences in the interests of Bible extension and study. It is suggested that the Assembly approve the appointment of such an officer to be called Bible Extension Superintendent.

During the year closing March 31st, 1906, there were admitted to our Church upon confession 13,476 persons. In the presbyteries reporting that year, there were 6,096 pupils to join the Church on confession as compared with 5,846 in 1905.

For the coming summer, arrangements have been made for training schools at Montreat, N. C., July 14th-28th, and at Siloam Springs, Ark., August 20th-23rd. Negotiations are in progress concerning the location of one on the Cumberland Plateau in Tennessee, but it is probable that little can be done there this year. At Montreat we have arranged for a Training School for Sunday-school and Young People's Workers, which is to be the most complete effort that we have ever made. The faculty is composed of skilled workers and several of our leading ministers and laymen are to make addresses. Here, too, has been arranged a Conference on Men's Work in the Church, July 25th-28th, which has been so planned as to deal in a satisfactory way with the Eldership, the Diaconate and the Brotherhood. Moreover, we have planned for a Covenanter Camp for Boys at the same place, July 2nd-12th, 1907, at which boys from twelve to seventeen years of age may at a reasonable cost have careful instruction in the Bible, in Covenanter work and in Nature Study, besides having carefully planned recreation, all under skilled leadership.

During the past year we have made a small appropriation to encourage the training of young pastors in Sabbath-school government in three Seminaries, purposing to extend the aid to all during the coming year if our funds justify it. This was extended on the condition that the students be required to attend this instruction and to pass an examination on it, as upon other subjects regularly taught.

During the year there has been no notable advance in the work of our Young People's Societies. In a great many of the churches there are missionary organizations of various names and degrees of efficiency, which are instrumental in doing great good. There are Christian Endeavor Societies, Westminster Leagues, Covenanter Companies and Miriam Chapters scattered about here and there. There are now forty-two Brotherhoods (up to April 1st, 1907), with 1,197 members.

Impressed with the need of special effort to increase the number and efficiency of these societies, we sent out two young men, just graduated from Davidson College, to labor under Presbyterial supervision during June, July and August, 1906. Itineraries were laid out for them in Concord, Mecklenburg, Enoree, and South Carolina Presbyteries.

The General Superintendent has continued to serve actively as a member of the Board of Managers of the Young People's Missionary Movement. He aided in the conduct and instruction of the Fourth Southern Young People's Missionary Conference held in July, 1906, at Kenilworth Inn, near Asheville, N. C., also in a similar Conference for the Southwest, held at Siloam Springs, Ark., in August.

The Executive Committee has prepared a constitution and other literature necessary to the organization of the Presbyterian Brotherhood for Men. This was done with much care after investigation of the kinds of work done by various men's organizations. The Model Constitution is not intended to be a set of cast-iron rules, but rather a Manual of suggestions, from which selections may be made to suit varying conditions of the congregations.

Abstract of Report of Editorial Department.

Issue of Sabbath-school periodicals in single copies have been 7,738,204, which is 168,910 more than the year previous.

The editor-in-chief retains the editorial supervision of all our Periodical literature. He prepares the whole of the Quarterly and the "Home Department Quarterly" and with the assistance of the other editorial writers, the "Earnest Worker."

We are glad to secure the important assistance of Rev. W. M. McPheeters, D.D., of Columbia Theological Seminary, whose scholarship and standing as Professor of Oriental Languages in that institution, and whose literary experience in many ways give him special qualification for the work of preparing our Critical Notes upon the Old Testament. The Rev. D. K. Walthall, Ph.D., of Richmond, Va., has been secured to do the special editorial work which is necessary in connection with our new paper, "Onward;" and as the "Colors" is to be discontinued and merged into this new paper, Dr. Phillips was released from the tax upon his already over-crowded time, which the editorial oversight of the "Colors" demanded.

Since the addition of the "Junior Quarterly" in July, 1904, to our series of Lesson Helps they have presented the same regularly graded treatment of the International Lessons which has been one of their distinguishing features. Our aim is to present the lesson treatment for every grade of Sabbath-school scholars with the same simplicity, and yet with the same thoroughness, as would be expected in a corresponding grade of text-book in the secular schools.

We have every reason to believe that our lesson helps are accomplishing the end at which they aim in aiding and training a constantly increasing number of devoted students of God's word. We have evidence of the acceptance with which they are meeting not only in the steady and substantial increase of our subscription lists, embracing about 96 per cent of our Sabbath-schools who are using our own lesson literature; but we also notice with much gratification the fact that during the year past there has come to our office almost no word of dissatisfaction or criticism.

We expect to make no material change in the character of our lesson helps during the year. Already we are furnishing a series as well prepared and attractive, both in quantity and quality of matter and in general appearance, as any series of lesson helps that can be obtained anywhere in this country. And our prices are lower considerably than those charged for similar grades of lesson helps in many of the larger denominations. For example, the Quarterlies of the Presbyterian Board cost 16 cents per year in school subscriptions, and 20 cents a single yearly subscription, for their entire series from the Senior Quarterly down to the Primary Quarterly, while ours cost 12 cents per year in school subscriptions for all our Quarterlies, except the Primary, which costs 8 cents per year.

"Onward" is the name of our new eight-page paper for young people, the publication of which we expect to begin in July. It is for young people, not for children, and will fill the same place for religious and Sunday reading in the hands of boys and girls and young men and women, which is filled by the well-known "Youth's Companion" and similar papers in the line of literary and secular reading.

We consider ourselves providentially guided in forming a syndicate arrangement with the United Presbyterian Board of Publication at Pittsburg, Pa., which is the Sabbath-school and publishing agency of the United Presbyterian Church, the Covenanter Branch in the Presbyterian family North.

The paper will be an eight-page, four-column periodical, issued every week during the year, mailed on Monday, so as to reach every part of our territory before the following Sunday. The contents will be varied, consisting of original stories, of incidents of travel and of history, and of other contributions intended to develop the Christian character and stimulate the activities of our young people. There will be a special page devoted to the interests of young people's societies, such as the Covenanters. the Miriams, the Westminster Leagues, the Christian Endeavor, as well as of distinctly Missionary Societies, devoted to the cause of Home and Foreign Missions. The young people's page will contain the regular treatment of the young people's prayer meeting topic for the week, and there will be suggestions as to plans of work, as well as selections which may be made use of by being read or recited at young people's meetings. The last two pages of the paper will be devoted especially to the interests of our own Church, and will present in a general way information from our Executive Committees designed to increase the interest of our young people, and direct their activities toward each of the great departments of benevolent work in which our church is engaged. On these two pages also will be found from time to time, brief discussions of the doctrines and principles for which our Church stands. These will be in no way controversial or

partisan, but will be helpful in fixing the minds and hearts of our young people upon those truths which lie at the foundation of our existence as a church.

The subscription price of the new paper will be 60 cents for single subscriptions and 50 cents for school subscriptions or clubs of five or more. It is believed that at this very low figure we ought soon to have a subscription list running up to 25,000 or more; and that without diminishing to any appreciable extent the subscription list of the Children's Friend and Pearls. We must have, however, something like 25,000 subscribers in order to put the new enterprise on a paying basis.

Acting on the authority given us by the last General Assembly we have selected two Missionary lessons to take the place of two of the four Temperance lessons during this year. One of these is in the next month's lessons, the lesson for June 30th; the other is in December. Besides these two special Missionary lessons we take the opportunity to give special missionary treatment to every lesson which is susceptible of it.

V. ABSTRACT OF THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF COLORED EVANGELIZATION.

The events of the past year have strengthened the conviction that our missionary work for the negroes is a patriotic and Christian duty. The gravity of the general situation, the serious race riots, and the intolerable labor conditions in the South have at last induced many people to give earnest consideration to the claims of this Committee. There is a silent but powerful Christian consciousness beginning to assert itself in regard to the presence of the negro, and the central motive of that feeling is that the stronger race is largely responsible for the ignorance and immorality of the weaker.

In the clamor of many opinions there is fast crystallizing a well-defined belief that religion is the prime factor in all efforts to deal effectively with the race problem. Its restraints should influence the dominant race to patient dealing with the follies of the inferior; while the missionary spirit of Christianity should urge the wise to become the teachers of the ignorant.

Measured by the increased funds placed at the disposal of this Committee, the past year has brought some encouragement. The receipts by our treasurer have doubled during the past three years.

In 1903-4 the receipts were	$ 8,612
In 1904-5 the receipts were	10,700
In 1905-6 the receipts were	16,108
In 1906-7 the receipts were	17,399

To find the total amount reported by our churches, as given to Colored Evangelization, about $4,000 should be added to each annual amount stated above, that being the amount expended locally. Thus for the first time in the history of this Committee, the Church has given the amount asked for by the General Assembly, namely, $20,000.

The disbursements of this Committee during the past year, April 1, 1906, to March 31, 1907, amount to $15,737.58 as follows:

For Expenses of the Committee, Traveling, Printing, Salary of Secretary and Treasurer	$2,844 28
For Sustentation, Churches, Manses, etc.	5,844 23
For Stillman Institute, Current Expenses, Salaries and Permanent Improvements	7,049 07

The increase in the income of the Committee has enabled us to make substantial improvements in the buildings and grounds of Stillman Institute. The attendance now taxes the capacity of the buildings. We have unanimously resolved to ask the General Assembly to authorize the raising at once of a special fund of $15,000 for a new building, and other needed equipment.

The faculty now comprises Rev. W. E. Hutchison, Principal; Rev. B. H. Holt, and Rev. D. D. Little, while the Secretary has had a general supervision. The graduates this year number four, three of whom are Presbyterians.

The total number of students enrolled in Stillman Institute during this school year up to the first of April was fifty-six. The enrollment at the same date last year was forty.

Of the students enrolled this year there are twenty-one who, upon their own statements, are looking forward to the gospel ministry, several of them willing to consider the claims of the African mission field. Besides, there have been in attendance nine ministers in active service, most of them connected with the Baptist or Methodist Churches.

The deportment of the students has been excellent. Several have been hopefully converted during the year, and now all are professing Christians except five. The tuition fees have been paid with commendable promptness, and the amounts foot up larger than last year.

Many improvements have been made, and the condition of the entire plant shows a decided advance over that of the previous year. All the work has been done by student labor under the supervision of the instructors, and the carpenter employed by the school. The cost of the improvements made during the year has been something like $2,000. In the school-room work also advance has been made.

A regular Sunday night service was inaugurated at the beginning of the school year with preaching by the Superintendent and the instructors in turn. In February Rev. W. G. Woodbridge, of Avondale, was with us for a week, and preached every night, greatly quickening the religious spirit of the students. There have been during the year several helpful and stimulating missionary addresses by Mr. Painter, of our China Mission; Mr. Cameron Johnson and others; and lectures on subjects of general interest by friends outside the school.

Among the pressing needs of the school is a more adequate water supply. There is now but one well, which fails in a dry season, and one cistern. I am glad to say that arrangements are in progress for the boring of another well, from which we hope to get all the water needed for the farm, stock and the dwellings as well as for the dormitories and the kitchen.

The only important contribution we are making to the cause of general education among the negroes is at Abbeville, S. C., where Rev. E. W. Williams and his wife, both fine teachers, have had unusual succeess.

This property is valued at $5,000, and belongs to the General Assembly free of any incumbrance. The attendance last year was two hundred, half of whom were boarders, a number far in excess of the accommodations of the dormitory.

At Texarkana, through the exertions of Rev. A. M. Plant, and the generosity of the citizens, a good ten-room building has been erected for a girls' industrial school. We bespeak the interest and help of our people in liquidating a debt of $1,250 on this property, and in providing for running expenses. The enrollment this year is forty-six.

Rev. J. S. Morrow continues to preach and teach in the North Wilksboro school, and has had an enrollment of sixty. Nine others of our colored pastors have taught in or near their churches for some months of the year. The combined enrollment of these parochial schools has been about four hundred. We believe they have accomplished much good, as in all of them righteousness and good conduct are taught.

The evangelistic work is the most unsatisfactory branch of the work of this Committee. Reports from our colored pastors show that their churches are growing very slowly. It is possible, however, that too much is expected of these men. Few of us realize how fearful are the obstacles which confront these faithful men when they seek to raise the standards of church membership and home life. Their work, like that of the foreign missionary, cannot always be fairly estimated from the statistics.

We have now under our auspices fifty-three colored pastors, serving sixty-four churches. Of the two graduates of Stillman last year, Rev. Adolphus Rochester has been sent to our African mission, and Rev. Robert L. Roulhac has been settled at Selma, Ala., where a manse has been purchased and the work placed on a solid basis. Five of our ministers trained at Stillman Institute are serving as missionaries in Africa, and several others are preparing to go.

To our colored churches there have been added during the past year 112 members on profession of faith, and twenty-six by letter. There are 223 teachers and 1,828 scholars in their Sunday schools. They have contributed $1,511 to the support of their pastors, and $1,394 for buildings, repairs and benevolence. There are seven colored Presbyteries, and their churches report a membership of 2,046.

We estimate that there are some sixty mission schools in operation, in which about three hundred white teachers and two thousand pupils are enrolled. These schools share all the vicissitudes and discouragements of any missionary effort, and do not ordinarily succeed unless in each case there is some individual, who is willing to assume the burden.

The most conspicuous example of such success is found in the missions conducted by the Presbytery of Louisville, to which Rev. John Little devotes himself with unwavering zeal. We are co-operating with the Presbytery of Louisville in their work, and have assigned one of the Stillman graduates to that field, Rev. G. W. Nicholas.

There are now fifty volunteer white helpers in Louisville engaged in the Sunday schools and industrial classes. There are two places of meeting, one a rented storeroom and the other a church building owned by the mission. There

are 525 pupils enrolled in the Sunday schools, 204 girls in the sewing school, thirty-one girls in the cooking classes, forty boys in the carpenter shop, and a weekly attendance of 115 on the preaching services conducted by Rev. G. W. Nicholas.

By invitation of the managers of Montreat, the new Presbyterian summer resort, we have decided to hold there, during the month of August, a quiet and thorough conference of Christian men, upon the subject of colored evangelization, with a view to calling favorable attention to the plans of this Committee.

VI. ABSTRACT OF THE THIRD ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF MINISTERIAL EDUCATION AND RELIEF.

This Executive Committee has entrusted to it all the matters pertaining to both the causes of Ministerial Education and Ministerial Relief. All of the affairs are kept entirely separate except in so far as it is profitable to work them together. The office is equipped with the best of filing devices, and everything needed to facilitate the work and render it more efficient. By means of the economy in saving the salary of one secretary, we are able to secure the most competent office assistance without too greatly increasing the cost of administration.

The funds for Ministerial Education, Ministeriaal Relief and the Endowment Fund of Ministerial Relief are kept entirely separate.

During the year ending March 31, 1907, we have received from all sources for Ministerial Education, $24,600.95; for Ministerial Relief, $25,487.55, and for the Endowment Fund of Ministerial Relief, $126,387.76. We furnish below an exhibit that will doubtless prove of interest.

Comparative Receipts and Expenses for Five Years.

Year	Relief	Education	Endowment	Total	Expense	Per cent
1903	$17,015.42	$20,297.49	$ 2,871.62	$ 40,184.53	$4,988.32	.124
1904	19,803.37	21,409.83	13,767.24	54,980.44	6,433.15	.117
1905	22,448.17	20,008.87	3,927.61	46,384.65	6,359.06	.137
1906	25,758.76	27,432.85	34,665.96	87,857.57	6,758.95	.077
1907	25,487.55	24,600.95	126,387.76	176,476.26	7,675.70	.043

Ministerial Education.

The Secretary has visited many academies, colleges and churches to speak to young men concerning their life's work. Almost every college in the entire South has had addresses during the year on "Principals to Guide in Selecting a Life's Work," and "The Call of God to Christian Service."

We have continued to send out tracts on the theme, "A Call to the Ministry." We now have in the hands of the printer two excellent leaflets on this subject. Parents, pastors and teachers are requested to forward the names of boys and young men to whom they desire such literature sent.

Again we regret to report that the number of deaths in our ministry, and of losses through retirement from sickness and old age, exceeds the number of candidates who will be graduated from all the Seminaries in May.

Between 175 and 200 fields, which are able to support a pastor, are now vacant. Some of these groups comprise from two to six churches. With the proper pastoral oversight some of the fields might soon support two or three pastors.

We rejoice to report that there has been a decided increase in the number of Candidates since our last report. Indeed, in the past five years there has been a slow but steady increase. In 1901 there were 286 candidates reported by the Presbyteries; in 1902, 291; in 1903, 314; in 1904, 315; in 1905, 322; in 1906, 326; and there is every reason to believe that a much larger gain will be reported this year.

Your Committee is now in touch with 349 Candidates as against 332 last year. Some of these are to be received by the various Presbyteries this spring, while some will be licensed at that time. This report is made for the year ending March 31, while the reports of the Presbyteries extend to the time of their spring meetings.

Of the 349 Candidates, 134 are in the Seminary, 164 in College, 15 in Schools and Academies, while 36 for the present are at work.

Of the 134 in the Theological Seminaries, 41 are in the Senior Class, 47 in the Middle, and 46 in the Junior.

Of the 164 in College, 41 are in the Senior Class, 36 in the Junior, 46 in the Sophomore, and 41 in the Freshman Class.

Of the 51 remaining, 15 are in Academies, 14 reached the Sophomore Class, but are temporarily out of College, 18 have graduated from College. Not reported, 4.

We have been called upon to aid 223 candidates this year as against 195 last. The amount forwarded to these candidates was $22,077.50 as against $19,018.75 last year. The maximum amount of appropriation has continued to be $100.00 per year for each candidate who needs this amount.

Of the 223 candidates enrolled, 98 are in the Theological Seminaries and 125 in the Colleges.

The receipts for the past year are somewhat smaller than those of the previous year. This is partly accounted for by the fact that no legacies were received for the cause of Ministerial Education this year. The increased cost of living has caused most of the candidates to request the maximum amount of appropriation.

The Committee, in obedience to the instructions of the General Assembly, has continued to receive and disburse special funds from churches and individuals to Candidates designated by the same. This has somewhat increased the average amount forwarded to Candidates, which is now $99.00. Special gifts amounting to $200.00 were forwarded to students in Academies, whose Presbyteries were unknown.

The following table furnishes accurate information of the receipts to this cause, the number of Candidates aided and the amounts paid for the past five years:

Year	Amount Received	Candidates	Amount Paid
1903	$20,297.49	178	$15,459.10
1904	21,409.83	189	16,769.53
1905	20,008.87	190	18,381.84
1906	27,432.85	195	19,018.75
1907	24,600.95	223	22,077.50

Ministerial Relief.

The great material prosperity of our people and the active campaign that your Committee has been carrying on has brought encouraging results and gives brighter hope for her future.

We had on the Roll of Beneficiaries 43 ministers, 134 widows and 14 orphans. In these homes are 88 little fatherless children under 14 years of age. During the year eight ministers and six widows have been removed by death. Of the 35 ministers who now remain on the rolls the average age is 69 years and they have served Christ and our church 1,235 years, an average term of service of 35 years.

The Manual adopted by the Assembly provides that any minister over seventy years of age, who is in need, and who has served the church for a period in the aggregate not less than thirty years, shall be entitled by such service to draw from the Committee on Ministerial Relief an annual sum for his support without the necessity of being annually recommended therefor by the Presbytery. We have on this Roll of Honor twenty ministers whose average age is seventy-five years, and who rendered an average term of service of forty-six years.

None of those whom we assist received more than $400.00 last year. The average assistance to each family is $130.00.

The average assistance rendered the Honorably Retired Ministers is $225.00 per year. The average amount appropriated to other ministers is $177.00. The average amount paid widows is $116.00. The average amount furnished all those on the roll is $130.00 per annum.

The pensions furnished the disabled veterans and widows and orphans is in no sense a charity. The amount of funds available for this purpose is so small that it is necessary to consider not only the service rendered, but the need of those on our roll. All of them receive much less than is due them from the church they have so faithfully served.

Since our last report eight ministers and six widows have been gathered to their fathers. Last year eleven ministers and five widows were reported on the death roll. As the average age of the ministers on our rolls is sixty-nine years, and of the widows sixty-one, we can readily understand this large mortality. It furnishes this solemn warning, "What we do for these must be done quickly!"

During the year $25,487.55 have been received from all sources to the credit of the Annual Fund, as against $25,758.76 last year. There was a decrease in receipts of about $270.00, and an increase in the amount appropriated to the various beneficiaries of about $3,280.00. This leaves our treasury almost empty with more than $6,000 due June 30, before the time for the annual offering for this cause.

The following table exhibits the financial progress of this work and the number of beneficiaries for the past five years:

Year	Amount Received	Beneficiaries	Amount Paid
1903	$17,015.42	161	$14,413.42
1904	19,803.37	162	15,967.36
1905	22,448.17	164	18,364.75
1906	25,758.76	169	19,851.50
1907	25,487.55	182	23,140.00

The offer of Mr. Hugh T. Inman, an elder of the First Church, Atlanta, to give $100,000 to this Fund if the church would raise $125,000 in three years has aroused our people to enlarged liberality. Again we thank Him who put it into the heart of His servant to do this great thing. Already we have received $114,703.69 of the $125,000.00 needed to secure this large gift. Mr. Inman has paid $50,000.00 of the amount offered. As there was a fund of $25,000.00 when the proposition was made, we now have a productive Endowment of $189,703.69.

Some years before the war there was organized in the Synod of South Carolina a Society for the Relief of Indigent and Superannuated Ministers of the Synod of South Carolina. During that stormy period many of the securities were swept away. A small amount was saved, however, carefully guarded and profitably invested.

All of the officers passed away, with the exception of Mr. L. M. White, of Abbeville, several years ago. At the last meeting of the Synod, Mr. White reported that he had in notes and bonds more than $7,000 to the credit of this Society. He was ordered to close up the business and turn over the money to the Endowment Fund of Ministerial Relief. He was collecting the loans as rapidly as possible and had already remitted $2,629.05 to our office when he died. The remaining $5,000 will be remitted in the near future when the estate is settled. Mr. White showed great fidelity and ability in guarding and increasing this fund, and deserved the gratitude of the church for his labor of love.

Requests have been received for the form in which a legacy may be left to this cause.

The laws of the various states vary so much as to testamentary bequests that in making a will it is desirable to secure the services of a competent lawyer, but where this is not convenient, we recommend the following form:

"I devise and bequeath to the Executive Committee of Ministerial Education and Relief of the Presbyterian Church in the United States (commonly known as the Southern Presbyterian Church) the sum of $..... for the Endowment Fund of Ministerial Relief."

It is requested that the Secretary be informed of bequests for this sacred cause.

The Chairmen of the Presbyterial Committees have been very diligent and helpful in their work for the Endowment Fund. In many instances they have secured elders and deacons to visit the churches and assist in arousing

them to a sense of responsibility. We feel that special mention should be made of the work of Prof. W. S. Currell and Hon. Frank P. Glasgow, of the Presbytery of Lexington, for their untiring and efficient work in their Presbytery and the Synod of Virginia. Time forbids the mention of scores of others who have been helpful and kind.

We desire to record our thanks to the editors of the *Central Presbyterian*, the *Christian Observer*, the *Presbyterian Standard*, the *Southern Presbyterian* and the *Southwestern Presbyterian* for valued assistance to the success of our work.

VII. REPORT OF THE PERMANENT COMMITTEE ON THE BIBLE CAUSE.

The Permanent Committee on the Bible Cause would respectfully present to the General Assembly this, its fourth annual report.

The work of disseminating the Bible the last year has again been characterized by a magnificent opportunity to give the needy people of the earth this message entrusted to us for them. When Paul, standing in the midst of the cultured heathenism of Athens, wrote to the Church of the Thessalonians, "Brethren, pray for us that the word of the Lord may have free course and be glorified," appreciating the well-nigh insuperable difficulties which then stood in the way of circulating the Bible, he could hardly have dreamed of the great and effectual door which, in answer to the long continued prayers of the saints, is now opened up unto the Church of to-day. With the marvelous facilities for manufacturing the book; with the large number of versions of the Scriptures all ready for use; with the whole world wide open inviting entrance; with the people everywhere stretching out hands eager to receive the Bible; with God's signal blessing resting upon his word making it effectual; and with a well equipped agency all provided to carry it to the ends of the earth; surely we of this day have an opportunity to cover the earth speedily with the knowledge of the Lord which the Apostolic church little conceived of; and which ought to call forth our profound gratitude to God, and overwhelm us with a sense of our responsibility to him as His appointed trustees of the word that saves.

In view of this great opportunity brought immediately to hand, the American Bible Society, the agency set for the direct performance of this work, has gone forward with energy and zeal, to the extent of its ability, in distributing the printed word. It has issued during the last fiscal year, 1,910,853 volumes. And it is occasion of special gratification to us that this work has been particularly encouraging and successful in China, Japan, Korea and Cuba, where our own Church is largely engaged in missionary service, the marked progress of which is no doubt largely due to the wide circulation of the Scripture in these lands.

We rejoice, too, to be able to report that the financial condition of the American Bible Society has greatly improved the last year. While the contributions of the living have kept up to the higher mark attained in the last few years, legacies have again begun to flow into its treasury, and in such

dimensions as greatly to relieve its financial situation. This happy fact, which seems to be the providential counterpart of the great opportunity presented, encourages the Managers of the Society to press forward in the expansion of the work in the foreign field; and also to devise plans for the better supply of the destitute in our own country—a part of the work which, for lack of funds, has been too much neglected in recent years. The enormous influx of immigrants to share and promote the unprecedented material prosperity of our country, and the very rapid development of the new States in the West, make it exceedingly important that systematic measures for supplying the destitute among our own people should be undertaken and vigorously prosecuted.

The apportionment of $15,000 among the Presbyteries of our Church was made according to the instructions of the last Assembly; and we have reason to believe that the reports to the present Assembly will show improvement in response thereto.

The recommendation of the last Assembly touching the observance of a Bible Day in the Sabbath schools, also received due attention. The Chairman of the Committee, with the counsel and advice of the Assembly's General Superintendent of Sabbath-schools and the Corresponding Secretaries of the American Bible Society, prepared, and the Bible Society printed and sent out to the Superintendents of our Sabbath-schools, a program suitable for the purpose, and to be used as a closing exercise of the Sabbath-schools on any day that might be chosen; and the first Sabbath in December was suggested as the date, so as to secure concurrence in the movement. How far this exercise was observed, and with what results, we regret that we have been unable to obtain the desired information. But, as far as we have heard, the scheme seems to meet with favor; and we trust that a measure has thus been introduced which will eventually obtain a widespread observance and bring forth abundantly a rich return.

We, therefore, recommend that the Assembly continue the effort, and again call upon all our Sabbath-schools to observe annually a Bible Day; and that the first Sabbath in December be suggested as the date.

We recommend also that the Assembly again ask our churches to raise at least $15,000 the next year for the distribution of the Scriptures through the American Bible Society, whose great and noble work we commend to their hearty and liberal support. THOS. H. LAW, *Chairman.*

The undersigned members of the Assembly's Permanent Committee on the Bible Cause, in addition to the report given above, beg leave to express their sincere regret at the prospective retirement of Dr. Law from the office of Field Secretary of the American Bible Society. He has been a faithful and efficient agent, visiting the various courts of the different branches of the Church, and using every opportunity to present the Bible Cause in public and in private. In our judgment the sustained interest in the work among the churches is due in large measure to his ability, zeal and untiring diligence.

VIII. REPORT OF THE ASSEMBLY'S COMMITTEE TO REPRESENT THE PRESBYTERIAN CHURCH IN THE U. S. IN THE INTER-CHURCH CONFERENCE ON MARRIAGE AND DIVORCE.

Your Committee, consisting of Rev. R. W. Jopling, Dr. C. G. Vardell and Elder T. D. Kauffelt, and appointed by the General Assembly in session at Greenville, S. C., to represent our Church in the Inter-Church Conference on Marriage and Divorce, begs leave to submit the following report:

The National Congress on Uniform Divorce Laws convened in Philadelphia, November 13, 1906. This Congress is composed of duly authorized representatives from forty-one states and the District of Columbia. The purpose of the Congress was:

1. To reduce, as far as possible, the cause for which divorce is granted.

2. To formulate a code of uniform divorce laws, to be afterwards submitted to the legislatures of the states represented for their action.

3. At the outset it was distinctly stated that no state whose divorce laws are now more stringent than those formulated by the Congress is asked to revise same in the interest of uniformity.

This Congress, in recognition of the work done, the interest in the question and the ability of its members, before convening, invited the Inter-Church Conference on Marriage and Divorce to send four of its members as representatives of the Conference to sit and deliberate with the Congress. This invitation was accepted, and Dr. S. W. Diks, of Auburndale, Mass.; Bishop W. C. Doane, of Albany, N. Y.; Dr. H. C. Minton, of New Jersey, and Rev. R. W. Jopling, chairman of your Committee, were appointed and attended all the sessions of the Congress.

When the Congress convened it was soon made manifest that it was in a "strait betwixt two." On the one hand, there was manifested a desire on the part of the Congress to formulate a code as near as might be in conformity with the Biblical law on divorce; on the other hand, it was recognized that it must formulate a code such as would give a reasonable expectation of its adoption by the legislatures of the states represented, to which it must be referred when formulated, else the whole work of the Congress would be in vain. The Scriptures are strict on the matter of divorce; in most of the states public opinion on the subject is lax and tolerant. Hence the code formulated by the Congress is a compromise between the law which the Scriptures enjoin and the Congress desired, on the one hand, and what, in the judgment of the Congress, the legislatures of the states represented would sanction, on the other. It is left for the churches to tone up public opinion, and then it is hoped that another Congress will be convened and a stricter code formulated.

At this time divorce is granted in the United States for almost "every cause." To be definite, there are just exactly *twenty-five* different causes for which divorce is now granted in the United States. Of course, no single state grants divorce for twenty-five different causes. The causes recognized in the various states aggregate this number. In the code formulated by the Congress there are just six causes for divorce recognized, namely:

1. Adultery.
2. Bigamy.
3. Conviction of felony, followed by continuous imprisonment for at least two years.
4. Intolerable cruelty, such as to endanger the life of either party.
5. Wilful desertion, for two years, and,
6. Habitual drunkenness for two years.

It will be seen that while these causes number six they are really but five, since adultery and bigamy are one and the same in essence. This code is not yet what we would have it, but no one will deny that it is a vast improvement over existing laws, and a long stride in the right direction, since it eliminates nineteen different causes for divorce.

Besides this, other statutes were included in the code as safeguards against abuse and to render divorce more difficult. Among these we mention the following as of special importance:

1. One to prevent divorce by collusion of parties.
2. One to prevent divorce upon the mere confession of a party, requiring clear proof of guilt apart from such confession.
3. One requiring notice of suit for divorce to be brought home to defendant, when possible, so that defendant may have his or her day in court.
4. One requiring all proceedings for divorce to be held in open court, and not in secret before a commissioner, as is now done in some states.
5. One requiring the State's Attorney actively to resist divorce in all cases where the defendant is not present and resisting.
6. One designed to abolish migratory divorces by requiring a two years' residence before proceedings for divorce can be instituted, and forbidding divorce in one state for cause arising in another, except when such cause was a ground for divorce in the state in which it arose.
7. One designed to abolish hasty divorce in order to marry another, by requiring in all divorces the lapse of one full year after the decree of divorce is entered before the divorce is made effective.

All these are salutary safeguards and are marked improvements over existing laws.

This code has now been formulated and submitted to the legislatures of the forty-one states represented in the Congress and to the proper authorities in the District of Columbia, for their action, and it is confidently expected that it, substantially as formulated by the Congress, will in a few years become law in most, if not all, of these states.

We may also mention the fact that pursuant to an act of the United States Congress the Census Department in Washington, D. C., is now engaged in the work of gathering the divorce statistics for the whole of the United States from 1887 to 1907, and that these Statistics will be gathered annually hereafter, so that we can all keep posted on the subject. These statistics have already been gathered from 1867 to 1887. While the work will not be completed until summer, sufficient progress has been made to form the basis for a conservative estimate. It is regarded by the authorities safe to say that in the last twenty years approximately 1,200,000 divorces were granted in the United States—an average of 60,000 divorces per year. For the twenty years

preceding this period (1867 to 1887) 238,000 divorces were granted in the whole country—an average of 11,900 per year. For the first period (1867 to 1887) there were thirty-three divorces to every 100,000 of population; for the latter period (1887 to 1907) there were about seventy divorces to every 100,000 of population—an appalling increase.

The Inter-Church Conference on Marriage and Divorce convened in New York on April 10, 1907. Mr. T. D. Kauffelt and Rev. R. W. Jopling, of your Committee, were in attendance. Dr. C. G. Vardell was unable to be present.

Reports were made from all sections of the country and a number of stirring addresses were made. The conference made a comprehensive and careful review of the whole situation. The evil is still very great, but a strong tide of reaction has set in and the outlook is distinctly encouraging. The whole people are being awakened to a sense of the enormity of the evil and the greatness of the danger. This is manifested by the enactment of more stringent laws in several states, notably in South Dakota, that Mecca for the ill-mated; by the assemblage of a National Congress on divorce composed of duly authorized representatives of forty-one states and the District of Columbia; by an awakened press, and a more active and energetic pulpit. We confidently expect to see the evil greatly reduced in a few years.

The conference was unanimous in the conviction that after all, laws play, and can play, but a minor part in the eradication of this evil.

The real remedy is a moral tonic to be administered internally to the whole people, which, working from within outward, will first purify the heart and then the life of the people. So long as men regard all manner of divorces as honorable, it matters little how stringent soever the laws may be, men will seek divorces for all manner of causes, and find ways to evade the law. When men recognize the fact that all manner of divorces, save as allowed by the Scriptures, are dishonorable and disgraceful, it matters little how lax the law, divorce will be unpopular and infrequent. It appertains to the Christian Churches to administer this moral tonic and to create and maintain a high moral tone, and it appertains to this conference, composed of representatives of the Churches, to devise and suggest to the constituent churches through their respective representatives the ways and means best calculated to elevate the moral tone of the people and thus repress and destroy this evil.

The conference, therefore, decided to adopt a plan for active and aggressive work on moral lines. To this end all the papers submitted to the conference, including one drawn by the chairman and approved by all the members of your Committee, were referred to the Executive Committee with instructions to give them early and careful consideration, and recommend a plan of action as soon as possible. When the Executive Committee is ready to report, another meeting of the conference will be called and a definite plan of work will be approved and reported to the Churches.

Your Committee would ask the Assembly:

1. To recommend great care and vigilance in the observance of our law on divorce by all of our ministers and people.

2. To continue your Committee.

Respectfully submitted,

R. W. Jopling, *Chairman.*

IX. REPORT OF THE *AD INTERIM* COMMITTEE ON SUMMER BIBLE SCHOOLS, AT MONTREAT, N. C.

The *Ad Interim* Committee appointed by the last General Assembly to consider and report upon the matter of Summer Schools for the study of the Bible, Theology, and Christian Work, at Montreat, N. C., would respectfully report to the Assembly in session at Birmingham, Ala., May, 1907, as follows:

The committee met at the call of the Rev. Dr. J. R. Howerton, after ample notice, at Montreat, N. C., June 29, 1906, the following members being present:

From Alabama—J. G. Snedecor, R. H. Agee.

From Georgia—S. L. Morris, T. E. Converse.

From Kentucky—F. B. Converse, H. H. Sweets.

From Mississippi—W. C. Wells.

From North Carolina—J. R. Howerton, G. H. Cornelson, R. P. Smith, M. D. Hardin, W. T. Waller, H. L. Smith, Jno. F. Love, T. B. Bailey, A. C. Miller, J. R. Young, R. O. Alexander, R. G. Vaughn, J. D. Murphy.

From South Carolina—W. M. McPheeters, T. H. Law, T. J. Moore.

From Tennessee—S. H. Chester, R. A. Webb.

From Texas—W. W. Reid, T. R. Sampson.

From Virginia—W. W. Moore, C. P. Janney, R. S. Cohn.

The members of the committee spent several days at Montreat inspecting the situation, testing the climate and considering the object of their visit; and the committee met from time to time and in formal session, investigated and discussed the project set before them. As the result of this careful and thorough-going inquiry, we would state to the Assembly,

1. That we find the situation most admirably adapted to the purpose proposed. It is centrally located as to the territory of our church; accessible by the Southern Railway, which runs three first-class passenger trains daily, each way, on its line from Chattanooga and Knoxville to Salisbury and Washington, within two miles of the spot; and lies in the heart of the Blue Ridge Mountains, 2,500 feet above the sea level, with towering mountains all around. Its climate is superb, the air light and cool and pure; and its healthfulness unsurpassed, with its pure water and salubrious breezes.

2. That the Mountain Retreat Association, a corporation chartered by the North Carolina Legislature, holds an option on the property, consisting of some 4,000 acres of land, most of it in original forest, a commodious hotel, a neat and comfortable church and school building, and controls the whole watershed of the place, securing future protection. And this valuable estate, offered on what we deem reasonable and fair terms and conditions, it is proposed shall be purchased by *bona fide* occupants, chiefly Presbyterians, who shall find here a suitable and profitable summer resort for their families, in which they may procure rest and recreation in a delightful climate and amid proper and salutary environments

3. That it is the purpose of this association to establish, control and operate, under the auspices of our Church, schools for Bible and Theological study, Sabbath-school teacher training, and other Christian work, especially as called for in the service of our own church, such schools to be under the direct control and management of the Mountain Retreat Association, conducted without ex-

pense to our Assembly, but reporting to it through its Executive Committee of Schools and Colleges in order that the Assembly may have a general oversight of the work organized and performed.

In view of these facts, your committee regards this project as exceedingly opportune, and most important to the welfare and progress of our church, which needs just such a provision for the freshening up in theological studies by our ministers, the exploiting of the departments of Christian work as conducted by our executive agencies, the promotion of Sabbath-school and young people's work, and the ventilation of other plans of Christian service. And we heartily recommend the Assembly that it give its countenance, encouragement and moral support to the enterprise. The committee is entirely unanimous and hearty in submitting this report. W. W. Moore, *Chairman.*

Thos. H. Law, *Clerk.*

XI. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM.

PHILADELPHIA, PA., May 7, 1907.

To the General Assembly of the Presbyterian Church in the U. S.:

FATHERS AND BRETHREN: The Western (American) Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, Western (American) Section, respectfully presents to your reverend body its Annual Report.

I. MEMBERS DECEASED.—The Commission places on record first of all its deep sense of sorrow over the loss of five beloved members of the Section: The Rev. David Steele, D.D., of the General Synod of the Reformed Presbyterian Church; Rev. J. Addison Henry, D.D., of the Presbyterian Church in the U. S. A.; Rev. Francis R. Beattie, D.D., of the Presbyterian Church in the U. S. A.; Rev. Alexander Gilchrist, D.D., of the United States Presbyterian Church, and Mr. Peter Dick, of the same Church. These brethren all were faithful in duty, and the work of the Commission will long be blessed by the results of their devoted labors.

II. MEETINGS.—The Commission during the ecclesiastical year just closed has held but one meeting, convened at the Third Presbyterian Church, Pittsburg, Pa., on February 19 and 20, 1907. The attendance of members was good, the spirit of the gathering hopeful, and the hospitality of Pittsburg, as always,

generous. On the evening of February 19, the Commission was welcomed at a reception and dinner given in its honor by the Presbyterian Union of Pittsburg and Allegheny, the President of the Union, the Rev. S. B. McCormick, D.D., LL.D., Chancellor of the Western University of Pennsylvania, in the chair. Wednesday evening, February 20, a popular meeting in the interest of the Alliance was held in the Third Presbyterian Church, towards the success of which the Rev. William L. McEwan, D.D., the pastor of the Church, and the kindly host of the Commission, largely contributed.

At the meeting a number of subjects were considered, and the following were deemed of such pressing importance as to be worthy the consideration, and, in some cases, of action, by the Supreme Judicatories of the Churches of the Alliance.

III. Foreign Missions.—With each year it becomes more apparent that the Christian Church at home cannot furnish sufficient missionaries for the evangelization of the heathen peoples, nor can sufficient physicians be sent from the home lands to supply the need on Foreign Mission fields. Three hundred thousand physicians are needed alone for China. The United Presbyterian Church has recently been appealed to, to send out over four hundred missionaries for their fields in Egypt and in India. Equally great need is felt on all mission fields. The only possible way of meeting the need is the establishment of well-equipped schools, seminaries, colleges and hospitals for the raising up of a native ministry, native teachers, and native physicians. And to do this efficiently demands on the part of all our Churches wise and hearty coöperation.

Attention is called to the fact that the formation of the Independent Synod of China, including nearly all the Presbyterian Missions in that great country, is making progress.

The Reformed Church in America reports that the Synod of South India has entered into negotiations, which promise to be successful, for union with the Churches of the London Missionary Society, and of the American Board in the Madura and the Ceylon Missions. The Synod of South India assented to the plan for the organization of the Presbyterian Church of all India, with the reservation that it would be at liberty to conduct negotiations, and, if possible, come into closer union with the bodies mentioned.

Attention is also called to the very remarkable Conference in Cairo, Egypt, last year, of missionaries to the Mohammedan countries throughout the world. The purpose of this Conference was to unify and direct missionary effort along the most practical lines for the evangelization of Mohammedan peoples. And a significant indication of the spirit of unity and coöperation, is the Centennial Missionary Conference in Shanghai, April, 1907, of all Protestant missionaries in China, in commemoration of the one hundredth anniversary of Protestant Missions in taking the Gospel to an Oriental people.

IV. Home Missions.—All the Churches are awakening to a deeper sense of responsibility for our country. It has been too much assumed that this is a Christian land and that all the people are within the reach of the Gospel. It has been overlooked that the conditions in America are peculiar, and call for the utmost energies of the Churches to make it a thoroughly Christian land, and to enable it to fulfill the high commission given to it in its relation to the world. We are an unsettled people; there is a continual outflow from the

older parts of the country to the new; we are yet in the building period of the nation. Over a vast territory there are springing up new communities, and into these new settlements all the forces of evil enter at once and with intense energy. The Churches see and feel this more deeply than ever before, are organizing their work more perfectly, are giving more largely for its support, and are selecting their missionaries with more care.

There is also a great advance in the evangelization of the alien population, which comes to us a million strong every year. The interest in their conversion and elevation is steadily and rapidly growing on the part of all our churches.

V. Sabbath-school and Young People's Work.—There is decided advance shown in these twin branches of Christian effort. The following lines of endeavor are noted:

a. The Adult Bible Class Movement.—The International Sabbath-school Executive Committee, meeting August 8 to 13, 1906, at Winona Lake, Ind., created as a part of its organization work an "Adult Department," and urged all State, Provincial and Territorial organizations to do likewise; and on January 17, 1907, elected a capable "Superintendent of the Adult Department."

One of the greatest needs of the Sabbath-schools of to-day is the identification and coöperation of adults, both men and women, in the study of God's Word. The impetus of the new movement, to organize and conduct with enthusiasm and thorough teaching adult Bible classes, is being felt throughout our country and Canada, and a noble literature, including lesson helps, is being issued by all denominational publishing boards or committees.

b. Evangel Days in the Sabbath-school.—In January, 1907, the Sabbath-school Department of one of the Churches of this Alliance, inaugurated a vital movement called Evangel Days in the Sabbath-school. The appeal is made to all Sabbath-school leaders to consecrate the opening weeks or months of the year to united intercession and effort to bring all the scholars to the Lord Jesus Christ. Eminent statisticians tell us that at least two-fifths of all Sabbath-school scholars go out from the schools unconverted, remain until death unconverted, and are forever lost. These facts underlie the Evangel Days movement, which has been evolved out of prayer as to the means of stopping the procession of souls from the Sabbath-school to the outer darkness.

c. Training Schools for Lay Workers.—There is a movement in the Churches of the Alliance to provide institutions for the training of workers other than ordained ministers.

The general purpose of those interested is to prepare at least three kinds of Christian Workers:

1. Teachers and officers in Sabbath-schools.

2. Other lay workers, such as lay evangelists, pastors' assistants, leaders of brotherhoods, and Sunday-school missionaries.

3. Deaconesses and women who desire to be trained for church work or for missionary work in city, home and foreign fields. The Alliance cordially commends this new movement to the active coöperation and support of the members of our Churches, referring the question of how this training shall be given to the venerable General Assemblies and Synods of our several Churches.

d. The Brotherhood Movement.—The last year has witnessed a still further development of the organization of men in the Reformed Churches holding the

Presbyterian System. Especially has the United Presbyterian Church shown practical earnestness in stimulating and directing Men's Work. The first convention of the Presbyterian Brotherhood of the Presbyterian Church in the United States of America, was held in Indianapolis, November 13-15, 1906, was characterized by profound interest and enthusiasm, and steps were taken to establish a permanent organization.

The following recommendations are made:

1. The Western Section of the Alliance recommends to the highest judicatories of its constituent Churches to further, by such measures as their wisdom shall determine, the Adult Bible Class movement, designed to secure the identification and coöperation of men and women in the study of God's Word.

2. The attention of the Supreme Courts of the Churches is called to the importance of making instruction and training in Missions, home and world-wide, an integral and essential part of the Christian nurture of children and youth, and of combined effort by our Sabbath-school Boards and Committees, and by all Sabbath-school leaders, both denominational and interdenominational, to place missionary teaching and work in its true position in all our schools.

3. Deeply realizing that the great purpose of our Sabbath-schools is to bring to Christ, edify in Christ, and to train for Christ's service all the members, this Section affectionately requests all the Churches, through their General Assemblies or Synods, to call upon their Sabbath-school workers to make the immediate salvation of the scholars the chief burden of their prayers and the object of their work within and without the schools.

VI. The Churches of the European Continent.—1. *Bohemia.*—The first Continental Conference of the Alliance was held in August, 1906, at Prague, in Bohemia. The Rev. J. I. Good, and the Rev. Prof. Philip Vollmer, of Philadelphia, of the Reformed Church in the United States, were present as representing the Western Section. Two of the Churches of the Section each sent a delegate—the Canadian Presbyterian Church sending Rev. Prof. Monro, of Halifax, Nova Scotia, and the United Presbyterian Church, Rev. Dr. McClurkin, of Pittsburg. The Conference was a decided success. The Bohemian work is an encouraging condition, and needs the stimulus of our sympathetic aid.

2. *Russia.*—The great country of Russia seems at last to be enjoying the blessings of religious liberty. This opens up many millions to receive the Evangelical Gospel. There are two bodies in Russia who have come out of the Greek Church, the Molokani and the Stundists. Each of these bodies has split, into a Baptist and a Presbyterian section. It is the evident duty of our Churches to care for the brethren of our faith and order, and so to support them that they may become agents for the spiritual regeneration of their land. Immediate efforts are necessary. The attention of each Church in this Alliance is asked to this great and important opportunity, and the suggestion is made that they call the attention of their Missionary Boards to it, or, better, appoint Committees on European Work to attend to the matter. A Continental Committee, such as is in existence in the Scotch and English Presbyterian Churches, is very effective. The one field that is not covered by our Churches is that of the Continent of Europe.

3. *France.*—The Commission considered quite fully the situation in France,

and prepared and forwarded a letter of fraternal greeting and sympathy to the Reformed Church of France. The separation between Church and State in the country has seriously affected the financial interests of the Reformed Church, which has about 600,000 adherents, but has also brought to it the blessings of true liberty. The Commission adopted unanimously the following resolution, in relation to certain movements in our own country connected with France.

Resolved, That we sincerely deprecate the efforts in many places in our country by the Roman Catholic Church to produce sympathy for the Catholics of France, by charging persecution of the Church against the French Government. We believe that this charge is based on false assumptions, and that these efforts are revealing and developing a spirit contrary to free institutions and the true liberty of our land.

4. *English Services.*—The English services on the Continent maintained by the American Churches of the Alliance are two in number, at The Hague by the Reformed Church in America, and at Frankfort-on-the-Main by the Presbyterian Church in the United States of America. At The Hague religious services were held for three months last summer, from June 17 to September 16, by Rev. George S. Duncan, the audiences averaging from thirty to fifty.

Of the services at Frankfort, it is reported that they have been held during the entire year, winter as well as summer; and that a prayer meeting and Sunday-school have been established this year. The membership is about forty, and the attendance between fifty and sixty. The present pastor is the Rev. F. E. Simmons, formerly assistant at the First Presbyterian Church of Pittsburg, Pa.

VII. Defections in Church Membership.—This serious subject, dealing with a matter vital to the influence of the Churches, has received considerable attention from the Commission. Facts submitted show that every year from three to five per cent. of the communicant members of our denominations are lost to the Church by removals or by lack of pastoral oversight. As a result, in all our communities, there are many persons who ought to be but are not in an active relation to the Churches. The following suggestions as to Church guidance and oversight are made:

1. Care should be taken to exhort those who are changing their location that they be faithful in attendance on Gospel ordinances, and especially that they be prompt in joining another congregation of Christ's people.

2. Members leaving a congregation should be furnished in every case with certificates of standing and dismission. Where there is neglect in applying for these, church officers should take the initiative by urging the application.

3. Each congregation should have a Committee charged to be on the lookout for visiting church members, to extend to them a fraternal greeting, and to assure them of a cordial welcome to the place of worship and to all the privileges of the congregation.

4. Might not a bureau be established at some central point by the Evangelical Churches, and given as its sole business the supervision of church members in process of removal to new places?

VIII. Canada.—The Union movement in Canada, affecting the Presbyterian, Methodist and Congregational Churches, has large interest to the Alliance because of the prominent part taken therein by the Presbyterian Church of

Canada. These three denominations have been conducting negotiations for about four years through officially appointed Committees, and during the past year the conferences have included representatives of the Baptists and of the Church of England in Canada. The doctrinal standard proposed is largely patterned after the Brief Statement of the Reformed Faith adopted by the General Assembly of the Presbyterian Church in the United States of America. The Polity provides for the government of each pastoral charge, which is the unit of organization, by a Board in charge of spiritual interests, and coöperative efficiency is secured by governing bodies known as the Presbytery, the Annual Conference, and the General Council. The pastoral relation is to be without time limit, and ministerial support aims at a minimum salary of $1,000 and a manse. Up to the present stage the utmost harmony has prevailed in the discussion of details, and the most generous Christian spirit has been manifested. The negotiations have been a revelation to the Canadian Churches and, in their trend, are a sign of the spirit of the times.

IX. The Cumberland Presbyterian Church.—Since the last report the Cumberland Presbyterian Church has been united with the Presbyterian Church in the United States of America, and the Commission, therefore, at its recent meeting, recognized this fact, and added the representatives of the first-named Church to the list of members of the second upon the Roll of the Western Section.

X. The Calvin Anniversary.—The Executive Commission draws the attention of the Churches in the Alliance and of all lovers of true progress to the approaching Four Hundredth Anniversary of the birth of John Calvin. The Reformer was born at Noyon, Picardy, France, July 10, 1509. His life was lived during one of the most important and crucial epochs of human history. In the Providence of God he was one of the most potent forces of his day for human progress, and his influence continues in the present, and will abide in the future, a great power for the welfare of mankind. Men of all classes of thought and of all nations recognize his greatness. Particularly was he influential in setting in motion those forces which have resulted in the formation of the American nation. Great historians speak of him as the founder of the United States. While thus connected, however, with the American Republic, the great Genevan had and has a vital relation to all Christian nations. No man of his age has been more influential in securing civil and religious liberty, the development of popular government, the secular progress of man, the reformation of the Christian Church, the development of religious thought along true lines, and the general advance of the Kingdom of God in the world. It is recommended:

That the Supreme Judicatories of the Churches in the Alliance be requested and urged to take steps for the general observance by all their congregations of the four hundredth anniversary of the birth of John Calvin.

XI. The Ninth Council of the Alliance.—This Council has been appointed to meet in New York City in the year 1909. The Committee on Programme, the Rev. D. J. Burrell, D.D., of the Reformed Church in America, *Chairman*, has been directed by the Commission to make the Four Hundredth Anniversary of the birth of John Calvin a prominent feature of the exercises. This coming Council will represent the nearly ninety national and denominational Churches

of the Reformed Faith and the Presbyterian Order throughout the World, and a constituency of about thirty millions. Your Church as a member of the Alliance is entitled to choose representatives therein, as indicated by the table given below. The table also gives the amount which each Church in the Western Section of the Alliance is requested to contribute towards the expenses of the world-wide work of the Alliance as a whole:

	Representatives in Council	Annual Payments
Presbyterian Church in Canada	19	$ 380
Presbyterian Church in U. S. A., including the Cumberland Presbyterian Church	97	1,940
Presbyterian Church in U. S.	19	380
Reformed Church in America	11	220
Reformed Church in U. S.	21	420
United Presbyterian Church	16	320
Reformed Presbyterian Church, Synod	2	40
Reformed Presbyterian Church, General Synod	2	40
Associate Reformed Presbyterian Church	2	40
Presbyterian Church of Brazil	2	40
Presbyterian Church of Mexico	2	40

It is urged that prompt steps be taken for the appointment of delegates, and that the names be reported at an early date to the Secretary of the Western Section of the Executive Commission.

XII. Apportionments.—It is respectfully requested that the apportionment of your Church for the annual expenses of the Alliance, as indicated above, be sent not later than August 1, 1907, to the Treasurer *pro tem.*, the Rev. William H. Roberts, D.D., Witherspoon Building, Philadelphia, Pa.

The expenses consist of two principal items: (1) The general expenses of both Sections of the Alliance, including the salary of the General Secretary, Rev. Dr. George D. Matthews; (2) the expenses of the Western Section of the Alliance. These latter were increased by the Liverpool Council from £365 to £445 per annum, equivalent to about $2,200. The traveling and contingent expenses of the Western Section amount to about $1,600 per annum; the American Secretary, the Rev. Dr. Roberts, serving without salary. The amount needed, therefore, for the expenses of the Alliance, so far as the Western Section is concerned, is $3,800 per annum.

XIII. Delegates.—The Commission has appointed delegates to carry to your venerable body fraternal greetings. Their names are transmitted in another communication.

In closing we reiterate a statement made last year, that the opportunities before the Reformed and the Presbyterian Churches of the World for service to God and to mankind were never greater than in the present age. These kindred Churches, that have done so much for mankind in the past in both the civil and religious spheres of action, are now in the ordering of Divine Providence standing before an open door of Christian service on every Continent. Through that door may these Churches of ours pass to those victorious labors which shall ere long crown our Divine Saviour Jesus Christ as Lord of all.

Ralph E. Prime, *Chairman.*

Wm. Henry Roberts, *American Secretary.*

XII. REPORT OF COLUMBIA THEOLOGICAL SEMINARY.

The annual meeting of the Board of Directors of Columbia Seminary was held in the Seminary Chapel, May 7-9, 1907.

Twenty-two students were in attendance upon the Seminary this year (1906-1907): in the Senior class, one; in the Middle class, five; in the Junior class, twelve; and special students, four—an increase of six over last year.

The report of the Faculty as to the work of the students and their promise as future servants of the church was most encouraging.

The finances of the Seminary have been ably and faithfully handled by the Treasurer and Investing Committee of the Board, and are in good condition with a surplus over the expenditures for the year of about $2,000.00.

The fund left by the late Dr. Thomas Smythe by accumulated interest has now reached the required amount of $20,000.00 for its use by the Seminary for Library and Lecture purposes, and hereafter, under the terms of the will, can be used.

The material property of the institution has been greatly improved by repairs and painting, and the Seminary buildings are both comfortable and attractive.

The controlling Synods have adopted the proposed amendment to the Plan of Government, so as to provide for the office of President of the Seminary.

The outlook of the Seminary is encouraging and hopeful.

WM. G. NEVILLE, *Secretary.*

XIII. ANNUAL REPORT OF UNION THEOLOGICAL SEMINARY IN VIRGINIA.

The Board of Directors and Trustees of Union Theological Seminary in Virginia, with grateful acknowledgment to the Head of the Church for His blessings upon this institution during the past session, would respectfully report to the General Assembly:

1. That the attendance of students continues to increase, the enrollment for the session being *sixty-six, four* more than in the preceding year; that *fifty* of these were full college graduates; and that in point of character as well as attainments they have measured up to our high requirements, applying themselves to their studies with diligence and success, throwing themselves with fine zeal into various forms of religious work in neighboring churches, Sunday-schools and missions, and in other ways evincing sound and vigorous spiritual life; and that they have been blessed with almost uniformly good health.

2. That there are six instructors in the institution; that they have done their work with fidelity and thoroughness; and that in accordance with the suggestion of the General Assembly of last year they have taken special measures to provide for a more definite pastoral care of the students with a view to their higher spiritual development and comfort.

3. That in order to relieve Dr. Moore, the President of the Seminary, of many details of local oversight and management and give him more freedom for the wider duties of his office, and in order to effect an improved arrangement of work in some other departments, the Board has created the office of Proctor.

4. That the financial condition of the Seminary continues to improve—the assets are in first-class condition and all interest on investments has been paid promptly. The net assets of the Seminary, at present, amount to $553,447.21.

5. That, as a result, of the efficient work of the Field Secretary, Rev. A. D. P. Gilmour, the endowment of the Robert L. Dabney. Professorship of Systematic Theology is approaching completion, $47,376.55 in cash and subscriptions having been secured.

6. That while the increase of our funds and the general improvement of our financial condition is gratifying, it is still not sufficient to entirely relieve the Board of embarrassment; that the Board, therefore, expresses its thanks to the Synod of North Carolina for ordering an annual collection for the Seminary in all its churches in the month of September, requests the Synod of Virginia to order a similar collection in its churches, and asks that all the churches in both Synods give Mr. Gilmour access to their pulpits and people as Field Secretary of the Seminary for the raising of the funds still needed to enable the Seminary to render its best service to the cause of our Lord.

The Board reported last year that the great need of the Seminary, in addition to the pressing demands for the increase of the General Endowment Fund, was an additional building to be used for dormitory and boarding arrangements and authorized the presentation of this need to the benevolence of our people. The Board would express again its sense of the need of more room for the accommodation of the increasing number of students and would call the attention of the Synods of Virginia and North Carolina and the friends of the Seminary generally to the urgency of this need.

7. That diplomas with the degree of Bachelor of Divinity were awarded to the following members of the Senior Class: George Francis Bell, A. B., Gaston Boyle, A. B., Pleasant Linwood Clark, A. B., Ralph Carroll Deal, A. M., Thom. W. Hooper, Jr., A. B., B. S., Hugh Hardin Hudson, Angus R. McQueen, A. B., Wm. Sanford Patterson, A. B., David Hopkins Rolston, A. B., John Calvin Siler, A. B.; and that diplomas without the degree of Bachelor of Divinity were awarded to the following: Alfred Scott Anderson, Walter Washington Bain, Eugene Black Carr, B. S., Robertson MacFadyen.

Respectfully submitted,

JOHN S. MUNCE, *Secretary.*

XIV. REPORT OF THE DIVINITY SCHOOL OF THE SOUTHWESTERN PRESBYTERIAN UNIVERSITY.

Inasmuch as the Board of this institution meets but once each year, and that meeting occurs several weeks after the General Assembly has adjourned, it is not practicable for the Assembly to have before it an official report from said Board for the current session. The Chancellor of said University therefore would most respectfully ask your venerable body to allow him to present the following unofficial report, as information, as has been the custom heretofore.

As is generally known throughout our Church, this University is unlike any other institution of our denomination in that it combines a Theological Department or Seminary with regular Academic and Scientific Departments, making them all co-ordinate, and under one and the same government. Hence a report

cannot well be made of our Theological Department that does not also deal with the University as a whole.

During the year soon to close this institution has made most gratifying progress in several respects. In the first place, our attendance has increased very considerably. Last year our total enrollment was only eighty-seven, whereas this year it has gone up to one hundred and eleven—an increase of more than twenty-eight per cent in one year. In the next place, we find that all over the region naturally tributary to this University there exists a feeling of confidence and good will towards it that is most encouraging. This is especially noticeable in, and adjacent to, the city of Clarksville, where a few years ago much feeling had been aroused over the proposition to remove the institution to another city. Finally, we have just had an addition of ten thousand dollars made to our permanent endowment, conditionally, by a generous friend, making the total of our productive funds about two hundred and ninety thousand dollars. The generous donor desires that, for the present, his name and the specific conditions of his gift be not made public.

This year we have had on our roll thirty-five young men who are regularly under the care of the Church as candidates for the ministry, and who are in various stages of preparation for the sacred office. Of these thirty-five candidates we regret to state that only eight are in the Theological Seminary (or Department). Four of the eight are Seniors, and hope to enter on the full work of the ministry a few weeks hence. The other four are in the Junior Class and have one more year of preparation before them.

It need occasion no great surprise that we have at this University only eight young men who are in the Theological Department, if we reflect that our Southern Presbyterian Church maintains five different Theological Schools, and that all of them together have only about one hundred and thirty-five students. We should bear in mind that our beloved Church—for some cause—comes nearer to being weighed down with an "embarrassment of riches" in this one matter of Theological Schools than perhaps any other Church in the whole world. The great Southern Baptist Church, for instance, whilst having not far from two millions of communicants, has but a single Theological Seminary. Our own Church, which has not one-seventh as many members as that great body, sees proper to maintain five separate Theological Schools at an annual outlay of about eighty thousand dollars for the matter of instruction.

We have eleven able instructors in the University as a whole, four of whom have to deal mainly with Theological students. We continue to send out from our halls, every year, young men who will prove a credit to their alma mater, and who are destined to shed lustre upon the annals of our country. We still insist on the strict requirement, which is a distinguishing feature of this school, to wit: that no student can win any degree here who shall not first have completed with credit a three years' Bible course. This feature of our school we regard as of unspeakable importance in this age of commercialism and infidelity. Our position is that education which does not include a competent knowledge of the Book of books is no education that ought to satisfy any Christian.

NEANDER M. WOODS,
Chancellor of Southwestern Presbyterian University.

Clarksville, Tenn., May 15, 1907.

XV. REPORT OF THE KENTUCKY THEOLOGICAL SEMINARY.

The Board of Directors of the Kentucky Theological Seminary would report to the General Assembly.

Rev. J. Garniss Hunter, D.D., Vice President.
Rev. Wm. Irvine, D.D., Secretary.

STUDENTS.

There have been enrolled during the year forty-two students in the classes of the Seminary. Of these thirty-four were in undergraduate courses and eight in graduate courses. These students came from twelve states and represent nineteen institutions of learning.

The degree of Bachelor of Divinity has been conferred upon John Wesley Carpenter, S. C.; Henry Morris Edmonds, Ala.; John Wilson Grier, N. C.; Alfred Alcorn Higgins, Ky.; Edwin Kagin, Ky.; Paul Homer Moore, S. C.; James Ollin Needham, Tex.; John Rockwell Smith, Ky.; and Edgar Wiggins Williams, Tex.

Real Estate	$164,385.94
General Endowment	510,983.87
Scholarship Funds	30,733.33
Library	1,102.10
Total Assets	$707,205.24
Income for the year	$ 34,101.47

GENERAL STATEMENT.

Lectures have been delivered during the year by Rev. Elwood M. Wherry, D.D., Missionary to India, three lectures on "Moslem Evangelization in India," and six lectures by Mr. Marion Lawrance, General Secretary of the International Sunday School Association, on "The Sunday School."

The Grant Robinson Memorial Hall, the Administration Building, the largest of the group of buildings and the center of the work of the institution, has been completed at a cost of about $67,000, and was dedicated with appropriate ceremonies on May 6, 1907. It contains six lecture rooms, each with a professor's study attached, a handsome reception room which will serve also as a directors' room, and also rooms for a number of students.

It bears the name of "Grant-Robinson," in joint memory of the late William T. Grant, Esq., a member of the Second Presbyterian Church, Louisville, Ky., and a director of this Seminary: and of Mrs. Mary Robinson Grant, his wife, and a niece of the late Dr. Stuart Robinson, once a distinguished professor in Danville Seminary. The building is erected from a portion of the funds given by Mr. Grant to the Seminary, and the most munificent bequest ever made in the South to Theological Education.

The Chapel has been erected at a cost of $16,000, with funds provided by Mrs. Rosa Harbison McLennan, in memory of her father, John J. Harbison, deceased, a member, and an elder in the Second Presbyterian Church, Louisville, Ky., for many years, and until his death, a member of this Board.

WM. IRVINE, *Secretary.*

XVI. REPORT OF AUSTIN THEOLOGICAL SEMINARY.

The Board of Trustees of the Austin Presbyterian Theological Seminary would respectfully report as follows:

The year just closed has been a prosperous one, and the outlook for the future is bright with hope. The entire time of four professors has been employed, and the work of the Seminary has been eminently satisfactory. The degree of Bachelor of Divinity has been conferred upon three graduates, and the examinations indicated careful work in all of the classes. The Rev. T. R. Sampson, D.D., was installed as professor of Church History and Polity, and the Rev. E. C. Caldwell, B.D., was installed in the chair of Old Testament Languages and Exegesis. The Rev. R. E. Vinson was, at his own request, transferred to the chair of Homiletics and English Bible, and has heroically undertaken not only to raise his own salary, but also to provide a permanent endowment for said chair. At the request of the Board, the professors have cheerfully divided among themselves the work of the chair of New Testament Languages and Exegesis. The Board has authorized the sale of the present property of the Seminary in the city of Austin and the erection of a new building on a beautiful site in the same city, near the buildings of the University of Texas.

With gratitude to Almighty God, and with a faithful and efficient Faculty, and an earnest, though small, student body, the Seminary looks forward to the new year with confidence and courage. CHARLES R. HYDE, *Secretary.*

XVII. EXTRACT FOURTH ANNUAL REPORT OF THE ASSEMBLY'S HOME AND SCHOOL, AT FREDERICKSBURG, VIRGINIA.

Within no year of the history of the Assembly's Home and School, perhaps, has it accomplished so much good as within the one that has just passed. There have been more under its care than ever before and the demand for its privileges increases as time goes on. As the ministers of our Church, one by one, are called to their reward, we have, in every instance we know of when a dependent family has been left, offered to such a family the privileges of the Home and School. These privileges, you all know, are board and tuition free to the children of deceased ministers and of missionaries. Our foreign missionaries rejoice in this provision of the Church and many of them are leaving their children here to be educated under the care and direction of the Church while they are preaching God's Gospel to the nations that sit in darkness.

A glance at our roll will show you that there are 16 students from Brazil, 7 from China, 2 from Japan, 3 from Indian Territory, 13 from North Carolina, 5 from Mississippi, 9 from Georgia, 4 from Alabama, 1 from Arkansas, 2 from Kentucky, 4 from South Carolina, 16 from Virginia. The students in the Home and School, as a class, stand high, both mentally and morally. The Church at large is unaware of the great need of help among the families of our deceased ministers.

The institution is making no debts. With no endowment and no visible means of support, it moves forward, Providence caring for it day by day. The last year has been a trying one, because, besides the fact that our number has increased and there has been an increase in the cost of living, the annual collection has been small. Many of our strongest churches contribute nothing. The total amount contributed to this cause during the past year is $11,798.76. Taking from this amount the personal contributions, $4,135.11, the amount contributed by the churches is $7,663.65.

We call your attention to the balance in our treasury, $3,299.11, of which amount, $531.64 belongs to the debt fund, and the balance, $2,767.47, must run the institution till our next collection in December. It is totally insufficient and we hope the Assembly will devise some method to supplement the amount.

We have bought, by means of the legacies left us by Mr. R. M. Scruggs, Mrs. Mary A. Titcomb and Mrs. Rebecca W. Sire a large, convenient and pleasant home for our boys.

We have on this lot room sufficient for the erection of a large dormitory to be used by our returned missionaries. There is much demand for such a building.

We respectfully overture the General Assembly to divorce this cause from the cause of Church and Christian education and to restore it to its place in the scheme of our church collections. (Last Sabbath in December.)

In addition to the above mentioned 82 children, there are 9 others not enrolled in the Home and School and 19 widows, making a total of 110, who are maintained in whole or in part through the Home and School. This is done by a method which we regard as unique, scriptural and the wisest plan we think could be conceived for the benefit of these beloved children of the church. Instead of having one great building in which to house them all, they are located in cottages throughout the town, some of which furnish a safe investment for the little pittance which these widows had, and others are rented by the Home and School. The children are boarded with their mother, which enables her to keep the children together under her own training and influence and to maintain herself through the service rendered them. Such children as cannot be provided for and kept under the parental roof are boarded in the Home, the matrons of which are widows of deceased ministers.

XVIII. ANNUAL REPORT OF THE ASSEMBLY'S EXECUTIVE COMMITTEE ON SCHOOLS AND COLLEGES.

The last General Assembly, in session at Greenville, South Carolina, created the Executive Committee on Schools and Colleges, named Atlanta as the location of the office, appointed the first week in October, 1906, for the first meeting, and elected Reverend George Cornelson, of Concord, N. C., Secretary.

When the Assembly adjourned there was practically no doubt that Mr. Cornelson would be released from his pastoral charge and assume the secretarial duties at the first meeting of the committee in October. We soon learned, however, that the Concord Church was going to earnestly resist the Assembly's call being placed in Mr. Cornelson's hands. Although not appointed to any such function, the acting Chairman of the Executive Committee, Reverend T. H. Rice, attended the meeting of Concord Presbytery and did all in his power to persuade that body to release Mr. Cornelson to our work. He was accorded the privilege of the floor by Presbytery, and a courteous hearing; but Presbytery refused to place our call in Mr. Cornelson's hands.

The failure to secure a secretary was a contingency utterly unprovided for by the Assembly, and we have been unable, as a committee, to accomplish anything under our circumstances.

The Assembly counted on our having the secretary of its choice in the field and active among the synods and principal churches from the first week in October to the last week in December—a period of say two months and a half before the time appointed for our collection. The date assigned our cause was the last Sabbath in December. Without an active and efficient secretary in the field, well in advance of that date, we could not hope to raise much for a new cause in a month so crowded with collections as December.

Yet it was from this December collection that the Assembly had planned that we should secure the money to carry on our work as a committee until the following December, including the secretary's salary.

And further, the Assembly, in consideration of its having given us for our collection the Sabbath formerly assigned to the Assembly's Home and School at Fredericksburg, had devolved upon our committee the support of that institution, instructing us to pay over to it, as the very first charge upon the proceeds of the December collection, a sum not less than the largest collection the Home and School had ever secured from the Church.

In order to move an inch, therefore, in the prosecution of our own proper work, it is evident that we must have realized from the December collection an amount equal to the largest collection the Home and School had ever raised, plus the sum necessary to cover the committee's expenses (including secretary's salary) until next December.

This we could not hope to do without a secretary. We made a bold move. We called Dr. Egbert W. Smith, Pastor of the Second Church, Louisville, Ky., to the secretaryship. We believed if he would come to the helm the problem would be solved. He declined, however, and we were helpless, for the collection was then just upon us.

We had provided against the possibility of the Home and School suffering any loss, by authorizing its superintendent, Mr. S. W. Somerville, to go forward and present the claims of his institution to the church, as he had previously done, calling for a liberal collection to that object in December.

When we failed to secure Mr. Smith, it was proposed that the chairman, as the mouth of the committee, should address an appeal to the church through our religious papers, setting the exact situation before our people, and urging them to give in the December collection a sum large enough to cover the needs of the Home and School and leave our committee a balance sufficient to go straight on with its work, seeking and, if possible, securing a secretary, and pushing the March collections in all the synods. But after conference with Mr. Somerville, the committee concluded that such a course promised very little, if any, gain, and might interfere with Mr. Somerville's reaping the due reward of his earnest efforts for the Home and School. We decided, therefore, to issue no appeal to the church.

Your committee regrets that it must report a year lost, but we cannot see how it could have been otherwise under the circumstances. With no secretary, no money with which to obtain a secretary, and no collection in which to obtain money, our hands were tied.

Your committee earnestly recommend that the overture of the Board of the Fredericksburg Home and School be answered in the affirmative, and all connection severed between that institution and this committee; and that the cause of Schools and Colleges be assigned a day for a collection to be appropriated entirely to the maintenance of this great work.

We also recommend that the Assembly provide for the payment of the secretary's salary, as well as other expenses of the committee, until the collection provided for shall come into the committee's hands.

THERON H. RICE, *Chairman.*

XIX. REPORT OF THE *AD INTERIM* COMMITTEE ON THE REVISION OF THE CITATION OF PROOF TEXTS.

The work herewith submitted was done in conference by a sub-committee, consisting of Messrs. W. M. McPheeters, M. C. Hutton, William Cumming and E. C. Gordon, and then submitted to each member of the whole committee for further amendments. Further changes were made only when a majority of the whole committee asked for them; so that the work as submitted, commands the assent of a majority of the Assembly's committee.

The sub-committee, and presumably the whole committee, had before them and made use of the work of the previous committee, and also the views of other brethren who submitted them for our consideration.

The changes have been so many and at points so important, that we deemed it best to submit them to the General Assembly before applying the principles and methods followed to the catechisms. If the General Assembly should approve our work, and continue the committee, it is proposed to complete the work and submit it to the next General Assembly.

The Rev. William H. Neel, D.D., desires to be relieved from further service on the committee. Dr. Neel has been an active and valuable member of the committee and the chairman presents his request with great regret.

Through a failure to have the resignation of the Rev. C. C. Hersman, D.D., brought to the attention of the last General Assembly, that resignation was not acted upon. While Dr. Hersman has been consulted by the chairman of the committee and has made some valuable general suggestions, he has declined to take any part in the actual work of the revision during the past year.

In some correspondence with the General Assembly's Executive Committee of Publication, the chairman of this committee received the following information, which he respectfully lays before the General Assembly: That Committee said through its secretary, "We are in cordial sympathy with the work you have in hand, and should like very much to get hold of the completed copy. The plates of the present Confession of Faith are very badly worn, and we have been holding off making new plates for two years, hoping to get hold of the work of the revision committee."

Respectfully submitted by order of the committee,

E. C. GORDON, *Chairman.*

XX. REPORT OF THE *AD INTERIM* COMMITTEE ON DOCUMENTS SETTING FORTH THE DISTINCTIVE PRINCIPLES AND POSITIONS OF OUR CHURCH.

Your Committee, acting under the instructions contained in the following resolution, passed by the last Assembly,

> "We recommend that the General Assembly appoint an *ad interim* committee to select from the acts and deliverances of this Assembly, and from other sources, such documents as in the judgment of the committee may enable our own people and others to understand the position and principles of our church, with instructions to report the result of their labors to the next General Assembly,"

would make the following report:

We have examined carefully a large mass of material and documents found in the digest of the Assembly's minutes and other sources of our history, and have selected the following papers, which, we believe, contain the leading distinctive principles and positions of the Presbyterian Church in the United States:

I. PAPERS FORMALLY SETTING FORTH THE PRINCIPLES TO WHICH OUR CHURCH IS PLEDGED.

1. Addressed to All the Churches of Jesus Christ throughout the Earth.
2. Pastoral Letter of 1865.

1. Terms of union with the United Synod of the South (Dig. pp. 400-3).
2. Terms of union with Patapsco Presbytery (Dig. pp. 398-9).

III. PAPERS RELATING TO NEGOTIATIONS WITH OTHER CHURCHES.

1. With Cumberland Presbyterian Church (Dig. pp. 438-42).
2. With the Pres. Ch. in the U. S. A.:
   - (a) Action of the Pres. Ch., U. S. A., in 1869 (Distinctive principles, p. 91).
   - (b) Action of the Re-united Assembly (Ibid., p. 92).
   - (c) Action of our Assembly on the same, and Pastoral Letter of 1870 (Ibid., pp. 97-107).
   - (d) Action of the Pres. Ch., U. S. A., in 1873 (Ibid., p. 460).

   - (f) Minutes of the Baltimore Conference (Dig. pp. 466-92).

IV. PAPERS EMBODYING ACTIONS OF OUR ASSEMBLY THAT HAVE BEEN ANIMADVERTED UPON.

1. Pastoral Letter of 1862 (Dist. Prin., p. 24).
2. Minutes of 1863 on the death of Gen. Thomas J. Jackson (Ibid., p. 34).
3. Extracts from the Minutes of 1861-64 (Ibid., pp. 50-53).
4. Answer of our Assembly to Animadversions on foregoing (Dig. p. 389-96).

V. PAPERS EMBODYING ACTIONS OF THE O. S. AND N. S. BODIES, U. S. A., TO THE LANGUAGE OR PRINCIPLES OF WHICH WE TOOK EXCEPTION.

1. Extracts from the Proceedings of the O. S. Assembly, 1861-7 (Dist. Prin. pp. 108-24).

2. Extracts from the proceedings of the N. S. Assembly of 1861-66 (Ibid., pp. 125-33).

As we have studied these documents, he have become convinced that in order to make them of most value to the Church, at present, and intelligible for the generations to come, they ought to be carefully edited and each document prefaced by a statement of the historical circumstances under which it was written. This editorial work lies without the province of the present Committee, if it confines itself to the instructions given in the Assembly's resoluton. The conviction has also grown on us that it would be an almost interminable task for the Assembly to reissue these documents under its direct auspices and supervision, as each document would have to be read and discussed in the open Assembly, if we would do our work intelligibly. We therefore recommend:

1. That the Assembly appoint a committee of five, who shall now take charge of this work and edit these papers which we have selected, and any others which in their judgment, ought to be included. in such way as they believe will make them of most value to our church at present, and most intelligible to future generations.

2. That the Assembly direct the Committee of Publication to issue and put on sale, a thousand copies of this volume, when the Committee has finished its editorial work.

Respectfully submitted,

W. M. McPheeters,
Wm. E. Boggs,
W. J. McKay,
W. L. Lingle.

XXI. NARRATIVE OF THE STATE OF RELIGION.

Your Committee on the Narrative would respectfully report, that there have come into their hands narratives from eighty of the eighty-four Presbyteries of the Church. It is a matter of regret that more diligence and care is not given to the gathering of definite statistical information and the thoughtful preparation of the Narratives themselves. A few of the Narratives might serve as models in this respect; but many are so indefinite as to be practically valueless.

From a study of these Narratives we gather the following facts:

1. Almost without exception the attendance on the services of the Church is reported as encouraging and in many instances increasing. We are glad to note this fact, as the statement is often met with, that people are losing interest in the Church and its services.

2. There is no variation from the statement of past years that family worship is not only neglected but practically ignored by the vast majority of the families of our Church. In only one or two Narratives is any improvement whatever noted.

3. In the vital matter of Sabbath observance there seems to be ground for the belief that our people generally observe the day with a reasonable degree of conscientious care; and there are some instances of improvement in public opinion and public action. A few deplore a tendency toward the continental Sabbath and visiting and travel on the Lord's day.

4. Sabbath-school work is being prosecuted with increasing zeal, earnestness and efficiency. Many Sabbath-school institutes and conventions are being held and have awakened new interest, and given fresh impulse to this work. On the other hand many Narratives report Christian parents as committing the religious training of their children almost entirely to the Sabbath-school.

5. During the past year our Churches have given more than ever before to the great causes represented in the evangelistic and benevolent work of the Church. This liberality on the part of our people calls for gratitude to the great Head of the Church.

6. In the great majority of cases pastors' salaries are reported as being paid in full, but many Presbyteries report a few churches delinquent. In not a few instances salaries have been raised and it would no doubt be gratifying with the increased cost of living if this commendable practice should become the rule and not the exception.

7. There are some evidences of spiritual growth and activity, yet viewing the Church, as a whole, the year does not seem to have been marked by any widespread outpouring of the Spirit's influence as evidenced by accessions to the Church or times of refreshing from the Spirit of the Lord.

8. Worldliness, while touching with its insidious fascination even the circles of Church life and paralyzing where it touches, cannot be said to prevail, and yet does no doubt seriously affect in many places the tone of Christian life.

9. In the matter of evangelistic effort and consecrated service there seems to be an advance on the part of individuals and Churches, while the Church at large appears to be on the verge of great movements, especially among the laymen of the Church.

10. Many of our Churches are vacant or only partially supplied with the preaching of the word, and this condition can only be remedied when the prayer of the Church for more laborers is answered by her Lord. While the number of candidates for the ministry is slowly increasing, the fast increasing population of the South is emphasizing the call for more and more laborers.

May our Church be baptized with fresh consecration and increasing zeal till she shall in some measure accomplish the work to which God has called her.

F. W. Lewis, *Chairman.*

PRAYER FOR THE GENERAL ASSEMBLY.

Whereas, The General Assembly of the Presbyterian Church in the United States fully recognizes the efficiency of the prayers of God's people, and the necessity of divine guidance in its own deliberations: therefore—

Resolved, 1. That the General Assembly recommend to all the churches under its care to offer special prayer during the devotions of the Sabbath preceding the meeting of the General Assembly in each year, that God would of His great mercy so give the General Assembly the wisdom that cometh from above, and so direct all its plans, discussions, and decisions, as to promote His own glory and to advance the kingdom of Jesus on earth.

Resolved, 2. That the above preamble and resolution be printed annually in the Appendix to the Minutes of the Assembly.

FORMS OF BEQUEST.

"I give, devise, and bequeath to the Trustees of the General Assembly of the Presbyterian Church in the United States ——— (here insert the estate devised and bequeathed) for the use and benefit of said Church."

"I give and bequeath to the Trustees of the Presbyterian Committee of Publication of the Presbyterian Church in the United States (incorporated under the laws of the State of Virginia) (here name the amount of the bequest), to be used for the publication work of said Church, which is popularly known as the Southern Presbyterian Church."

"I give and bequeath to the Executive Committee of Foreign Missions of the Presbyterian Church in the United States (incorporated under the laws of the State of Tennessee) (here name the amount of the bequest), to be used for the foreign mission work of said Church, which is popularly known as the Southern Presbyterian Church."

"I hereby give and bequeath to the Executive Committee of Ministerial Education and Relief of the Presbyterian Church in the United States ———— for the support of aged and disabled ministers and of the widows and orphans of deceased ministers of said Church."

THE MINUTES.

The selling price of the Minutes to parties out of our bounds, commercial houses, etc., is $1; to officers and others within our Church, 50 cents; to Presbyterial Clubs buying a copy for each church in the Presbytery, and to clubs of the General Assembly, 25 cents. A copy free of cost will be sent to each minister on the roll of the Church as shown by the Presbyterial reports. Orders should be sent to the Executive Committee of Publication and not to the Stated Clerk.

STATED CLERKS OF PRESBYTERIES

ARE REQUESTED:

1. To make their Annual Reports to the Assembly, viz: (1) Statistical, as per form on preceding pages; (2) on Systematic Beneficence; (3) on Sabbath-Schools; (4) Narratives; (5) on Young People's and other Societies; (6) on Women's Societies.

2. To make their reports in fair, distinct writing, especially the columns of names and figures in the Statistical Tables.

3. To make them as accurate and as full as possible. When churches do not report to Presbyteries, it is desirable that the numbers of their communicants, elders and deacons should be inserted from their last reports.

4. To report NO FRACTIONS in the money columns of any of the above reports.

5. To add up each column of figures. Reports are often carelessly sent, unadded.

6. To append to the statistics of Presbyteries a brief account of the changes which have occurred during the year, such as the number of licensures, ordinations, installations, dissolution of pastorates, organization and dissolution of churches and the names of ministers deceased. Place a star after name of church if a manse is furnished. Discard the use of "W. C." after names of ministers without charges.

7. To transmit their Statistical and other Reports to the Stated Clerk of the Assembly as soon as they are prepared. If statistical reports are not received before the Assembly meets, it will occasion embarrassing delay in the publication of the Minutes.

Blank forms for Sessional or Presbyterial Reports are not furnished by the Stated Clerk of the General Assembly, but by the Executive Committee of Publication, at cost price, by order of the Assemblies of 1867 and 1878; and Stated Clerks are earnestly urged to supply themselves with the latest blanks for all Reports. Get new blanks each year, and thereby avoid confusion.

The Assembly instructs Stated Clerks to send up no overture, except when it is written upon a separate sheet of its own.

Notify the Stated Clerk of General Assembly when a change is made in the clerkship of your Presbytery.

TO THE STATED CLERKS OF SYNODS.

It is the duty of these officers promptly to notify the approaching General Assembly, through its Stated Clerk (1) of the formation or dissolution of Presbyteries within the bounds of their respective Synods, and (2) of the times and places of the next ensuing meetings of these bodies. It is not required that Synodical Narratives or statistical reports prepared by Synod be sent to the Assembly. They are simply for Synodical record. (3) Notify the Stated Clerk of the Assembly when change is made in the clerkship of Synod. Attend to these three things immediately on the adjournment of Synod, that the Assembly's clerk may begin that early the preparation of his schedules and blanks for the next Assembly. To do this he needs a complete roll of presbyteries.

Statistical Reports of Presbyteries.

NOTE.—An asterisk (*) after the name of a church indicates that it owns a manse. P. is for pastor; S. S. for Stated Supply; Ev. for Evangelist; Ed. for Editor; D. M. or H. M. for Domestic or Home Missionary; T. for Teacher; Inf. for Infirm. Other abbreviations will be readily recognized.

The totals in the money columns of the above tabulated review do not agree with those published by the various executive committees, since the latter only report what is received and disbursed by them, while the above tables report all moneys raised by the churches, including many sums that do not go through the hands of the executive committees, but are disbursed through other channels.
